

January 28, 2016

Update on your VON Canada Pension Plan options statement

You are receiving this update because you are a member of the VON Canada Pension Plan and you are a former VON employee affected by the November 25, 2015 reorganization.

We are writing to advise you that we have not been able to provide your pension options statement in January as initially expected.

The delay is due to the current legal status of VON Canada, VON Canada East and VON Canada West which have filed for protection under CCAA and certain steps in the process that must be completed before the statements can be issued. (For additional information on the CCAA filing, please go to the website for the appointed monitor/receiver – Collins Barrow, at www.collinsbarrow.com/en/cbn/restructuring-and-recovery-engagements/v-o-n .)

We will provide you with an update on when you can expect to receive your pension options statement as soon as the information is available.

If you require any information regarding the VON Canada Pension Plan, please contact the VON Pension Administration Services (at Morneau Shepell).
