A motion was heard in the above-noted matter via Zoom videoconference this morning.

The counsel whose names appear on the attached counsel slip were in attendance.

Endorsement

The receiver brings this motion for a discharge order, among other relief. The motion is unopposed.

The subject property has been sold pursuant to an order of this court. The mortgagees have come to an agreement on the appropriate distribution of the remaining proceeds. Alai Developments Inc. has agreed to the dismissal of its claim and has signed a release. The Receiver is authorized to make the final distribution as set out in its Fifth Report.

I have reviewed the Fifth Report of the Receiver and approve the Receiver's conduct and activities therein. The fees and disbursements of the Receiver and its counsel appear to be in order.

Discharge Order to go in the form of the draft attached hereto and signed by me. The Order is effective as of today's date and does not need to be entered.
