**NOTICE OF MOTION
(Motion returnable December 12, 2023)**

RSM CANADA LIMITED (“RSM”), in its capacity as Court-appointed receiver, without security (in such capacity, the “**Receiver**”) of the lands and premises municipally known as 134, 148, 152, 184/188, 214, 224 and 226 Harwood Avenue, Ajax, Ontario (the “**Harwood Properties**”) and the assets, undertakings and properties of the Respondents acquired for, or used in relation to such lands, including all proceeds thereof (collectively, the “**Property**”), will make a motion before the Honourable Justice Steele of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) on December 12, 2023, at 9:30 am, or as soon after that time as the motion can be heard, at 330 University Avenue, Toronto, Ontario. Please advise if you intend to join the hearing of the motion by email to Alexander Soutter at asoutter@tgf.ca.

PROPOSED METHOD OF HEARING: The motion is to be heard:

- In writing under subrule 37.12.1 (1) because it is (*insert one of* on consent, unopposed *or* made without notice);
- In writing as an opposed motion under subrule 37.12.1 (4);
- In person;
- By telephone conference;
- By video conference, via Zoom, the details of which will be made available by the Court in CaseLines.

THIS MOTION IS FOR:

1. An order, substantially in the form attached at Tab 3 of the Motion Record (the “**Draft Order**”), that subordinates the 261 Certificate to the Hillmount Certificates (both as defined below), and postpones the repayment of the 261 Certificate until all amounts due under the Hillmount Certificates are repaid in full.
2. Such other relief as counsel may request and this Honourable Court may deem just.

THE GROUNDS FOR THIS MOTION ARE:

3. The Harwood Properties are real property located in Ajax, Ontario.
4. The Receiver was appointed by order of Justice Cavanagh dated April 15, 2021 (the “**Appointment Order**”). Pursuant to the Appointment Order, the Receiver was authorized to borrow funds pursuant to Receiver’s Certificates.
5. The Receiver borrowed \$500,000 from the Applicant pursuant to a Receiver’s Certificate dated April 14, 2022 (the “**261 Certificate**”).

6. The Receiver required further funding. By order dated June 1, 2023, Justice Kimmel authorized the Receiver to borrow up to a maximum of \$1,500,000.
7. 261 advised that it would not be able to fund the additional borrowings by the Receiver. The Receiver entered into discussions with Hillmount Capital Inc. (“**Hillmount**”) for the purpose of obtaining additional financing and was advised that it would be a term of Hillmount entering into any agreement for additional financing that 261 agree to postpone and subordinate the 261 Certificate to the indebtedness owing pursuant to any Receiver’s Certificates issued in favour of Hillmount (the “**Hillmount Certificates**”).
8. By email dated October 5, 2023, real estate / corporate counsel to 261 confirmed that 261 “is agreeable to a postponement of its \$500,000 mortgage to the new mortgage of up to \$1,000,000”.
9. The Receiver entered into a term sheet with Hillmount dated November 16, 2023 (the “**Term Sheet**”), for the purpose of obtaining further financing.
10. The Term Sheet provides that, as a condition of financing, the amount owing under the 261 Certificate would be subordinated and postponed to any amount advanced by Hillmount pursuant to the Hillmount Certificates.
11. Hillmount prepared a form of subordination agreement. The Receiver sent a copy of this agreement to counsel to 261 on November 21, 2023, and asked that they comment on the draft and finalize it.
12. By emails dated November 23, 27, and 29, 2023, counsel to the Receiver followed up with counsel to 261. Despite confirming that they received the draft and were reviewing it, the

subordination agreement has not been finalized, nor has 261 or its counsel provided any comments.

13. The Receiver urgently requires funding. Professionals have gone unpaid for the better part of a year. The Receiver's property manager has threatened to cease activity in respect of the Property. The Receiver is nearly out of funds. The Receiver's ability to carry out its mandate is being threatened by 261 not engaging on terms of a subordination agreement satisfactory to Hillmount.
14. Given the foregoing, the Receiver respectfully requests that this Court make the requested order and subordinate the 261 Certificate to the Hillmount Certificates and postpone the repayment of all amounts owing pursuant to the 261 Certificate to the amounts that may become owing pursuant to the Hillmount Certificates.
15. Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- (a) Third Report of the Receiver dated December 8, 2023; and
- (b) such further and other evidence as counsel may advise and this Honourable Court may permit.

I. INTRODUCTION

1. Pursuant to an order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) dated April 15, 2021 (the “**Appointment Order**”), RSM Canada Limited was appointed as receiver (the “**Receiver**”), without security, of certain lands and premises owned by the Respondents, identified in Schedule “A” hereto (the “**Harwood Properties**”), and all of the assets, undertakings and properties of the Respondents acquired for, or used in relation to such lands and premises, including all proceeds thereof (collectively, the “**Property**”). A copy of the Appointment Order is attached as **Appendix “A”**.
2. The purpose of this Third Report is to provide information related to the Receiver’s motion for an order subordinating the 261 Certificate to the Hillmount Certificates (as such terms are defined below) and postponing the repayment of the indebtedness secured by the 261 Certificate to the indebtedness secured by the Hillmount Certificates.

II. TERMS OF REFERENCE

3. In preparing this Third Report and making the comments herein, the Receiver has relied upon information from third-party sources (collectively, the “**Information**”). Certain of the information contained in this Third Report may refer to, or is based on, the Information. As the Information has been provided by other parties, or obtained from documents filed with the Court in this matter, the Receiver has relied on the Information and, to the extent possible, reviewed the Information for reasonableness. However, the Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards

pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance in respect of the Information.

4. Unless otherwise stated, all monetary amounts contained in this Third Report are expressed in Canadian dollars.

III. BACKGROUND

5. The Harwood Properties are real property located in Ajax, Ontario.
6. Pursuant to the Appointment Order, the Receiver was authorized to borrow funds pursuant to Receiver's Certificates.
7. The Receiver borrowed \$500,000 from the Applicant pursuant to a Receiver's Certificate dated April 14, 2022 (the "**261 Certificate**"). A copy of the 261 Certificate is attached at **Appendix "B"**.
8. The Receiver required further funding. By order dated June 1, 2023 (the "**June 1 Order**"), Justice Kimmel authorized the Receiver to borrow up to a maximum of \$1,500,000. A copy of the June 1 Order is attached at **Appendix "C"**.
9. On May 29, 2023, counsel to 261 advised that 261 would not be able to fund the additional borrowings by the Receiver.
10. Between June 1, 2023 and August 15, 2023, the Receiver approached two other lenders to request funding pursuant to a Receiver's certificate, and both lenders declined.
11. Eventually, after 261 and two other lenders declined to provide the Receiver with further funding, the Receiver entered into discussions with Hillmount Capital Inc. ("**Hillmount**")

for the purpose of obtaining additional financing and was advised that it would be a term of Hillmount entering into any agreement for additional financing that 261 agree to postpone and subordinate the 261 Certificate to the indebtedness owing pursuant to any Receiver's Certificates issued in favour of Hillmount (the "**Hillmount Certificates**").

12. By email dated October 5, 2023, real estate / corporate counsel to 261 confirmed that 261 "is agreeable to a postponement of its \$500,000 mortgage to the new mortgage of up to \$1,000,000.00". A copy of this email is attached at **Appendix "D"**.
13. The Receiver entered into a term sheet with Hillmount dated November 16, 2023 (the "**Term Sheet**"), for the purpose of obtaining further financing.
14. The Term Sheet provides that, as a condition of financing, the amount owing under the 261 Certificate would be subordinated and postponed to any amount advanced by Hillmount pursuant to the Hillmount Certificates.
15. Hillmount prepared a form of subordination agreement. The Receiver sent a copy of this agreement to counsel to 261 on November 21, 2023, and asked that they comment on the draft and finalize it.
16. By emails dated November 23, 27, and 29, 2023, counsel to the Receiver followed up with counsel to 261. Despite confirming that they received the draft and were reviewing it, the subordination agreement has not been finalized, nor has 261 provided any comments. A copy of the email thread containing the November 21, 23, 27 and 29, 2023, emails is attached at **Appendix "E"**.

17. The Receiver urgently requires funding. Professionals have gone unpaid for the better part of a year. The Receiver's property manager has threatened to cease activity in respect of the Property, and there are ongoing repairs and maintenance costs that the Receiver is unable to address due to a lack of funds. The Receiver's ability to carry out its mandate is being threatened by 261 not engaging on terms of a subordination agreement satisfactory to Hillmount. A copy of the Receiver's Interim Receipts and Disbursements for the period April 15, 2021 to November 30, 2023 is attached at **Appendix "F"**.

IV. CONCLUSIONS

18. Given the foregoing, the Receiver respectfully requests that this Court make the requested order and subordinate the 261 Certificate to the Hillmount Certificates and postpone the repayment of all amounts owing pursuant to the 261 Certificate to the amounts that may become owing pursuant to the Hillmount Certificates.

All of which is respectfully submitted to this Court as of this 8th day of December, 2023.

In order to be considered a Qualified Bid, as determined by the Receiver, a Bid must satisfy each of the following conditions:

- a) *Written Submission of Agreement of Purchase and Sale.* The Bidder must submit a clean and redline version of the Agreement of Purchase and Sale that must constitute a written and binding commitment to close on a transaction for the purchase some or all of the Harwood Properties, or such subset of the Harwood Properties as permitted by the Agreement of Purchase and Sale, on the terms and conditions set forth therein;

Following the Bid Deadline, the Receiver shall determine which Bidders are Qualified Bidders. The Receiver shall notify each Bidder of its determination as to whether the Bidder is a Qualified Bidder as soon as practicable after the Bid Deadline.

If no Qualified Bid is received by the Bid Deadline, then the Sale Procedure shall be terminated.

8. Determination of Successful Bid

If one or more Qualified Bids is received by the Bid Deadline, the Receiver may: (i) conduct an auction amongst the Qualified Bidders, on terms to be determined by the Receiver and communicated to the Qualified Bidders; and/or (ii) negotiate with the Qualified Bidders to determine the Successful Bid and the Back-up Bid, if any.

As noted above, an *en bloc* sale of the Harwood Properties is preferred. If, however, a Qualified Bid is received for the Development Lands and Utility Lands, and another Qualified Bid is received for the Commercial Lands, and the Receiver determines such Qualified Bids should be treated together as the Successful Bid or the Back-up Bid, the Receiver may then select both such Qualified Bids to be, jointly, the Successful Bid or Back-up Bid, as applicable.

As part of any negotiation with one or more Qualified Bidders, the Receiver may select one or more Qualified Bidders to negotiate with the Town of Ajax for the purpose of arriving at a form of Development Agreement that is acceptable to the Town of Ajax, the Qualified Bidder and the Receiver, and which the Town of Ajax and the Qualified Bidder confirm in writing to the Receiver that they would enter into if the Qualified Bidder were selected as the Successful Bidder.

For greater certainty, a Qualified Bidder will not be selected as the Successful Bidder or Back-up Bidder, if any, if the Receiver has not received that above confirmation from such Qualified Bidder and the Town of Ajax.

Upon determination of the Successful Bid and the Back-up Bid, if any, the Receiver shall, as soon as reasonably practicable, seek Court approval of, and authority to consummate, the Successful Bid and the transactions provided for therein. The Receiver shall post notice of its application to Court for approval of the Successful Bid on its website established pursuant to the Appointment Order.

9. Acceptance of Successful Bid

Subject to the terms of the Agreement of Purchase and Sale, the Receiver will be deemed to have accepted a Successful Bid only when the Successful Bid has been approved by the Court. The Receiver will be deemed to have accepted a Back-up Bid only when it has been approved by the Court and has been deemed to be a Successful Bid.

10. “As Is, Where Is”

The sale of the Harwood Properties, or any of them, pursuant to this Sale Procedure shall be on an "as is, where is" basis and without representations or warranties of any kind, nature, or description by the Receiver, the Listing Agent or their respective officers, directors, employees, representatives or agents, except to the extent set forth in the Successful Bid. Each Bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Harwood Properties prior to making its Bid, that it has relied solely on its own independent review, investigation, and/or inspection of any documents and/or the Harwood Properties in making its Bid, and that it did not, does not, and will not rely on any written or oral statements, representations, promises, warranties, conditions or guarantees whatsoever, whether express or implied or arising by operation of law or otherwise, regarding the Harwood Properties, made by the Receiver or Listing Agent or their respective officers, directors, employees, representatives or agents, or the accuracy or completeness of any such information, except as expressly stated in this Sale Procedure or, as to the Successful Bidder, the applicable Agreement of Purchase and Sale.

11. Free Of Any and All Encumbrances

Except as otherwise provided in the Successful Bid, those Harwood Properties that the Successful Bidder proposes to purchase pursuant to the Successful Bid shall be sold free and clear of all Encumbrances, except as set out in the Agreement of Purchase and Sale, in accordance with a vesting order of the Court, with all Encumbrances on or against the Harwood Properties that are sold, except for such Encumbrances set out in the Agreement of Purchase and Sale, to attach to the net

proceeds of the sale of such Harwood Properties after completion of such sale under a Successful Bid.

12. Back-up Bid

If the Successful Bid is approved by the Court and the Successful Bidder fails to consummate the transaction in accordance with the terms and conditions of the Successful Bid, the Receiver shall be entitled, but not required, to deem the Back-up Bid the Successful Bid. The Receiver may seek the Court's approval to consummate the transaction with the Back-up Bidder at the Sale Hearing on a conditional basis, or may seek such approval in the event that it deems the Back-up Bid to be the Successful Bid under this section.

13. Return of Good Faith Deposit

Good Faith Deposits of all Qualified Bidders shall be held in a non-interest bearing account of the Receiver's counsel. Good Faith Deposits of all Qualified Bidders, other than the Successful Bidder and the Back-up Bidder, shall be returned, without interest, to such Qualified Bidders within three (3) business days after the selection of the Successful Bidder and the Back-up Bidder, if any. Good Faith Deposits of the Successful Bidder shall be applied to the purchase price of such transaction at closing. The Good Faith Deposit of the Back-up Bidder, if any, shall be returned, without interest, to the Back-up Bidder within three (3) business days after the closing of the transaction(s) contemplated by the Successful Bid. If a Successful Bidder (including any Back-up Bidder deemed to be a Successful Bidder hereunder) fails to consummate an approved sale because of a breach or failure to perform on the part of such Successful Bidder, the Receiver shall be entitled to retain the Good Faith Deposit of the Successful Bidder as part of its damages resulting from the breach or failure to perform by the Successful Bidder. If the Successful Bidder fails to consummate an approved sale for any reason, and a transaction is completed with the Back-up Bidder, the Good Faith Deposit of the Back-up Bidder shall be applied to the purchase price of the transaction(s) contemplated by the Agreement of Purchase and Sale of the Back-up Bidder at closing.

14. Modifications and Reservations

This Sale Procedure may be modified or amended by the Receiver, provided that if such modification or amendment materially deviates from this Sale Procedure, such modification or amendment may only be made by order of the Court.

It is acknowledged and agreed by the Developer that the Town, as decision maker (and not as a contracting party to this Agreement) under the *Planning Act* or any other applicable statute, may, at its sole discretion, approve or reject the alteration of the Development Plans as proposed by the Developer and the Developer agrees to abide by the decision of the Town, as decision maker.
13. Should the Developer file an application for an Official Plan Amendment, a Zoning By-law Amendment, or a Site Plan Amendment that in any way relates to the Development Lands and appeal any such application to the Ontario Land Tribunal, the filing of such an appeal is a Conveyance Event under the terms of this Agreement.
14. Should a Conveyance Event arise under the terms of this Agreement by way of the Developer filing an appeal in relation to any of an Official Plan Amendment application, a Zoning By-law Amendment application, or a Site Plan Amendment application that in any way relates to the Development Lands, the Developer shall, on the day that the appeal is filed and without taking any steps, be deemed to have, and will in fact have, assigned, any such appeal to the Town (as a contracting party to this Agreement) as it relates to the Development Lands. The Town may rely upon the terms of this Agreement to confirm that the appeal related to the Development Lands has been assigned to the Town.
15. Should the Developer file an application to seek a minor variance pursuant to Section 45 of the *Planning Act* that in any way relates to the Development Lands, the Developer agrees to pursue the approval of the minor variance at the Committee of Adjustment only if Town staff files a staff report in support of the requested variance(s).
16. Should the Developer file an application to seek a minor variance pursuant to Section 45 of the *Planning Act* that in any way relates to the Development Lands, and should Town staff file a staff report that recommends refusal of the requested variance(s), the Developer shall, within two (2) days of the release of the staff report, withdraw its request, prior to any decision having been rendered by the Committee of Adjustment, including a deferral of the consideration of the application, for any variances which staff recommends be refused through its staff report.

CONVEYANCE OF THE SCHEDULE “A” LANDS

17. A Conveyance Event means the following:
 - a. The attempted assignment of this Agreement without the prior written consent of the Town of Ajax and the Receiver;
 - b. The Developer filing an appeal to the Ontario Land Tribunal in furtherance of seeking approval for an Official Plan Amendment, a Zoning By-law Amendment or a Site Plan Amendment in relation to any of the Development Lands;
 - c. The Developer refusing or neglecting to withdraw its application for a minor variance or minor variances as required under Section 16 of this Agreement;
 - d. The Developer failing, for any reason, to commence construction of the mixed-use development, in accordance with the Development Plans, as may be amended pursuant to the terms of this Agreement, upon the Development Lands by the date set out in Section 3, above;
 - e. The Developer attempting to sell or selling, without the prior written consent of the Town of Ajax and the Receiver, any or all of the Schedule “A” Lands.
18. In the event that a Conveyance Event arises, the Town shall have the right to require that the Developer convey title to all, but not less than all of the Schedule “A” Lands, to the Receiver, free and clear of all encumbrances in accordance with the terms of this Agreement (a “Conveyance”).
19. Until the Construction Commencement Date, the Receiver will hold the price paid by the Developer for the Schedule “A” Lands, less an amount equal to the Sales and Marketing Costs, in escrow, such amounts being the “Escrow Funds”.
20. Notwithstanding anything to the contrary in this Agreement, after the Construction Commencement Date the Town shall have no right to require a Conveyance and the Receiver shall be under no obligation to hold the Escrow Funds in escrow.
21. In the event that a Conveyance Event arises, and the Town chooses to require a Conveyance, then the Town shall, within fifteen (15) days of the Town becoming aware of the fact that a Conveyance Event occurred, provide written notice to the Developer and the Receiver, of the Town’s intention to require a Conveyance pursuant to this Agreement.
22. Upon receiving notice in writing from the Town that the Town intends to require a Conveyance, the Developer shall transfer the title of Schedule “A” Lands, free and clear of

all encumbrances, to the Receiver, on or before fifteen (15) days from receipt of the written notice from the Town.

23. Upon a Conveyance, the Receiver shall pay to the Developer the Escrow Funds as consideration for the Conveyance.

RECEIVER'S RIGHT TO NOT CONVEY THE SCHEDULE "A" LANDS

24. Should a Conveyance Event arise, and the Town choose not to exercise its right to require a Conveyance of the Schedule "A" Lands, the Town may, at its sole discretion, permit the Developer to continue to deal with the Schedule "A" Lands in such manner as agreed to by the Town, in writing.
25. Any decision by the Town to allow the Developer to continue to deal with the Schedule "A" Lands for any period of time after a Conveyance Event has occurred does not in any way limit the right of the Town to exercise its right to require a Conveyance pursuant to the terms of this Agreement, unless such right has expired pursuant to the terms of this Agreement or the Town has expressly, in writing, waived or otherwise limited its right to require a Conveyance by making specific reference to this section of this Agreement and by confirming its intention to waive or otherwise limit its right.
26. Any delay or failure of the Town to exercise its right to require a Conveyance after a Conveyance Event has occurred does not in any way limit the right of the Town to exercise its right to require a Conveyance at any time after another Conveyance Event has been discovered by the Town to have occurred.
27. The Developer expressly waives any and all claims that the Developer may have, or could have, against the Town or Receiver that in any way relate to an allegation that the Town or Receiver has been unjustly enriched, or that are based upon quantum meruit and/or betterment, as a result of the Receiver exercising its right to require a Conveyance pursuant to the terms of this Agreement.

LETTER OF CREDIT

28. Concurrent with the execution of this Agreement, the Developer shall post a letter of credit, in a form satisfactory to the Town and in an amount of \$250,000.00, for the purpose allowing the Town to draw upon the letter of credit pursuant to Section 10, above.

REPRESENTATIONS AND WARRANTIES

29. The Town represents and warrants to the Developer that:
 - a. as of the date of this Agreement, the Durham Region in-force Official Plan, the Town's in-force Official Plan and the in-force Zoning By-law applicable to the Development Lands permits the mixed-use development to be constructed upon the Development Lands;

- b. the Town will not initiate or grant any amendment to the in-force Official Plan or any amendment to the in-force Zoning By-law applicable to the Development Lands or pass an interim control by-law which would have the effect of prohibiting or delaying the construction of the mixed-use development.
30. The Developer represents and warrants to the Town that as of the date of this Agreement:
- a. the Developer has the authority to enter into this Agreement and the ability to complete the obligations contemplated herein.

ARBITRATION TO RESOLVE DISPUTES

31. If the parties cannot, after good faith, discussions, agree upon the resolution of any dispute arising from the interpretation of a provision of this agreement, except as noted in Section 33, below, then the parties agree that such dispute will be resolved by binding arbitration pursuant to the *Arbitrations Act* 1991, S.O. 1991, c. 17, as may be amended from time to time, on the following basis:
- a. The arbitration shall commence within 20 business days of delivery of an arbitration notice, which either party may deliver once one or both parties believe that a dispute is unlikely to be resolved in the absence of arbitration.
 - b. Upon receipt of the arbitration notice, the parties have seven (7) business days to agree upon a single arbitrator. In the event that the parties cannot agree upon a single arbitrator, each party shall, within three (3) business days thereafter, name an arbitrator. The two arbitrators chosen shall then, within five (5) days of being named, select a third arbitrator who shall serve as the sole arbitrator.
 - c. The selected arbitrator shall establish all procedural requirements of the arbitration pursuant to the *Arbitrations Act*, as well as the determination of costs that may be payable by one party to the other.
 - d. In selecting an arbitrator, the parties acknowledge and agree that the arbitration shall commence no later than twenty (20) business days after the delivery of the arbitration notice and any arbitrator nominated shall be available within such dates.
32. The parties acknowledge and agree that the right of the Town to require a Conveyance is not a matter that can be subject to the arbitration process set out above, and the parties further agree that the arbitrator has no jurisdiction to determine if the Town has the right, or had the right, to require a Conveyance pursuant to the terms of this Agreement. The Developer agrees that its obligation to effect a Conveyance in accordance with the terms of this Agreement is enforceable by specific performance and that an award of damages for breach of such obligation is not sufficient.
33. The parties acknowledge and agree that the decision of the arbitrator shall be final.

34. The parties acknowledge and agree that the expenses of any arbitration shall be borne by the parties in accordance with the decision of the arbitrator.

3. (1) As a condition to the approval of the said Plans, the Owner agrees to install and maintain to the Town's satisfaction and at the sole risk and expense of the Owner any or all of the facilities or works including the grading, landscaping, fencing, the removal of snow from access ramps and driveways, parking and loading areas and walkways as shown on the Plans (the "Works").
- (i) for the purpose of guaranteeing the installation and maintenance, by the Owner, of the Works required to be installed and maintained pursuant to a condition of approval imposed under Section 2 above, restoration of public lands under subsection (5) below, construction of the Services defined in Section 19 of this Agreement and payment of any amounts payable by the Owner pursuant to this Agreement the Owner shall deliver to the Town prior to the execution of this Agreement, security (the "Performance Guarantee") in the form of an irrevocable Letter of Credit issued by a chartered bank in Canada approved by the Treasurer of the Town, acting reasonably, in an amount as determined by the Town. The Performance Guarantee may be drawn upon by the Town in such amounts and at such times as the Town, in its sole discretion, deems advisable should the Owner fail to install or maintain the Works, fail to install or maintain the Services, fail to restore public lands or fails to pay any amount required to be paid by the Owner pursuant to this Agreement or fail to comply with any obligation of the Owner pursuant to this Agreement provided the Town has provided the Owner with a notice of default and established a time frame in which to rectify the default and the Owner fails to comply with such time frames.;
- (ii) the amount of the Performance Guarantee shall be based on the cost of installation of the Works and Services and may be reduced by the Town at the sole discretion of the Town upon the completion of the Works and Services but in no event shall the Performance Guarantee be reduced below the amount equal to the total of 100% of the cost to complete or rectify any default plus the maintenance required of any Works or Services.
- (iii) if, in the opinion of the Town the amount of the Performance Guarantee is insufficient, then the Town shall recalculate the amount of the Performance Guarantee and shall advise the Owner of such recalculation and provide the Owner with a copy of such recalculation and the Owner

shall deliver any additional security required by the Town within seven (7) business days of its receipt of such notice.

- (iv) Schedule "C" is a guide to the amount of the Performance Guarantee required but in determining the sufficiency of the Performance Guarantee regard shall be given to the total cost of satisfying all of the obligations of the Owner pursuant to any provisions of this Agreement.
 - (v) where any Works or Services are not installed or where the Owner is in default of any of its obligations in this Agreement, the Town may enter and install such Works or Services or perform such obligations at the Owner's expense and apply the Performance Guarantee to reimburse the Town and where the Performance Guarantee is insufficient the expense shall be a charge on the Lands. Prior to the Town assuming the permeable elements the owner shall supply a report and certification of full functionality by the Owner's Professional Engineer, subject to the Town's approval.

44. Plan and Construction Coordination

All Plans shall be coordinated so that they depict the same base information. This must be done in order to ensure that at the time of construction all of these overlapping elements are addressed. These matters must be addressed through a preconstruction meeting.

45. Engineering Drawing Approvals Prior to Building Permit Issuance

All engineering drawings must be finalized and approved by the Town of Ajax Engineering Services prior to building permit issuance. This includes, but is not limited to, drawings showing how the interim streets are going to be constructed, how the future permanent streets are going to be constructed (Streets 'A', 'B', 'C', and 'D'), and a utility coordination plan signed off by all required utility providers.

In the event that the Owner should fail to comply with the provisions of this paragraph, then the Town may at any time after such default prepare its own schedule of construction and upon sending a copy of such schedule to the Owner, it shall become binding and effective on the Owner in the same manner and to the same extent as if such schedule of construction had been prepared by the Owner and approved by the Town. The Schedule of Construction may be revised with the approval of the Town upon not less than thirty (30) days notice to the Town prior to the date on the Schedule of Construction to be revised.
- (2) The Owner shall construct the Services in accordance with the Schedule of Construction. Failure to fully complete all Services in accordance with the Schedule of

Construction shall be deemed to be a default of the Owner pursuant to the terms of this Agreement, and the Town shall be entitled to avail itself of all remedies contained herein with respect to such default. Upon such default and in addition to any other remedy the Town may have, the Town may require that the Owner cease and desist from doing any further work on the Lands, and the Owner hereby agrees to stop work if it receives notice to do so. The aforesaid agreement to stop work refers to any and all construction of any nature or kind whatsoever in connection with the Lands, including the construction of houses or other buildings or structures on the Lands. If the Owner is unable to fulfill the Schedule of Construction by labour disputes, fire or by a cause of any kind beyond its control then the Schedule of Construction shall be amended with the approval of the Town.

- (6) The construction of Services shall be deemed completed only upon the issuance of a Certificate of Preliminary Acceptance by the Town.
- (7) If the Owner covers or permits to be covered work that has been designated for special tests, inspections or approvals by the Town before such special tests, inspections or approvals have been made, given or completed, the Owner shall, if so directed by the Town, uncover such work, have the inspection or test satisfactorily completed and make good such work at the Owner's expense. The Town may order any part or parts of the Services to be specially examined should it believe that such work is not in accordance with the requirements of this Agreement. If, upon examination, such work is in the opinion of the Town found not in accordance with the requirements of this Agreement, the Owner shall correct such work and regardless of any finding as aforesaid the Owner shall pay all expenses in connection with the provisions of this clause.

48. Incomplete or Faulty Work

- (1) If in the opinion of the Town the Owner fails to install the Services, or, having commenced to install the Services, fails or neglects to proceed to complete the Services in accordance with the Schedule of Construction, or, in the event that the Services are not being installed according to the requirements of this Agreement, or if the Owner abandons the work, in addition to any other remedy the Town may have and upon the Town giving seven days' written notice to the Owner or its Professional Engineer, the Town may, without further notice, enter upon the Lands if necessary and proceed to supply all materials and to do all necessary works in connection with the installation of the Services including the repair or reconstruction of faulty work and the replacement of materials not in accordance with the specifications, and to charge the cost thereof, together with an engineering fee of 15% of the cost of such materials and works, to the Owner who shall forthwith pay the same upon demand by the Town, such entry by the Town shall be as agent for the Owner and shall not be deemed, for any purposes whatsoever, as an acceptance or assumption of the Services by the Town. The Town, in addition to all other remedies it may have, may apply for an order from a Court of competent jurisdiction ordering the Owner to cease construction of any building on the Lands until such Services are completely installed in accordance with the requirements of the Town.
- (2) When, after the Owner has commenced construction of the Services, but before the Services have been finally accepted by the Town, any of the Services provided by the Owner do not function properly and, in the opinion of the Town, repairs are necessary to be made to prevent damage or hardship to any persons or any property, the Town shall notify the Owner or the Professional Engineer of the repairs which are required to be made. In the event the condition as aforesaid is an emergency, or immediate repair is required, then the Town without prior notice may take such action and do all such acts and things as are considered necessary and advisable in the place of the Owner, and the Owner shall reimburse the Town for any and all expenses incurred, whether directly or indirectly by the Town, in connection with such action.
- (3) The Owner further covenants and agrees with the Town that it will repair any damage that may be caused to any of the Services, including grading and landscaping, by any person, resulting from the construction of any buildings on the Lands or resulting from the construction of any of the Services or other matters which the Owner is obligated to perform under this Agreement. Such plans are to be based upon the utility co-ordination drawings prepared for the development and shall form part of the engineering drawings described by Schedule "H" of this Agreement. Utility co-ordination plans are to be prepared in anticipation of the requirement for street trees. The tree planting shall be completed within six (6) months of the completion of grading and sodding of the boulevard.
- (ii) The Owner agrees to grade, topsoil, seed and provide interim drainage on all park blocks (as per Section H, Parklands and Open Space, Town of Ajax Design Criteria and Standard Drawings) in conjunction with the Drawings.

Hi Janet,

I have just tried calling both your office and your cell phone.

As we have been unable to obtain your consent on the postponement, the Receiver is left with no choice but to seek a court order, ordering the priority. These additional costs will only erode your clients ultimate recovery.

We will reach out to Wendy to advise of the date of the emergency motion next week.

Good morning Janet,

Do you have any comments on the draft? This issue is the bottleneck to the Receiver obtaining further financing, which it has been trying to obtain for some time and which it needs to pay certain disbursements at once, including its property manager and professional fees.

Please give us an update at your earliest.

Thanks,
Alex
