ENDORSEMENT OF JUSTICE STEELE:

- [1] The Receiver's motion was scheduled to be heard today (December 12, 2023). The Receiver came prepared to proceed. The respondents were going to seek an adjournment, which the Receiver intended to contest.
- [2] However, the matter was adjourned by the Court because, due to the presence of one of the parties, I determined that I have a conflict on this matter. Because I adjourned the matter due to the conflict, I did not hear the contested adjournment on its merits.
- [3] The matter is adjourned to January 5, 2024 at 10 am (half day) before a different judge. The following schedule applies:
- a. Responding affidavit materials – delivered by December 22, 2023;
 - b. Responding factum – delivered by December 22, 2023;
 - c. Reply factum (if any) – delivered by December 29, 2023.
- [4] To the extent that a party has reasonable questions for the Receiver, these questions may be made in writing through counsel by December 22, 2023. The Receiver shall reply by December 29, 2023.
