1.0 Introduction

1. Pursuant to an Order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) granted on February 6, 2024 (the “**Appointment Order**”), RSM Canada Limited (“**RSM**”, now known as TDB Restructuring Limited) was appointed receiver and manager (in such capacity, the “**Receiver**”), without security, of the unsold condominium units, parking units, and storage lockers (collectively, the “**Unsold Units**”) constituting property of Vandyk-Backyard Queensview Limited and Vandyk-Backyard Humberside Limited (collectively, the “**Debtors**”).
2. On February 1, 2024, RSM rebranded and legally changed its name to TDB Restructuring Limited (“**TDB**”). Pursuant to an Order of the Ontario Superior Court of Justice (Commercial List) dated March 1, 2024 (the “**Substitution Order**”), TDB replaced RSM on all active engagements set out in the Substitution Order, including this proceeding. The Substitution Order is attached as **Appendix “A”** herein.
3. On March 6, 2024, the Court granted the following three Orders:
 - (a) an Approval and Vesting Order in respect of Unit 302, authorizing and directing the Receiver to enter into and carry out the terms of the agreement of purchase and sale for this unit and vesting title to the Purchased Assets (as defined in the agreement of purchase and sale) in the purchasers upon the closing of the purchase and sale transaction contemplated thereby;

- (b) an Ancillary Order, among other things, approving the Receiver's First Report (as defined herein), and directing the Receiver to set aside \$4,000 of the net proceeds from the sale of Unit 302, pending determination of a priority claim dispute with the judgment creditor, TA Appliances Inc. ("TA"); and
 - (c) an Order establishing a lien claims process (the "**Lien Claims Process Order**"), (i) requiring any lien claimant who has registered a lien against the Unsold Units as of the date of the Appointment Order to deliver to the Receiver a completed proof of lien claim and support documentation by May 1, 2024 (the "**Claims Bar Date**"), and (ii) directing the Receiver to make a recommendation to the Court at a future date and on notice to all interested parties, as to the most efficient and cost-effective process for having the claims determined.
4. Copies of all of the Orders granted in this proceeding, together with all other pertinent documents relating to the proceeding can be found on the Receiver's website at: <https://tdbadvisory.ca/insolvency-case/vandyk-backyard-queensview-limited-vandyk-backyard-humberside-limited/>

1.1 Purpose of the Second Report

5. The purpose of this report (the "**Second Report**") is to:
- (a) report to the Court on the activities of the Receiver since its First Report to the Court dated February 27, 2024 and the Supplement to the First Report

of the Receiver dated March 4, 2024 (collectively, the “**First Report**”) to the date of this Second Report;

- (b) report to the Court on the successful closing of the Unit 302 transaction;
- (c) report to the Court regarding the Receiver’s intent to complete the sale of Unit 311, subject to Court approval, pursuant to an agreement of purchase and sale between a purchaser and the Receiver dated February 20, 2024 (the “**Unit 311 APS**”);
- (d) report to the Court regarding the results of the marketing efforts in respect of the balance of Unsold Units, and the Receiver’s intent to lease certain of the Unsold Units to tenants on an interim basis in order to generate cash for the benefit of the estate;
- (e) report to the Court with respect to the resolution of the TA priority claim dispute;
- (f) describe the relief being sought by the Receiver, including:
 - (i) an Approval and Vesting Order in respect of Unit 311, authorizing and directing the Receiver to enter into and carry out the terms of the Unit 311 APS, with such minor further amendments thereto deemed necessary by the Receiver, and vesting title to the Purchased Assets (as defined in the Unit 311 APS) in the purchaser upon the closing of the purchase and sale transaction contemplated thereby; and
 - (ii) an Ancillary Order (i) approving this Second Report and the Receiver’s activities set out herein; (ii) releasing the \$4,000 in Net

Sale Proceeds previously set aside by the Receiver in respect of the TA priority dispute, (iii) authorizing the Receiver to engage a rental management company and lease certain of the vacant Unsold Units to residential tenants on an interim basis, on such market terms and for such duration up to one year or on a month-to-month basis as the Receiver may determine; and (iv) approving the Receiver's interim statement of receipts and disbursements for the period February 6, 2024, to April 15, 2024.

1.2 Terms of Reference

6. In preparing this Second Report and making the comments herein, the Receiver has relied upon information from third-party sources (collectively, the “**Information**”). Certain of the information contained in this Second Report may refer to, or is based on, the Information. As the Information has been provided by other parties or obtained from documents filed with the Court in this matter, the Receiver has relied on the Information and, to the extent practicable or necessary, reviewed the Information for reasonableness. However, the Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance in respect of the Information.

7. Unless otherwise stated, all monetary amounts contained in the Second Report are expressed in Canadian Dollars.

2.0 The Receiver's Activities

8. The Receiver's activities since its First Report have consisted primarily of:
 - (a) responding to inquiries from stakeholders;
 - (b) corresponding with Canada Revenue Agency in respect of the administration of this proceeding;
 - (c) communicating with Trisura Guarantee Insurance Company in respect of the status of any deposits with respect to the Unsold Units, and with Tarion Warranty Corporation ("**Tarion**") regarding available deposit insurance and pre-delivery inspections ("**PDIs**");
 - (d) reviewing the OREA condominium sale agreement in respect of the prospective sale of Unit 311 with the Receiver's real estate counsel and amending same to conform with the context of a receivership proceeding;
 - (e) considering the impact of any registrations made pursuant to the *Personal Property Security Act* (Ontario) (the "**PPSA**") in respect of any personal property of the Debtors that may be relevant to a sale of the Unsold Units;
 - (f) attending to the marketing and sale of the remaining Unsold Units;
 - (g) engaging with Tarion in order to permit purchasers of the Unsold Units to benefit from a Tarion warranty, which has included arranging for PDIs to be conducted;

- (h) receiving, reviewing and considering the validity, scope and priority of property tax arrears and condominium liens in respect of the Unsold Units, with input from the Receiver's real estate counsel; and
- (i) preparing this Second Report.

3.0 Unit Sales

3.1 Marketing of the Units

- 9. Upon its appointment, the Receiver engaged in discussions with VKP Real Estate Limited ("**VKP**"), the Debtors' listing agent, regarding the marketing efforts to date led by VKP and the Debtors, with a view to strategically marketing the remaining Unsold Units for sale.
- 10. In consultation with VKP, the Receiver decided that the best course of action was to list no more than 5 or 6 of the Unsold Units on MLS at any given time, as too much supply in the same building may result in lower demand and transaction prices for certain units.
- 11. VKP also advised the Receiver that, based on similar transactions completed recently, the approximate current market value of the dwelling units of the Unsold Units is \$900 to \$950 per square foot.
- 12. Since the date of the First Report, several of the Unsold Units have been actively listed for sale on MLS. Other than with respect to Unit 311 however, there have been no offers on any of the other Unsold Units that have resulted in concluded agreements.

13. VKP has advised the Receiver that viewings and activity with respect to the Unsold Units currently listed for sale is lower than expected based on prior years.
14. Tepid market activity is consistent with a generally weak condominium market in Toronto – see The Globe and Mail article “Weak Condo Market in downtown Toronto leads to dip in rental rates, increased vacancy” dated February 8, 2024, attached as **Appendix “B”** to this Second Report.
15. The lack of sales with respect to the remaining Unsold Units will have a detrimental effect on the Debtors’ stakeholders and estate if it continues for a prolonged period, as costs (including taxes, interest, utilities, and maintenance) continue to accrue in respect of each of the remaining Unsold Units, reducing the potential pool of recoveries available for stakeholders.

3.2 Closing of the Unit 302 Sale Transaction

16. The sale transaction in respect of Unit 302 successfully closed on March 14, 2024.

3.3 Approval of the Unit 311 Sale Transaction

17. On February 20, 2024, the Receiver entered into the Unit 311 APS, subject to Court approval. All due diligence and conditions relating to the Unit 311 APS have now passed. The Unit 311 APS contemplates that Unit 311 would be sold, together with a parking space and a locker.
18. A copy of the Unit 311 APS is attached as **Appendix “C”** to this Second Report, unredacted as it does not contain any personal information.

19. The Receiver is of the view that: (i) sufficient efforts were made to obtain the highest and best price for the unit; (ii) the length of the marketing process was appropriate; (iii) the marketing process was conducted fairly and with integrity; and (iv) the Unit 311 APS represents the highest and best offer in the circumstances.
20. The Receiver therefore recommends that this Court approve the Unit 311 APS and authorize the Receiver to carry out the terms thereof and grant an Order vesting title to Unit 311 in the purchaser thereof upon the closing of the transaction, in accordance with the terms of the draft Approval and Vesting Order sought by the Receiver.

4.0 Leasing of Units

21. As note earlier herein, other than Unit 311, there has been little interest by prospective purchasers in respect to the remaining nineteen (19) dwelling units of the Unsold Units, due to general market conditions. The Receiver is unsure when the condominium property market will rebound, and interest will be renewed. In the meantime, there are significant carrying costs associated with the Unsold Units that are not currently listed for sale. These costs are directly impacting any potential recoveries to the Debtors' estate and stakeholders.
22. In the Receiver's view, the prudent course of action in the circumstances is to lease certain of the vacant Unsold Units to residential tenants on an interim basis. The lease payments received by the Receiver from such tenants would alleviate the carrying costs in respect of the remaining Unsold Units.

23. The Appointment Order empowers and authorizes the Receiver to lease the Unsold Units outside of the ordinary course of business without approval of the Court, provided that the aggregate consideration for all such transactions does not exceed \$500,000.
24. In the event the aggregate consideration for all such leasing transactions does exceed \$500,000, the Receiver seeks an Order confirming that the Receiver may lease certain of the vacant Unsold Units to residential tenants on an interim basis.
25. In consultation with VKP, the Receiver intends to offer approximately ten (10) of the remaining dwelling units for lease. It is the Receiver's intention to list no more than ten (10) of the Unsold Units on MLS at any given time in the aggregate (i.e., both for sale and lease), as the Receiver understands that too much supply in the same building may result in lower demand and transaction prices for certain units. The Receiver does not expect the payments collected pursuant to such lease arrangements to exceed \$500,000 in the aggregate but will report to the Court in future reports and in filing further statements of receipts and disbursements for the benefit of all stakeholders.
26. The Receiver intends to retain Firm Capital Property Management ("**FCPM**"), a professional residential management company, to manage the Unsold Units that are intended to be leased by the Receiver during these proceedings on such terms as the Receiver, in consultation with VKP, deems reasonable in its discretion, having regard to similar arrangements in the marketplace.

27. FCPM is an affiliate of the Applicant, Firm Capital Mortgage Fund Inc. FCPM is already familiar with the Unsold Units due to its relationship with the Applicant, which will be efficient and cost effective for the benefit of all stakeholders.
28. The Receiver is of the view that any income it will receive from leasing certain of the Unsold Units will offset the carrying costs of the remaining Unsold Units, while the Receiver continues its marketing and sale process. The Receiver therefore intends to utilize the authorization granted under the Appointment Order to enter into residential lease agreements for the Unsold Units with lease terms up to and including one year, or on a month-to-month or other short term basis, in each case at market rates, as informed by VKP and FCPM, and on such other terms as the Receiver reasonably determines.

5.0 Inquiries From Stakeholders

29. As noted in the First Report, TA asserted a claim against the appliances located in each of the Unsold Units. The validity of each claim by TA was disputed by the Receiver. Based on PPSA searches conducted by the Receiver's counsel, TA did not have a perfected security interest in the appliances in question.
30. Pursuant to the Endorsement of the Honourable Justice Cavanagh dated March 6, 2024, TA was to file materials with the Court to formally assert its position with respect to its claim. A copy of the Endorsement by Justice Cavanagh dated March 6, 2024, is attached as **Appendix "D"** to this Second Report.

31. On April 9, 2024, counsel to TA wrote to the Receiver and its counsel to advise that TA will no longer be pursuing a claim in respect of the appliances. A copy of TA's email correspondence is attached as **Appendix "E"** to this Second Report.
32. Paragraph 7 of the Ancillary Order granted by this Court on March 6, 2024, attached as **Appendix "F"** to this Second Report, ordered the Receiver to set aside \$4,000 of in respect of the sale of each Unsold Unit:
 7. THIS COURT ORDERS that the Receiver shall set aside \$4,000 of the Net Proceeds of Sale, after adjusting for the Holdback Requirement, pending determination of that certain priority dispute relating to TA Appliances Inc.'s interest in certain appliances.
33. Given that the priority dispute contemplated by the aforementioned paragraph of the Ancillary Order has been resolved or abandoned, there is no longer any need for the Receiver to set aside any funds for the benefit of TA. The Receiver therefore seeks an Order confirming that the Receiver may treat the \$4,000 that had been set aside, in the same manner as all other net proceeds of sale of the Unsold Units.

6.0 Other Matters

6.1 Pre-Delivery Inspections

34. Following its appointment, the Receiver was advised by Tarion's counsel that if the Unsold Units were completed then Tarion warranty coverage was in effect.
35. It was a condition of the agreement of Purchase and Sale with the purchasers of Unit 302 that the Tarion PDI be completed prior to closing. The Receiver retained Duka Consulting Inc. ("**Duka**") to act as its agent for the sole purpose of

completing PDIs and attending to the related reporting requirements under Tarion's warranty requirements, including any Certificates of Completion. The completed PDI must be uploaded to the Tarion website through the Debtor's Tarion Builder's Link.

36. The Receiver was unable to do so prior to closing of the sale of Unit 302 as it did not have access to the Builder's Link. From prior to the closing of Unit 302, the Receiver worked with its real estate legal counsel and Tarion to obtain access to Tarion's Builder Link platform so that the PDIs can be successfully completed and submitted. Inquiries were also made to the Debtors for access to the Builder's link. Despite numerous requests to Tarion for access to the Builder's Link, the same was not obtained until April 10, 2024.
37. Duka completed the PDI process with respect to Unit 302 on April 10, 2024, the sale of which had closed on March 14, 2024.

6.2 Condo Fees and Related Liens

38. The Receiver has become aware of certain liens registered by Toronto Standard Condominium Corporation 2983 (the "**Condo Corp.**") relating to outstanding condominium fees owing in respect of the Unsold Units. The Receiver requested statements from the Condo Corp.'s management company (the "**Manager**"). The Receiver, through its counsel, advised the Manager that as the Condo Corp. had registered liens on each of the Unsold Units, it was entitled to a statement without having to incur significant costs in ordering status certificates. It was not until

March 27, 2024, that the Manager advised whom the Receiver needed to contact in order to obtain payout statements for the Condo Corp. liens on the Unsold Units.

39. The Receiver received the payout statement for Unit 302 on April 2, 2024. It was determined in consultation with the Receiver's legal counsel that the lien amounts were limited to amounts owing in respect of the three months prior to the registration of the liens, and the payout statements included amounts in excess of the amounts secured by the liens. Accordingly, the Receiver requested amended copies of payout statements from ND Energy Inc., which were received and approved by the Receiver on April 15, 2024. The Receiver received payout statements for the remainder of the Unsold Units on April 18, 2024, a copy of which is attached hereto as **Appendix "G"**. In order to avoid interest accruing on such amounts, the Receiver is in the process of reviewing and paying all valid liens in favour of the Condo Corp. that have priority for the applicable period on any of the Unsold Units.

6.3 Property Taxes

40. The Receiver has requested details of all outstanding property taxes for the Unsold Units from the City of Toronto and will provide a further update in its next Report to the Court.

6.4 Lien Claims Process and Distributions

41. The Receiver has started to receive completed proofs of claim pursuant to the Lien Claims Process Order ahead of the May 1, 2024 Claims Bar Date.

42. The Court has set a May 17, 2024, hearing date with respect to the lien claims and the Receiver understands that construction lien defence counsel appointed by Chicago Title Insurance Company on behalf of the First Mortgagees will be serving a motion shortly. The Receiver will report to the Court on the lien claims as part of a further Report to the Court at a future date.

7.0 Receipts and Disbursements

43. Attached as **Appendix “H”** to this report is the Receiver’s interim statement of receipts and disbursements for the period February 6, 2024, to April 15, 2024. During this period, total receipts were \$493,312, and total disbursements were \$527, resulting in an excess of receipts over disbursements of \$492,785.

8.0 Conclusions and Recommendations

44. The Receiver respectfully requests that the Court issue the proposed Orders requested by the Receiver.

All of which is respectfully submitted this 22nd day of April, 2024.

Weak condo market in downtown Toronto leads to dip in rental rates, increased vacancy

SHANE DINGMAN > REAL ESTATE REPORTER

TORONTO

PUBLISHED FEBRUARY 7, 2024

UPDATED FEBRUARY 8, 2024

A condominium project at the corner of Queen St. East and Mutual St. in downtown Toronto, reflected in a large mirror at a nearby development project, is photographed on Aug 29, 2023.

FRED LUM/THE GLOBE AND MAIL

In a country where rental affordability and vacancy rates got worse throughout 2023, how did rents fall and vacancy rates go up in the most expensive parts of downtown Toronto?

“Trust me when I tell you I’ve never experienced vacant units,” said Sundeep Bahl, a Toronto realtor with Re/Max Plus City Team, who specializes in buying and selling investor-owned condominiums and also provides his own property management services.

“We get a 60 days notice [from a tenant vacating] and we’ve expired the 60 days. The unit’s now become vacant and we can’t find a tenant for the landlord.”

According to condo market analysts Urbanation Inc., condo rents fell 5.7 per cent in the fourth quarter of 2023, the fastest drop since it began recording rental data in 2010. It doesn’t take prices back to where they were before a 10-per-cent increase in the earlier part of 2023, but the only recent comparable drop is the short-term exodus Toronto saw in the first year of the COVID-19 pandemic in 2020.

The dip in the downtown rental market has a lot to do with where Canada’s biggest market for condominium apartments finds itself at: Sales of unbuilt condos have reached rarely seen lows, the resale market is facing falling prices, and at the same time there are more newly completed units being added to the market every quarter. Urbanation says the number of new condos delivered in the final quarter of 2023 hit 7,408 units, up 26 per cent from the previous year. And the projection for the first quarter of 2024 looks to be about the same, or larger.

According to Mr. Bahl, that means there are at least 3,600 condo apartments up for rent in the two most dense downtown districts (known as C01 and C08 by local realtors) and close to 60 per cent of them are sitting vacant.

“They’re cannibalizing each other,” said Pauline Lierman, vice-president of market research with Zonda Urban. “It’s not the first time we’ve had cannibalization in certain neighbourhood pockets. But at that scale, it really makes a difference.”

The current market is an adjustment for landlords who bought Toronto condos to rent out as the condo universe became the most expensive rental category, according to data from the Canada Mortgage and Housing Corp. With a sudden glut of condos, plus more than 5,500 recently opened purpose-built rental apartments, there is more competition for the top tenants.

“They are so used to just a single-occupant, triple-A qualified tenants who make \$90,000-\$100,000,” said Mr. Bahl of his investors, who he said are losing patience with his inability to even schedule showings. “It’s really a struggle finding somebody qualified at this point.”

It’s also been a struggle to push landlords to consider dropping below what was the going rate of \$2,200-\$2,400 for a downtown condo. Anecdotally, one of Mr. Bahl’s clients who agreed to list “below market” at \$2,100 had a tenant within two weeks.

The falling rents are just one more sign of a struggling condo market after a year that had some of the lowest sales volumes in modern history.

According to Zonda Urban, there were nearly 15,000 sales of preconstruction condominium apartments in the Greater Toronto Area last year – down 36 per cent from 2022. Urbanation Inc. had slightly lower sales figures for the GTA, putting the figure at around 12,600, but still said last year was only the third time in the past two decades that sales were below 13,000 units. The long-term trend, the firm said, has been close to 25,000 units.

In the city of Toronto, things were even starker: the 6,498 units sold in 2023 is a drop of 48 per cent from 2022 and marked another 20-year low. Worse is the rate at which new units are being “absorbed” by the market. Urbanation records 22,000 unsold preconstruction units at the end of 2023, which is roughly 21 months of inventory (or double the normal market amount). It found 31 per cent of projects sold less than 30 per cent of their units. “Two years earlier in Q4-2021, there were no preconstruction projects that were less than 30 per cent sold.”

According to Zonda, price is the key determining factor for which project is going to sell. “Of the 6,819 apartment units brought to the market in the fourth quarter, 26 per cent sold at an average of \$1,334 [per square foot], or \$816,101.” In 19 new project launches, 45 per cent of sales were for units that came in under \$1,200 per square foot.

“Condo projects are recalibrating, pricing is coming down,” said Ms. Lierman. “I have a [project] where they’re probably coming down \$100 per square foot, just to keep

FLASH SALE | GET 81% OFF

Zonda also recorded 1,400 condo units that either saw efforts to pause sales indefinitely or get cancelled outright in the fourth quarter of 2023, with another 1,100 in receivership and facing cancellation.

Even in the resale market, prices are trending down even as sales tick up.

According to the most recent Toronto Regional Real Estate Board data for Toronto's condo market, unit sales in January, 2024, were up 46 per cent from January, 2023, but the average sale price so far in 2024 (\$709,419) was essentially flat, down 0.24 per cent from last year (\$711,171).

Inventory is another likely cause, as the volume of available listings was up 28 per cent in year over year (from 2,494 to 3,215 active listings). Those listings are also spending more time on the market, up an average eight days longer in 2024 compared with 2023.

The other signal Ms. Lierman is watching closely is preconstruction buyers walking away from deposits. She said Zonda hasn't seen anything statistically significant, but did note that she's been told of an uptick buyers defaulting if they came in late in the sales cycle with a deposit of 5 per cent in 2022 for condos that are now finished. Such buyers were likely hoping to flip units on the assignment market and were unable to find takers for units that cost upwards of \$1,900 a square foot.

"There was a lot of exuberance, in the sense that this – price escalation – would just continue," said Ms. Lierman. "Not now, not now."

The Purchaser acknowledges and agrees that Receiver is entering into this Agreement solely in its capacity as the Receiver and that the Receiver, its agents, officers, partners and employees shall have no personal or corporate liability of any kind whatsoever, in contract, in tort, or at equity as a result of or in any way connected with this Agreement or as a result of the Vendor performing or failing to perform any of its obligations hereunder. The Purchaser agrees that it will fully and irrevocably release the Receiver from any and all Claims that the Purchaser may now have or hereafter acquire against the Receiver for any costs, loss, liability, damage, expense, demand, claims, action or cause of action arising from the Transaction. The Receiver is not liable or bound, in any manner, by any oral or written statements, representations or information pertaining to the Assets, or the operation thereof, furnished by any real estate broker, agent or representative of the Receiver.
19. Intentionally Deleted.
20. Notwithstanding anything contained to the contrary in the OREA printed form of Agreement of Purchase and Sale to which this Schedule is attached, the Buyer acknowledges and agrees that the Seller is making no warranties or representations with respect to any matters relating to the Condominium Corporation including, without limitation, whether or not the Seller owns or has an exclusive use parking space(s) and/or locker(s), the amount of the monthly common expense payments, the amount of any special assessment, any matter set out in the status certificate issued by the condominium corporation and all other matters. The Buyer further agrees that all warranties and representations contained in the OREA form in respect of the Condominium Corporation are hereby deleted. The Buyer acknowledges and agrees that it will satisfy itself, in respect of the Condominium Corporation, including, the amount of the monthly common expenses, the amount of special assessments, if any, and if there is an owned or exclusive use parking space(s) and/or locker(s).

21. It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (hereinafter referred to as the "HST"), and that the Vendor shall remit the HST to Canada Revenue Agency ("CRA") on behalf of the Purchaser forthwith following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the *Excise Tax Act* (Canada), as may be amended, (collectively, the "**Rebate**") and **further warrants and represents that the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the Excise Tax Act) shall personally occupy the Property as his/her/their primary place of residence**, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Property. The Purchaser further warrants and represents that s/he/they has/have not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Property, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors request for same (and in any event on or before the Closing Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the "**Rebate Form**"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Property with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:

- (a) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Closing Date) the Rebate Form duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may, reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or

- (b) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling before or after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- b. Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, any credits granted by the Vendor or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement or any amendment or addenda thereto, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the *Excise Tax Act*. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades, credits or adjustments (including any increase in the rate of HST) and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "**Reduction**"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.
22. The Purchaser acknowledges that prior to entering into the agreement it had access to the data room established by the Vendor's in respect of the Property.
23. This Agreement shall be conditional until February 26, 2024, at 5:00 p.m. upon confirmation that Tarion warranty coverage is available for the Property (the "**Coverage**"). In the event that Coverage is not available, this Agreement shall be null and void of no further force or effect whatsoever, each party shall be released from all of its liabilities and obligations under this Agreement and the Deposit shall be returned to the Purchaser forthwith.
24. There shall be no adjustments for development levies.

TDB Restructuring Limited in its capacity as Court-appointed receiver and manager (in such capacity, the Receiver) without security of the unsold condominium units, parking units and storage lockers constituting property of the Debtors (as defined in the motion materials) seeks the following relief:
 - a. an Approval and Vesting Order in respect of Unit 302 authorizing and directing the Receiver to enter into and carry out the terms of the agreement of purchase and sale for this unit and vesting title to the Purchased Assets (as defined in the agreement of purchase and sale) in the purchasers upon the closing of the purchase and sale transaction contemplated thereby;
 - b. an order for ancillary relief, among other things, (i) approving the First Report of the Receiver dated February 27, 2024 and the Supplementary Report of the Receiver dated March 4, 2024 and the Receiver's activities set out therein; (ii) ratifying the Receiver's termination of the agreement of purchase and sale in respect of Unit 211; (iii) establishing the maximum holdback amount that may be applicable in respect of any lien claims against the unsold units that may subsequently be determined to be valid and in priority to the first mortgage registered in favour of the Applicants; (iv) approving the distribution of net proceeds of sale of the unsold units to the first mortgagee, subject to the Receiver first retaining and holding 15% of the net proceeds received by the Receiver in trust for any lien claimants that may subsequently be determined to be valid and in priority to the first mortgage;
 - c. an Order requiring the delivery of information from lien claimants to allow an assessment to be made as to the validity and priority of any construction lien claims that may be in priority to the first mortgage.
2. I have reviewed the motion materials and heard submissions from counsel for the Receiver. No one opposes the requested Orders. I am satisfied that the requested Order should be made.
3. Orders to issue in forms of Orders signed by me today.
4. A hearing is scheduled for April 30, 2024 at 10:00 AM for one hour for a motion to be brought by the Receiver for an order in respect of the sale of one or more other units and to address issues relating to the claim of TA Appliances Inc., a judgment creditor.
5. A hearing is scheduled for May 17, 2024 at 10:00 AM for one-half day for a motion to be brought by the Receiver with respect to the lien claims. Counsel for the Receiver advises that she intends to circulate the notice of motion for this motion and confer with counsel about a timetable for this motion. If there is difficulty reaching an agreed timetable, a scheduling appointment should be obtained from the Commercial List Office.

Counsel,

While TA Appliances continues to dispute the contents of your letter, it has assessed the re-sale value of the appliances that are contained within the unsold units and have concluded that the legal fees to continue to participate in these proceedings will far out pace any recovery TA Appliances could generate and I have been instructed not to pursue a motion.

Sincerely,

Cynthia Davis*
