SECOND REPORT OF THE RECEIVER
September 8, 2022

INTRODUCTION

1. Pursuant to an order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) made on January 13, 2022 (the “**Appointment Order**”), RSM Canada Limited (“**RSM**”) was appointed receiver (the “**Receiver**”) of all of the assets, undertakings and properties (collectively, the “**Property**”) of Areacor Inc. (“**Areacor**” or the “**Debtor**”). A copy of the Appointment Order is attached hereto as **Appendix “A”**.
2. The Appointment Order authorizes the Receiver to, *inter alia*:
 - (a) take possession of and exercise control over the Property and any and all proceeds, receipts and disbursements arising out of or from the Property;
 - (b) receive, preserve, and protect the Property, or any part or parts thereof, including, but not limited to, the changing of locks and security codes and the placement of such insurance coverage as may be necessary or desirable;
 - (c) market the Property, including advertising and soliciting offers in respect of the Property and negotiating such terms and conditions of sale as the Receiver in its discretion may deem appropriate; and
 - (d) sell, convey, transfer, lease or assign the Property with the approval of this Court.
3. On September 2, 2022, the Receiver issued its first report to the Court (the “**First Report**”) for the purpose of, among other things, seeking an Order, *nunc pro tunc*, amending Paragraph 21 of the Appointment Order to increase the maximum borrowings set out in that paragraph from \$250,000 to \$500,000. The Court is set to hear the Receiver’s motion, which is unopposed, on September 13, 2022. A copy of the First Report, without appendices, is attached hereto as **Appendix “B”**
4. The Appointment Order and other pertinent documents have been posted on the Receiver’s website, which can be found at: <http://www.rsmcanada.com/areacor-inc>.

PURPOSE OF REPORT

5. The purpose of this report (the “**Second Report**”) is to:

 - (i) approving the First Report, the Second Report and the activities of the Receiver set out therein and herein;
 - (ii) authorizing and directing the Receiver to enter into and carry out the terms of the APS, together with any further amendments thereto deemed necessary by the Receiver in its sole opinion, and vesting title to the Purchased Assets (as defined in the APS) in the Purchaser (as defined below) upon the closing of the purchase and sale transaction contemplated in the APS;

TERMS OF REFERENCE

6. In preparing this Second Report and making the comments herein, the Receiver has relied upon information from third-party sources (collectively, the "**Information**"). Certain of the information contained in this Second Report may refer to, or is based on, the Information. As the Information has been provided by other parties, or obtained from documents filed with the Court in this matter, the Receiver has relied on the Information and, to the extent possible, reviewed the Information for reasonableness. However, the Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance in respect of the Information.
7. Unless otherwise stated, all monetary amounts contained in the Second Report are expressed in Canadian Dollars.

BACKGROUND

8. The Debtor was incorporated on August 15, 2013 and appears to be a single purpose corporation holding title to real property municipally known as 11-15 Cannon Street West, Hamilton, Ontario (the "**Real Property**").
9. According to a corporate profile report dated December 7, 2021, Mr. Roni Gilyana is the sole director of Areacor. The registered office and mailing address for Areacor is Suite

270 – 2869 Bloor Street West, Etobicoke, Ontario. A copy of the corporate profile report is attached hereto as **Appendix “C”**.

10. The Debtor acquired the Real Property to develop a six-storey condominium project consisting of 40 residential units and commercial space on the ground floor, marketed as ‘Jamesville Lofts’ (the “**Project**”).
11. As of January 13, 2022, the Debtor was party to 29 agreements of purchase and sale of residential condominium units at the Project (the “**Existing Purchase Agreements**”). The Receiver has been informed by Harris Sheaffer LLP (“**Harris Sheaffer**”), the Debtor’s condominium lawyers, that \$2,612,468.16 of deposits were collected in connection with the Existing Purchase Agreements. Harris Sheaffer has confirmed that \$2,235,921.00 of the deposits was released to Areacor for use on the Project as permitted, and \$376,547.16 remains held in trust by Harris Sheaffer.
12. As of the date of the Receiver’s appointment, a five-storey skeleton structure, consisting of steel framing and pre-cast concrete slabs, had been erected at the Real Property (the “**Structure**”).
13. The Receiver understands that construction activity on site at the Project had ceased in or around June 2021.
14. The applicant, MarshallZehr Group Inc. (“**MarshallZehr**”), provided construction financing to Areacor, which was secured by, among other things, a mortgage on the Real Property in the principal amount of \$13.5 million (the “**MarshallZehr Mortgage**”).
15. Due to the Debtor being in default of its payment obligations to MarshallZehr, MarshallZehr commenced this proceeding for the appointment of RSM as receiver.
16. The Debtor did not oppose the application to appoint the Receiver.
17. On January 13, 2022, the Court issued the Appointment Order, and RSM was thereby appointed as Receiver of Areacor.

18. Pursuant to paragraph 25 of the Appointment Order, Chaitons LLP (“**Chaitons**”) is counsel to the Receiver in respect of any matter where there is no conflict of interest. Loopstra Nixon LLP (“**Loopstra Nixon**”) is independent counsel to the Receiver.

THE RECEIVER’S ACTIVITIES

Possession and Security

19. On January 14, 2022, following the issuance of the Appointment Order, the Receiver attended at the Real Property to secure the premises and take possession.
20. The Debtor provided the Receiver with keys to access the site, as well as the site trailer and storage bins located at the Real Property.
21. The Receiver identified several security surveillance cameras throughout the Real Property, which appeared to be centrally monitored by Live Patrol Remote Live Video Monitoring (“**Live Patrol**”). The Receiver made arrangements with Live Patrol to continue the monitoring services for the Real Property.

Banking

22. The Receiver contacted Areacor’s banks, TD Canada Trust (“**TD**”) and First Ontario Credit Union (“**First Ontario**”) on February 15, 2022, to advise of the receivership and to request that the Debtor’s bank accounts be frozen, and all funds, if any, be transferred to the Receiver. TD confirmed to the Receiver that Areacor’s bank account was frozen, and \$1,789.05 was subsequently transferred to the Receiver. First Ontario confirmed to the Receiver that Areacor’s bank account was frozen, and \$340.69 was subsequently transferred to the Receiver.

Insurance

23. Upon its appointment, the Receiver contacted the Debtor’s insurance broker to (i) notify it of the receivership, (ii) enquire if the Debtor’s insurance was in effect, and (iii) confirm that the insurer would continue the existing coverage and add the Receiver as a named insured to the policy.

24. The broker informed the Receiver that due to the cessation of construction activity on site, the Debtor's existing property coverage was void, and could not be reinstated for the Receiver. However, the liability coverage secured by the Debtor remained in force. The Receiver arranged to continue the Debtor's existing liability insurance coverage with the broker.
25. In view of the foregoing, the Receiver obtained its own property insurance with coverage for the Real Property, effective January 13, 2022. The Receiver has extended its coverage for the Real Property to October 21, 2022.

Books and Records

26. Upon its appointment, the Receiver contacted the Debtor to request information and documentation regarding the Property and the Debtor. Mr. Gilyana, the principal of the Debtor, subsequently provided the Receiver with access to an online cloud storage folder containing information and documentation relating to the Real Property and the Project.

Electrical Safety

27. On April 20, 2022, the Electrical Safety Authority ("ESA") issued a Hazardous Investigation Defect Notice for the Real Property, noting that the temporary electrical service appeared to be in poor condition, and remedial work would need to be completed by May 4, 2022.
28. Notwithstanding that the ESA had provided the Receiver until May 4, 2022 to address the issues, Alectra Utilities Corporation ("**Alectra**") disconnected all power to the Real Property on April 22, 2022, at the request of ESA. The Receiver arranged for an ESA manager to attend on site at the Real Property on April 22, 2022, to meet with the Receiver's representative and a qualified electrical contractor, at which time the issues were addressed to the ESA's satisfaction. Power was restored to the Real Property by Alectra shortly before 5:00 p.m. on the same day.

Statutory Notices

29. On January 21, 2022, the Receiver prepared the Notice and Statement of Receiver pursuant to Section 245(1) of the *Bankruptcy and Insolvency Act* (the “**245 Notice**”) to the known creditors of Areacor provided by the Debtor and identified through a title search of the Property and a Personal Property Security Registration System search. A copy of the 245 Notice is attached hereto as **Appendix “D”**.

Structural Deficiencies

30. On November 17, 2021, Centric Engineering Corporation (“**CEC**”) issued a letter to the Debtor and the Project’s architect with respect to the Project (the “**CEC Letter**”). A copy of the CEC letter is attached hereto as **Appendix “E”**.
31. The CEC Letter noted several issues relating to the structural integrity of the Structure. Specifically, the CEC Letter concluded that the existing structural steel framing is adequate to support the dead load and construction live load in its current state. However, the Structure is inadequate to support the factored design load in its present state. The CEC Letter concluded that “No work is to be completed on-site beyond the temporary shoring, investigation, and protection work outlined above (i.e. new construction or the remediation of deficiencies are not to be carried out at this time)”.
32. As set out in the appendix to the CEC Letter, additional investigations would need to be undertaken in order for CEC to complete its assessment of the deficiencies and the scope of work required to remedy these deficiencies. These investigations include, among other things, a full steel inspection of the as-built structure, an up-to-date inspection report for the hollowcore installation, and a concrete reinforcement inspection. The Receiver was subsequently informed that these inspections were never requested by the architect, Lintack Architects Incorporated (“**Lintack**”), CEC, or the Debtor.
33. As a result of CEC’s findings and conclusions in the CEC Letter, the City of Hamilton (the “**City**”) issued an order to comply (the “**Order to Comply**”) dated December 9, 2021. The Order to Comply required that all access to the site be suspended immediately, pending

satisfaction of CEC's concerns as set out in the CEC Letter. A copy of the Order to Comply is attached hereto as **Appendix "F"**.

34. On January 26, 2022, the Receiver contacted the City to (i) advise the City of the Receiver's appointment, and (ii) enquire about the status of the Debtor's response, if any, to the Order to Comply. The City advised the Receiver that no response had been received from the Debtor.
35. On January 27, 2022, the Receiver contacted Lintack and CEC to discuss (i) the findings and conclusions in the CEC Letter, and (ii) the process that would be required in order to address the structural deficiencies. Based on this discussion, the Receiver engaged various third-party consultants to investigate and analyze the deficiencies to facilitate CEC's further review of the structural deficiencies.
36. The consultants retained by the Receiver noted various safety concerns at the Property and advised the Receiver that these concerns would need to be addressed prior to the commencement of any on-site investigative work. These safety concerns included, among other things, missing/incomplete safety railings on the perimeter of the structure, scrap metal and other obstacles strewn about the structure, and exposed staircase and elevator openings. The Receiver arranged for Pronto General Contractors to attend at the Property and clean up the site in accordance with instructions from the consultants.
37. On June 6, 2022, CEC provided a report to the Receiver (the "**CEC Report**"), which included CEC's review and analysis of the additional investigative work completed by the consultants engaged by the Receiver. A copy of the CEC Report, including copies of the consultants' reports that were analyzed by CEC, is attached hereto as **Appendix "G"**.

Parking Lot Lease

38. In 2019, the Debtor entered into an agreement with the City to lease a portion of the municipal parking lot that is directly adjacent to the Real Property. This area was used by the Debtor as a 'staging area' for materials and equipment during construction (the "**Staging Area**").

39. On or about March 18, 2022, representatives of the City advised the Receiver that the City would like the Staging Area to be vacated and turned over to the City.
40. The Receiver understands that the ongoing use of the Staging Area is critical to the development of the Real Property. As such, the Receiver and its counsel are in the process of negotiating an agreement with the City to continue leasing the Staging Area. It is anticipated that once completed, this agreement would be assigned to the Purchaser on closing of the sale transaction, if it is approved by the Court.

Equipment Deposits

41. On February 14, 2022, counsel to the Debtor wrote to the Receiver's counsel to, among other things, advise the Receiver of deposits that had been paid to two vendors: Schindler Elevator Corporation ("**Schindler**") and Medcon Mechanical ("**Medcon**").
42. The Receiver contacted Schindler to inquire about the deposit paid by Areacor in the amount of \$78,591.50 (the "**Schindler Deposit**"). Schindler advised the Receiver that the Schindler Deposit had been applied to work-in-process relating to the passenger elevators and the vehicle elevator for the Project. Schindler has agreed, subject to a revision of the contract pricing and the timeline, to allow the Purchaser to apply the Schindler Deposit to a new contract to be entered into between Schindler and the Purchaser with respect to the Property.
43. The Receiver confirmed with Medcon that all amounts paid by Areacor, specifically the \$90,550 noted by the Debtor, related to services performed, and products installed underground. Therefore, no funds remain owing on account to the Debtor.

Correspondence with Unit Purchasers

44. On March 31, 2022, the Receiver wrote to the twenty-nine (29) purchasers of condominium units at the Property (the "**Unit Purchasers**") to (i) advise the Unit Purchasers of the Receiver's appointment, (ii) notify the Unit Purchasers of the Receiver's intention to list the Property for sale, and (iii) provide an update with respect to the deposits paid by the

Unit Purchasers (the “**March 31 Letter**”). A partially redacted copy of the March 31 Letter is attached hereto as **Appendix “H”**.

45. On July 11, 2022, the Receiver again wrote to the Unit Purchasers to provide an update regarding the status of the Sale Process (the “**July 11 Letter**”). A partially redacted copy of the July 11 Letter is attached hereto as **Appendix “I”**.

MORTGAGES AND CONSTRUCTION LIENS

46. Attached hereto as **Appendix “J”** is a copy of the parcel register for the Real Property as of September 7, 2022, which shows three (3) mortgages and four (4) construction liens registered against title. These mortgages and construction liens are discussed below.

Aviva Mortgage

47. On November 23, 2017, Aviva Insurance Company of Canada (“**Aviva**”) registered a mortgage against the Real Property in the principal amount of \$3.5 million.
48. The Receiver understands that the Aviva mortgage was granted in connection with a \$800,000 bond issued by Aviva in favour of Tarion and a \$2.0 million deposit insurance facility with respect to the Project.

MarshallZehr Mortgage

49. As noted above, MarshallZehr provided construction financing to the Debtor with respect to the Project. On June 29, 2018, MarshallZehr registered a mortgage against the Real Property in the principal amount of \$12.0 million. The principal amount of the mortgage was increased to \$13.5 million on March 22, 2019.
50. Pursuant to a postponement of interest from Aviva to MarshallZehr registered against the Real Property on July 5, 2018, Aviva agreed to subordinate its mortgage in favour of the MarshallZehr Mortgage.
51. As a result, MarshallZehr holds the first registered mortgage against the Real Property.

52. The Receiver has received from MarshallZehr a mortgage payout statement current to May 31, 2022 (the “**MZ Statement**”). According to the MZ Statement, the amount owing to MarshallZehr and required to discharge the MarshallZehr Mortgage was \$7,485,590.37 as of May 31, 2022, inclusive of principal, interest and fees, and the \$250,000 advance, plus interest, for which Receiver Certificate No. 1 that was issued pursuant to the Appointment Order. A copy of the MZ Statement is attached hereto as **Appendix “K”**.
53. The Receiver has received an opinion from Loopstra Nixon (the “**Security Opinion**”) that, subject to the qualifications and assumptions contained therein that are typical for opinions issued to Court-appointed receivers, the MarshallZehr Mortgage is a valid and enforceable first registered mortgage against the Real Property. A copy of the Security Opinion is attached hereto as **Appendix “L”**.

City Mortgage

54. On April 30, 2019, the City registered a mortgage against the Real Property in the principal amount of \$208,756. A copy of the City’s mortgage is attached hereto as **Appendix “M”**.
55. The Receiver understands that the Debtor is required to pay certain development charges to the City in connection with the Project. The City agreed to defer payment of \$208,755.90 in development charges for five years from the issuance of the building permit for the Project pursuant to a deferral agreement entered into by the City and Areacor (the “**Deferral Agreement**”). The mortgage granted to the City secures payment of the deferred development charges.

Construction Liens

56. The following parties (collectively, the “**Lien Claimants**”) have registered construction liens (collectively, the “**Construction Liens**”) against the Real Property with respect to goods and/or services supplied in connection with the Project:
- (a) Fusioncorp Developments Inc. (“**Fusioncorp**”) registered a construction lien in the amount of \$2,436,674.66 against the Property on December 10, 2021;

- (b) Demand Electric Inc. (“**Demand Electric**”) registered a construction lien in the amount of \$176,618.64 against the Property on January 11, 2022;
- (c) Earl O’Neil Electric Supply Limited (“**Earl O’Neil**”) registered a construction lien in the amount of \$88,692.15 against the Property on January 28, 2022; and
- (d) Northstar Scaffold (Ontario) Inc. (“**Northstar**”) registered a construction lien in the amount of \$52,545.54 against the Property on March 14, 2022.

Copies of the Construction Liens are collectively attached hereto as **Appendix “N”**.

- 57. Based on a review of the Construction Liens, the Receiver understands that Fusioncorp was the construction manager for the Project and the only party to have contracted directly with Areacor. Demand Electric and Northstar were subcontractors of Fusioncorp, and Earl O’Neil was a subcontractor of Demand Electric.
- 58. The Receiver notes that the Lien Claimants take the position that the Construction Liens have priority over the MarshallZehr Mortgage. The Receiver also confirms that the MarshallZehr Mortgage was registered on title to the Real Property prior to the time the Lien Claimants started working on the Project.
- 59. The Receiver has been advised by Loopstra Nixon that, based on the information and documentation available to it, the MarshallZehr Mortgage is a “building mortgage” for the purposes of the *Construction Act*, as the financing provided by MarshallZehr to Areacor was for the purpose of financing the construction of the Project.
- 60. Under section 78(2) of the *Construction Act*, construction lien claimants have priority over mortgages that secured the financing of an improvement to the extent, among other things, of any deficiency in the holdbacks that an owner was required to retain.
- 61. The *Construction Act* required Areacor to maintain a basic holdback equal to ten (10) per cent of the price of the services or materials supplied under each contract entered into by Areacor. As of the date of the Receiver’s appointment, Areacor was not retaining any holdback funds.

62. The Receiver has not yet determined the validity, enforceability, quantum or priority of any of the Construction liens.
63. Rather, the Receiver has only attempted to determine the maximum amount of the Construction Liens, to the extent they are properly perfected, that may have priority over the MarshallZehr Mortgage.
64. As noted above, Fusioncorp is the only Lien Claimant that contracted directly with Areacor. Fusioncorp provided an application for payment dated October 31, 2022, which sets out a holdback amount of \$347,404.36. Fusioncorp's lawyers have confirmed in writing that Fusioncorp's position is that the deficiency in the holdback that Areacor was required to maintain in connection with Fusioncorp and its subcontractors is \$347,404.36 (the "**Maximum Holdback Amount**"). A copy of the above-noted application to pay, together with the letter from counsel to Fusioncorp to Chaitons confirming the Maximum Holdback Amount, is collectively attached hereto as **Appendix "O"**.
65. The Receiver understands that MarshallZehr may dispute the quantum of the Maximum Holdback Amount. MarshallZehr has a pending motion to determine the validity of Fusioncorp's lien and has advised that it shall be making a motion or motions to Court to address the balance of the lienholders' claims. The Receiver believes it appropriate to allow the direct stakeholders in such dispute to address the matter directly but proposes a holdback, as outlined below, to protect the parties' rights.
66. On September 7, 2022, Loopstra Nixon sent a letter to counsel to the Lien Claimants setting out the Receiver's view that (a) the Maximum Holdback Amount represents the maximum amount of the Construction Liens that could have priority over the MarshallZehr Mortgage, in the event that the Construction Liens were properly perfected; and, (b) that, as to facilitate the transaction under the APS, Receiver shall obtain an order requiring the Purchaser to pay, and the Receiver to hold, an amount equal to the Maximum Holdback Amount, pending resolution of any priority claim to such amount by all lien claimants and/or an order of the Court to distribute the same, with any amount not properly payable to the lien claimants reimbursed to the Purchaser. A copy of that letter is attached hereto as **Appendix "P"**.

PROPERTY TAXES

67. The Receiver obtained statements of account for the property taxes relating to the Property (the “**Property Tax Statements**”). There are two property tax roll numbers associated with the Property:

Roll No.	Municipal Address
020.123.56520.0000	11 Cannon St West, Hamilton
020.123.56490.0000	15 Cannon St West, Hamilton

Copies of the Property Tax Statements dated September 6, 2022 are collectively attached hereto as **Appendix “Q”**.

68. As set out on the Property Tax Statements, a total of \$286,152.47 was owing to the City as at September 6, 2022. The total is comprised of \$10,979.48 in property tax arrears, \$22,502.92 of interest and penalties, and \$252,670.07 relating to deferred development charges discussed above.
69. The Receiver understands that the City added the deferred development charges to the tax roll on January 14, 2022 in accordance with the terms of the Deferral Agreement. The Receiver has been advised by Loopstra Nixon that once added to the tax roll, the amount has priority over the MarshallZehr Mortgage pursuant to the provisions of the *Municipal Act, 2001* (Ontario).

SALE PROCESS

Marketing Process

70. The Appointment Order, among other things, authorized the Receiver to market and sell the Property.

71. On April 4, 2022, the Receiver commenced a marketing and sale process (the “**Sale Process**”), which included the following activities:
- (a) arranged for signage at the Property indicating that the Property was being sold by the Receiver;
 - (b) compiled a list of prospective purchasers, which included approximately 1,000 industry contacts and influencers (the “**Mailing List**”);
 - (c) prepared (i) a teaser letter (the “**Teaser Letter**”), a form of confidentiality agreement (“**CA**”), a confidential information memorandum (“**CIM**”), and a template agreement of purchase and sale;
 - (d) contacted the Mailing List, enclosing a copy of the Teaser Letter;
 - (e) launched an online data room, which provided prospective purchasers with access to information relating to the Property and the Sale Process (the “**Data Room**”);
 - (f) organized for advertisements to be published in: (i) the *Globe and Mail* (National Edition) on April 7 and April 21, 2022, (ii) *Novae Res Urbis* (GTHA Edition) on April 6 and April 20, 2022, (iii) *Novae Res Urbis* (Toronto Edition) on April 8 and April 22, 2022, and (iv) *The Hamilton Spectator* on April 7 and April 21, 2022.
72. The bid submission deadline was May 27, 2022 at 12:00 noon (the “**Bid Deadline**”).
73. In response to the Receiver’s marketing efforts, the Receiver received thirty-five (35) executed CAs. All of the prospective purchasers who executed a CA received access to the Data Room.

Offers Received

74. As of the Bid Deadline, three (3) offers were submitted to the Receiver. Attached hereto and marked as **Confidential Appendix 1** is a summary of the offers prepared by the Receiver, in respect of which the Receiver shall request a sealing order and is filing with the Court on a confidential basis.

75. The Receiver reviewed the offers received and noted that each of the offers was for significantly less than the amount that Areacor is indebted to MarshallZehr and each of the offers was also subject to financing and further due diligence conditions.
76. As part of its review process, the Receiver sought the input of MarshallZehr in respect of the results of the Sales Process and the offers received. Due to the amount of the offers relative to the amount owing under its mortgage, MarshallZehr advised the Receiver that it would not support the acceptance by the Receiver of any of the offers. MarshallZehr further advised the Receiver that it intended to work with a builder and submit a bid for the Real Property that approximated the debt owing to MarshallZehr.
77. In view of MarshallZehr's position but, more importantly, the disparity between the value of the offers received and the amount owing under the MarshallZehr Mortgage, the Receiver decided to reject the three offers received in the Sale Process. Moreover, based on the feedback received from prospective purchasers – most importantly the significant concerns relating to the deficiencies with the existing structure that had been documented by the engineers and consultants, the Receiver believes that there is no reasonable prospect of selling the Real Property for an amount that could approach the amount owing under the MarshallZehr Mortgage.
78. MarshallZehr later advised that it has was in discussions with a party interested in acquiring the Real Property by way of an assumption or refinancing of all or part of the MarshallZehr Mortgage. The terms of such transaction were negotiated by Chaitons as counsel to MarshallZehr and the Receiver, with the input of the Receiver, and the prospective purchaser.
79. On August 26, 2022, Marbelle Estates Inc. (the "**Purchaser**") submitted an agreement to purchase the Property (the "**APS**"). The Receiver understands that the Purchaser is a company affiliated with the Marbelle Group, which is a privately owned construction and environmental services provider located in Stoney Creek, Ontario and is unrelated to MarshallZehr. A redacted copy of the APS, redacting the financial terms, is attached hereto as **Appendix "R"**. An unredacted copy of the APS, in respect of which the Receiver shall

request a sealing order and shall be filed confidentially with the Court, is marked as **Confidential Appendix 2.**

APS

80. The Receiver has not yet signed the APS, pending Court authorization for the Receiver to enter into the APS. Salient terms of the APS are as follows:
- (a) **Purchase Price**: is comprised of (i) assumption of a portion of the secured debt owed to MarshallZehr, (ii) an amount necessary to satisfy all “Priority Payables” (as defined in the APS), (iii) all amounts secured by the Receiver’s Charge under the Appointment Order and (iv) a further \$50,000 as an estimate of the fees and expenses to be incurred by the Receiver up to the Receiver’s discharge, and (v) assumption of certain liabilities, including the amount secured by the Receiver’s Borrowings Charge under the Appointment Order;
 - (b) **Purchased Assets**: substantially all of Areacor’s property, assets and undertakings;
 - (c) **Closing**: eleven (11) days following the issuance of the approval and vesting order;
 - (d) **Representations and Warranties**: “as is, where is” transaction with limited representations and warranties; and
 - (e) **Material Conditions**: (i) issuance of an approval and vesting order, and (ii) termination of the Existing Purchase Agreements for the condominium units.
81. The Receiver understands that MarshallZehr will be providing financing to the Purchaser with respect to the cash portion of the purchase price, including without limitation the Priority Payables amount.
82. The APS contemplates that the Court grant an order terminating the Existing Purchase Agreements. All four of the offers that the Receiver received for the Real Property stipulated that the Existing Purchase Agreements would not be assumed by the offerors upon the closing of a sale transaction.

83. With respect to the Construction Liens, in the event that the Court approves the sale transaction contemplated by the APS, the Receiver will request the Court grant an order directing the Purchaser to pay the Maximum Holdback Amount to the Receiver on closing to the Receiver, to be held in trust pending further order of the Court or agreement amongst the Lien Claimants and MarshallZehr.

Approval of the Sale Transaction

84. The marketing process that the Receiver undertook was extensive and appropriate for the type of property in question, and provided sufficient market exposure for the Real Property. In particular:
- (a) the Real Property was exposed to the market since April 4, 2022;
 - (b) in addition to general advertising, direct notice of the sale of the Real Property was sent to more than 1,000 industry contacts (i.e. developers, financiers, etc.); and
 - (c) as a result of the marketing efforts undertaken, 35 parties executed a CA. These 35 parties received a copy of the CIM, and had access to the Data Room.
85. The Receiver is of the view that (i) sufficient efforts were made to maximize recoveries, (ii) the length of the marketing process was appropriate, (iii) the marketing process was conducted fairly, and (iv) the best outcome was achieved under the circumstances.
86. The Receiver regards the APS as the most advantageous offer to the creditors and other stakeholders of the Debtor, taking into account the many significant issues and deficiencies in the Structure, and ongoing costs being incurred.
87. The Receiver understands from its discussions with CEC and the Purchaser that time is of the essence, as the existing structure on the Property cannot be exposed to the elements for another winter season without completing various ‘winterization’ tasks; prolonged exposure would cause further harm to the already deficient structure, thereby further degrading and devaluing the Property to the detriment of the stakeholders.

88. The Receiver therefore recommends that this Court approve the APS, and authorize the Receiver to carry out the terms of the APS and grant an Order vesting title in the Property in the Purchaser upon the closing of the transaction.

TERMINATION OF EXISTING PURCHASE AGREEMENTS.

89. As set out above, it is a condition of the APS that an Order be issued terminating the Existing Purchase Agreements.
90. Additionally, the Project is not near completion, has significant structural issues and no offeror in the Sale Process was prepared to assume the Existing Purchase Agreements.
91. Based on the terms of the offers, as well as feedback from prospective purchasers during the Sale Process, it appears that there is no prospect of finding a purchaser for the Real Property that would be willing to assume the Existing Purchase Agreements.
92. The Receiver understands that, under the Existing Purchase Agreements, the Unit Purchasers agreed that they had not acquired any equitable or legal interest in the Real Property, and that the agreements were subordinate and postponed to any mortgages arranged by the Debtor and any advances thereunder.
93. In view of the foregoing, the Receiver respectfully requests that the Court issue an Order terminating the Existing Purchase Agreements.
94. Should the Court make an Order terminating the Existing Purchase Agreements, the Receiver will work with Harris Shaeffer, Tarion, Aviva and its agent to establish a deposit return protocol in order to facilitate the deposit return process for the Unit Purchasers.
95. Accordingly, the Receiver is of the view that termination of the Existing Purchase Agreements is necessary to facilitate the sale of the Project.

RECEIVER'S INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

96. Attached hereto as **Appendix "S"** is the R&D for the period January 13, 2022 to August 31, 2022. During this period, total receipts were \$255,630 including advances totaling

\$250,000 under Receiver Certificate No. 1, and disbursements were \$246,428, resulting in an excess of receipts over disbursements of \$9,202.

97. As set out in the First Report, the Receiver has requested that the Court increase the total borrowing charge by \$250,000 in order to provide the Receiver with the funding necessary to meet its ongoing obligations in its administration.

PROFESSIONAL FEES

98. The Receiver's accounts total (i) \$157,742.44 in fees and disbursements, plus HST of \$20,506.52 for a total amount of \$178,248.96 for the period January 13, 2022 to July 31, 2022 (the "**Receiver's Accounts**"). Copies of the Receiver's Accounts, together with a summary of the accounts, the total billable hours charged per the accounts, and the average hourly rate charged per the accounts, supported by the Affidavit of Bryan A. Tannenbaum sworn September 8, 2022, are attached hereto as **Appendix "T"**.
99. The accounts of the Receiver's counsel, Chaitons, total \$32,922.50 in fees, \$844.22 in disbursements and \$4,303.58 in HST for a total of \$38,070.30 for the period January 13, 2022 to August 31, 2022 (the "**Chaitons Accounts**"). Copies of the Chaitons Accounts, together with a summary of the personnel, hours and hourly rates described in the Chaitons Accounts, supported by the Affidavit of Sam Rappos sworn September 8, 2022, are attached hereto as **Appendix "U"**.
100. The accounts of the Receiver's counsel, Loopstra Nixon, total \$13,097.00 in fees, \$135.83 in disbursements and \$1,720.27 in HST for a total of \$14,953.10 for the period January 13, 2022 to June August 31, 2022 (the "**Loopstra Nixon Accounts**"). Copies of the Loopstra Nixon Accounts, together with a summary of the personnel, hours and hourly rates described in the Loopstra Nixon Accounts, supported by the Affidavit of Sarah White sworn September 7, 2022, are attached hereto as **Appendix "V"**.

SEALING

101. The Receiver respectfully requests that the Court seal Confidential Appendix 1 and Confidential Appendix 2 pending further Order of the Court, as public disclosure of the

information contained therein could have a detrimental effect on the ability of the Receiver to complete a sale of the Real Property to another party in the event the sale to the Purchaser does not close or is not approved by the Court.

DISCHARGE OF THE RECEIVER

102. As of the date of this Second Report, the Receiver's remaining duties (the "Remaining Duties") include the following:

- (a) closing the sale transaction for the Property;
- (b) distributing the Lien Holdback, in accordance with an agreement or Court Order to be issued;
- (c) preparing the Interim and Final Statements of Receiver pursuant to sections 246(2) and 246(3) of the *Bankruptcy and Insolvency Act*; and
- (d) attending to other administrative matters as necessary.

As the Receiver's administration is substantially complete, and in order to avoid the costs of making a further motion to the Court to obtain the Receiver's discharge, the Receiver is presently seeking an order discharging RSM from the powers, duties and obligations attendant to its appointment as Receiver (the "**Discharge Order**") upon the filing by the Receiver of a certificate confirming that the Receiver has completed the Remaining Duties (the "**Receiver's Discharge Certificate**"), with the proviso that RSM may perform such incidental duties as may be required by it as Receiver to complete its obligations pursuant to its appointment as Receiver.

CONCLUSIONS AND RECOMMENDATIONS

103. The Receiver respectfully requests that the Court make an order as detailed in subparagraph 5(e) above.

All of which is respectfully submitted to this Court as of this 8th day of September, 2022.

nothing in this paragraph 5 or in paragraph 6 of this Order shall require the delivery of Records, or the granting of access to Records, which may not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or due to statutory provisions prohibiting such disclosure.

6. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer or other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names and account numbers that may be required to gain access to the information.

NO INTERFERENCE WITH THE RECEIVER

11. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by the Debtor, without written consent of the Receiver or leave of this Court.

CONTINUATION OF SERVICES

12. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtor or statutory or regulatory mandates for the supply of goods and/or services, including without limitation, all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Debtor are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtor's current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver in accordance with normal payment practices of the Debtor or such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

RECEIVER TO HOLD FUNDS

13. **THIS COURT ORDERS** that all funds, monies, cheques, instruments, and other forms of payments received or collected by the Receiver from and after the making of this Order from any source whatsoever, including without limitation the sale of all or any of the Property and the collection of any accounts receivable in whole or in part, whether in existence on the date of this

14. **THIS COURT ORDERS** that all employees of the Debtor shall remain the employees of the Debtor until such time as the Receiver, on the Debtor's behalf, may terminate the employment of such employees. The Receiver shall not be liable for any employee-related liabilities, including any successor employer liabilities as provided for in section 14.06(1.2) of the BIA, other than such amounts as the Receiver may specifically agree in writing to pay, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*.

PIPEDA

15. **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver shall disclose personal information of identifiable individuals to prospective purchasers or bidders for the Property and to their advisors, but only to the extent desirable or required to negotiate and attempt to complete one or more sales of the Property (each, a "**Sale**"). Each prospective purchaser or bidder to whom such personal information is disclosed shall maintain and protect the privacy of such information and limit the use of such information to its evaluation of the Sale, and if it does not complete a Sale, shall return all such information to the Receiver, or in the alternative destroy all such information. The purchaser of any Property shall be entitled to continue to use the personal

information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

LIMITATION ON ENVIRONMENTAL LIABILITIES

16. **THIS COURT ORDERS** that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the *Ontario Environmental Protection Act*, the *Ontario Water Resources Act*, or the *Ontario Occupational Health and Safety Act* and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Receiver shall not, as a result of this Order or anything done in pursuance of the Receiver's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.

LIMITATION ON THE RECEIVER'S LIABILITY

17. **THIS COURT ORDERS** that the Receiver shall incur no liability or obligation as a result of its appointment or the carrying out the provisions of this Order, save and except for any

gross negligence or wilful misconduct on its part, or in respect of its obligations under sections 81.4(5) or 81.6(3) of the BIA or under the *Wage Earner Protection Program Act*. Nothing in this Order shall derogate from the protections afforded the Receiver by section 14.06 of the BIA or by any other applicable legislation.

RECEIVER'S ACCOUNTS

18. **THIS COURT ORDERS** that the Receiver and counsel to the Receiver shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts, and that the Receiver and counsel to the Receiver shall be entitled to and are hereby granted a charge (the "**Receiver's Charge**") on the Property, as security for such fees and disbursements, both before and after the making of this Order in respect of these proceedings, and that the Receiver's Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subject to sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

19. **THIS COURT ORDERS** that the Receiver and its legal counsel shall pass its accounts from time to time, and for this purpose the accounts of the Receiver and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice.

20. **THIS COURT ORDERS** that prior to the passing of its accounts, the Receiver shall be at liberty from time to time to apply reasonable amounts, out of the monies in its hands, against its fees and disbursements, including legal fees and disbursements, incurred at the standard rates and charges of the Receiver or its counsel, and such amounts shall constitute advances against its remuneration and disbursements when and as approved by this Court.

FUNDING OF THE RECEIVERSHIP

21. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, provided that the outstanding principal amount does not exceed \$250,000 (or such greater amount as this Court may by further Order authorize) at any time, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including interim expenditures. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the "**Receiver's Borrowings Charge**") as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any Person, but subordinate in priority to the Receiver's Charge and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.

22. **THIS COURT ORDERS** that neither the Receiver's Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

23. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as Schedule "B" hereto (the "**Receiver's Certificates**") for any amount borrowed by it pursuant to this Order.

24. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver's Certificates

evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver's Certificates.

RETENTION OF LAWYERS

25. **THIS COURT ORDERS** that the Receiver may retain lawyers to represent and advise the Receiver in connection with the exercise of the Receiver's powers and duties, including without limitation those conferred by this Order. Such lawyers may include Chaitons LLP, lawyers for the Applicant herein, in respect of any matter where there is no conflict of interest. The Receiver shall, however, retain independent lawyers in respect of any legal advice or services where a conflict exists, or may exist.

other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or facsimile transmission to the Debtor's creditors or other interested parties at their respective addresses as last shown on the records of the Debtor and that any such service or distribution by courier, personal delivery or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

28. **THIS COURT ORDERS** that the Applicant, the Receiver and their respective counsel are at liberty to serve or distribute this Order, any other materials and orders as may be reasonably required in these proceedings, including any notices, or other correspondence, by forwarding true copies thereof by electronic message to the Debtor's creditors or other interested parties and their advisors. 30. **THIS COURT ORDERS** that nothing in this Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtor.

31. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give

effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. 33. **THIS COURT ORDERS** that the Applicant shall have its costs of this motion, up to and including entry and service of this Order, provided for by the terms of the Applicant's security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Applicant from the Debtor's estate with such priority and at such time as this Court may determine.

34. **THIS COURT ORDERS** that any interested party may apply to this Court to vary or amend this Order on not less than seven (7) days' notice to the Receiver and to any other party likely to be affected by the order sought or upon such other notice, if any, as this Court may order.

35. **THIS COURT ORDERS** that, notwithstanding Rule 59.05, this order is effective from the date it is made, and it is enforceable without any need for entry and filing. In accordance with

Rules 77.07(6) and 1.04, no formal order need be entered and filed unless an appeal or motion for leave to appeal is brought to an appellate court. Any party may nonetheless submit a formal order for original, signing, entry and filing, as the case may be, when the Court returns to regular operations.

INTRODUCTION

1. Pursuant to an order of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) made on January 13, 2022 (the “**Appointment Order**”), RSM Canada Limited (“**RSM**”) was appointed receiver (the “**Receiver**”) of all of the assets, undertakings and properties of Areacor Inc. (“**Areacor**” or the “**Debtor**”). A copy of the Appointment Order is attached to this report as **Appendix “A”**.
2. The Appointment Order authorizes the Receiver to, *inter alia*:
 - (a) take possession of and exercise control over the Property (as defined therein) and any and all proceeds, receipts and disbursements arising out of or from the Property;
 - (b) receive, preserve, and protect the Property, or any part or parts thereof, including, but not limited to, the changing of locks and security codes and the placement of such insurance coverage as may be necessary or desirable;
 - (c) market the Property, including advertising and soliciting offers in respect of the Property and negotiating such terms and conditions of sale as the Receiver in its discretion may deem appropriate; and
 - (d) sell, convey, transfer, lease or assign the Property with the approval of this Court.
3. Paragraph 21 of the Appointment Order authorizes the Receiver to borrow monies to fund the exercise of the powers and duties conferred upon the Receiver by the Appointment Order from time to time, provided that the outstanding principal amount does not exceed \$250,000 (or such greater amount as the Court may by further order authorize), which advance(s) are secured by way of a fixed and specific charge over the Property (the “**Receiver’s Borrowings Charge**”) as security for the payment of the monies borrowed, together with interest and charges thereon, in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any person, but subordinate in priority to the Receiver’s Charge (as defined therein) and the charges as set out in sections 14.06(7), 81.4(4) and 81.6(2) of the *Bankruptcy and Insolvency Act*.

4. The Appointment Order and other pertinent documents have been posted on the Receiver's website, which can be found at: <http://www.rsmcanada.com/areacor-inc>.

PURPOSE OF REPORT

5. The purpose of this report (the "**First Report**") is to:
 - (a) provide background information about the Property;
 - (b) provide to the Court an update on the status of the Sale Process (as defined herein);
 - (c) seek an Order, *nunc pro tunc*, amending Paragraph 21 of the Appointment Order to increase the maximum borrowings set out in that paragraph from \$250,000 to \$500,000; and
 - (d) provide the Court with a summary of the Receiver's cash receipts and disbursements for the period January 13, 2022 to August 23, 2022.

TERMS OF REFERENCE

6. In preparing this First Report and making the comments herein, the Receiver has relied upon information from third-party sources (collectively, the "**Information**"). Certain of the information contained in this First Report may refer to, or is based on, the Information. As the Information has been provided by other parties, or obtained from documents filed with the Court in this matter, the Receiver has relied on the Information and, to the extent possible, reviewed the Information for reasonableness. However, the Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance in respect of the Information.
7. Unless otherwise stated, all monetary amounts contained in the First Report are expressed in Canadian Dollars.

BACKGROUND

8. The Debtor was incorporated on August 15, 2013 and appears to be a single purpose corporation holding legal title to the Property (as defined below).
9. The Debtor is the registered owner of real property municipally known as 11-15 Cannon Street West, Hamilton, Ontario (the “**Property**”).
10. According to a corporate search dated December 7, 2021, Mr. Roni Gilyana is the sole director of the Debtor. The registered office and mailing address for Areacor is Suite 270 – 2869 Bloor St West, Etobicoke, Ontario. A copy of the corporate search for Areacor is attached to this report as **Appendix “B”**.
11. The Receiver understands that the Debtor acquired the Property to develop a six-storey condominium project consisting of 40 residential units and commercial space on the ground floor, marketed as ‘Jamesville Lofts’.
12. As of the date of the Receiver’s appointment, a five-storey skeleton structure consisting of steel framing and pre-cast concrete slabs had been erected at the Property (the “**Structure**”).
13. Prior to the date of the Appointment Order, all construction activity on site at the Property had ceased.
14. The applicant, MarshallZehr Group Inc. (“**MZ**”), is the registered holder of a first mortgage on the Property.
15. Due to the Debtor being in default of its obligations under the mortgage, by Notice of Application dated January 6, 2022, MZ sought the appointment of the Receiver.
16. On January 13, 2022, the Court issued the Appointment Order, and RSM was thereby appointed as Receiver of Areacor.
17. Pursuant to paragraph 25 of the Appointment Order, Chaitons LLP is counsel to the Receiver in respect of any matter where there is no conflict of interest.

18. Loopstra Nixon LLP is independent counsel to the Receiver.

SALE PROCESS

19. The Appointment Order, among other things, authorized the Receiver to market and sell the Property.
20. On April 4, 2022, the Receiver commenced a marketing and sale process for the Property (the “**Sale Process**”).
21. The Receiver intends to bring a motion for, among other things, the approval of a sale transaction based on the highest and best offer received in the Sale Process. The Receiver has provisionally scheduled October 3, 2022 for the hearing of such motion, which date was secured given the limited available Court time, the need to seek sale approval on timeline acceptable to the proposed purchaser, and the need to have sufficient time to address certain construction lien issues. Debtor’s counsel has advised it cannot agree to such hearing date until it reviews the Receiver’s pending report on the proposed sale. Such report and motion materials will be completed imminently. The Receiver has instructed counsel to seek to finalize the sale approval hearing date on a scheduling motion before a judge of the Commercial List .

RECEIVER’S INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

22. Attached as **Appendix “C”** to this report is an interim statement of receipts and disbursements for the period January 13, 2022 to August 23, 2022 (the “**R&D**”). During this period, total receipts were \$255,602 including advances totaling \$250,000 under Receiver Certificate No. 1, and disbursements were \$242,170, resulting in an excess of receipts over disbursements of \$13,432.

RECEIVER’S BORROWING CHARGE

23. On or about March 14, 2022, \$250,000 was advanced to the Receiver by MZ. As set out on the R&D, a balance of \$13,432 remains in the Receiver’s trust account.

24. As of August 23, 2022, approximately \$53,300 of expenses relating to (i) the security and preservation of the Property, and (ii) the Sale Process, have been accrued (the “**Accrued Expenses**”). The Accrued Expenses do not include any outstanding professional fees. A list of the Accrued Expenses is attached as **Appendix “D”** to this report.
25. The Accrued Expenses represent only part of the expenses the Receiver will require through closing of any transaction for the sale of the Property and its discharge. These costs will only increase if the sale approval motion is not heard on a reasonable timeline or if a transaction is not approved. The Receiver estimates the following additional expenses will be incurred through October 31, 2022, exclusive of professional fees:

Description	Estimated Amount
Insurance	\$ 17,500.00
Equipment Rentals	\$ 10,125.00
Security	\$ 2,950.00
Utilities	\$ 300.00
Total Estimated Expenses through October 31, 2022	\$ 30,875.00

26. In view of the foregoing, the borrowing limit of \$250,000 is no longer sufficient for the Receiver to carry out its mandate under the Appointment Order.
27. Certain vendors have advised the Receiver that they will suspend providing services if the Receiver is unable to pay the outstanding balances on account and go-forward charges. These include critical services, such as insurance, security monitoring, and equipment rentals that are essential to maintain the security and integrity of the Structure on the Property.
28. The Receiver had hoped the Sale Process would be concluded, and the sale transaction closed, by the end of August 2022. However, this is not the case, due to numerous delays relating to (i) an investigation of the Structure; (ii) issuance of engineering reports regarding the Structure; and (iii) negotiation of an agreement of purchase and sale with the proposed purchaser (“**APS**”). Further details regarding these issues will be provided in connection with the Receiver’s upcoming motion for approval of the sale transaction

contemplated by the APS. These issues have resulted in direct and incidental costs, and the Receiver no longer has the ability to pay for required services in the normal course.

29. As the maximum borrowing limit provided in Paragraph 21 of the Appointment Order is \$250,000, the Receiver is requesting that the borrowing limit in Paragraph 21 of the Appointment Order be increased, *nunc pro tunc* to \$500,000. MZ, as the senior secured creditor, supports the increase to the Receiver's borrowing limit.
30. The Receiver will issue Receiver's Certificates in respect of these advances after the hearing of the Receiver's motion, as the form of Receiver's Certificate will have to be amended to reflect any increased borrowing limit provided for in Paragraph 21.

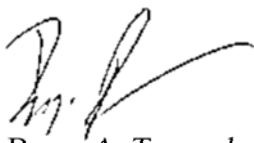

CONCLUSIONS AND RECOMMENDATIONS

31. The Receiver is advised, through counsel, that MZ and the Debtor do not oppose the relief sought herein.
32. The Receiver respectfully requests that the Court make an order as detailed in paragraph 5(c) above.

All of which is respectfully submitted to this Court as of this 2nd day of September, 2022.

Regarding: Jamesville Lofts – 15 Cannon Street West, Hamilton, L8R 2B2
Project Identification Number: CEC-17-1443

Dear Sirs:

Centric Engineering Corporation (CEC) participated in a site walk-thru at the above-noted project site on the afternoon of Monday, November 15th, 2021. During the site meeting, CEC received a hard copy of the *Location of Column* survey, prepared by Ashenhurst Nouwens & Associates Inc., dated June 11, 2021. The survey results were previously requested by our office in Site Report 07, Item 01. Our office also received on November 11th, 2021, via email, a *Slab Edge* survey prepared by Ashenhurst Nouwens & Associates Inc., dated August 14th, 2021.

Our office has completed a preliminary review of the surveys and has noted in several locations that the concrete piers and structural steel columns appear to be off-gridline (out of plumb and/or translated), exceeding allowable tolerances in CSA A23.3, CSA S16, and the general project specifications outlined in the construction documents. Discrepancies in the edge-of-slab position have also been noted in multiple locations. Our office has begun an analysis of the structural steel framing, exclusive of steel connections, as per the provided *Column Location* survey. This analysis is being undertaken to determine the locations and magnitudes of unintended stresses induced on the structural steel framing by the construction exceeding acceptable tolerances, and the effect these stresses have on the framing design.

Until such time that our office has completed our analysis and determined the as-built structural steel framing to be sound/safe, no activity should occur on the project site. We recommended that the owner block off all access to the building and post signs warning people not to enter the impungned areas. Once our analysis is complete, our office will issue a statement indicating our findings and necessary steps forward.

Our office will strive to complete our review promptly, but it should be understood that the required analysis will take time. Reviews and approvals will be required for structural items outside our scope (i.e. – steel connections, hollowcore installation).

Based on observations made during the above-noted site walk-thru, several existing deficiencies remain outstanding from previous reports issued by our office and by other parties.

Our office understands the current project objectives to be as follows:

- To document the as-built condition of the structure as of November 15th, 2021
- To resolve outstanding construction deficiencies
- To analyze the new information presented by the provided surveys and resolve any deficiencies resulting from this analysis
- To resolve new deficiencies identified by all project parties in their forthcoming inspection/analysis reports

As the engineer of record, our office will assist in the coordination of the work necessary to meet these objectives, but it should be understood that as the engineer of record our office is limited to general reviews of construction only, with our site reports limited to identifying deficiencies noted during our general reviews on-site. As such, other appropriate parties and their engineers will need to be engaged to provide the necessary approvals and information needed to meet these objectives. Appended to this letter is a list of parties and the required reports/efforts that will be needed from each. This list may not be exhaustive and is intended to serve only as a baseline for the works required and for understanding the delineation of scopes.

If any party requires site access to complete the work requested of them, access is **not to be granted** until our office has completed our analysis of the as-built steel framing as per the survey, as noted above.

This letter is intended to guide the project team as we work together to resolve the noted issues and complete the project. If you feel there are any errors or omissions in the contents of this letter, or it does not align with your understanding of the required work, please contact our office and we can amend as needed.

Respectfully Submitted,

Centric Engineering Corporation

Jamesville Lofts – Structural Remediation Plan – Phase 1 Letter

Client: RSM Canada Limited	Project ID: CEC-17-1443
Project Address: 11 Cannon St W, Hamilton, Ontario	Number of Pages: (6)
Regarding: Structural Remediation Plan, Review of Existing Documentation	Date Issued: 2022/06/06

Attention: Jeffrey Berger, RSM Canada Limited

Scope of Work:

Centric Engineering Corporation (CEC) was retained by RSM Canada Limited (RSM) to review the existing documentation regarding the current state and deficiencies related to the partially constructed structure at 11 Cannon St W in Hamilton, Ontario and to provide a summary of structural deficiencies for the purposes of construction remediation costing. Additionally, CEC will provide direction for additional third-party structural inspection or investigation as required.

Limitations:

In accordance with the scope of work, no physical or intrusive testing was undertaken to determine the condition of the existing structure by CEC. The summary and determinations outlined in this letter are based on the documentation available to CEC at the time of writing and the engineering judgement of CEC. In accordance with standard engineering practice, CEC shall not be responsible for conditions arising from deficiencies not noted.

CEC shall not be responsible for conditions arising from information not provided or fully disclosed to CEC at the time of writing.

This letter was prepared by CEC for the exclusive use of RSM Canada Limited. This letter was written in accordance with the scope of work, direction provided by the client, and generally accepted structural engineering practices. No other warranty, expressed or implied is made. CEC shall not be responsible for use of, reliance on, or decisions or actions made on this letter by any third party.

Project Background:

The structure at 11 Cannon St W in Hamilton, ON was designed as a six-storey building with one level of underground to be used as below grade parking. The design utilized a combination of steel framing, poured in place concrete and hollowcore precast concrete floors. Drawings and specifications were issued by CEC for the purposes of obtaining a building permit on August 3, 2018. Drawing and specification were issued by CEC for construction on July 22, 2019.

During the course of construction of the above project, personnel from CEC carried out periodic site reviews of structural work in accordance with the requirements of Division C, subdivision 1.2.2 of the Ontario Building Code and the requirements of section 2 of Ontario Regulation 260/08, made under the Professional Engineers Act, 1990, as amended. These reviews were conducted following the procedures described in the Professional Engineers Ontario Guideline for Professional Engineers Providing General Review of Construction as required by the Ontario Building Code. A total of eight site reviews of structural work were carried out between the period from December 24, 2019 and November 11, 2021.

As early in the construction process as concrete foundation pours, CEC observed and noted a number of workmanship, dimensional and locating issues with the structure. Refer to Site Review Reports SR-01 to SR-08, inclusive, for noted deficiencies and observations. All deficiencies and observations were discussed with the relevant parties, including the Owner, Contractor, and Architect, and follow-up remedial instructions were issued as appropriate. It should be noted that surveying, locating, verifying building dimensions are not in the scope of the Structural Engineering Consultant.

Sometime in the summer of 2021, structural construction activities ceased. From then, construction activities on the site have not resumed and, at the time of writing this letter, foundations appear complete, structural steel has been erected up to and including the fifth-floor level, and hollowcore precast concrete floor slabs have been placed up to and including the fourth-floor level. In the Winter of 2021, upon receipt of two building location surveys, CEC issued a letter to the Owner strongly recommending the site have access limited to inspection services and weatherization mitigation only. The Building Department at the City of Hamilton then issued a stop work/restricted access order to the Owner.

Building Surveys:

To the knowledge of CEC, three surveys have been conducted of the structure at the above referenced address:

- *As Built Foundation Survey* by A.T. McLaren Limited – May 29, 2020
- *Location of Column Survey* by Ashenhurst Nouwens & Associates Inc. – June 11, 2021
- *Slab Edge Survey* by Ashenhurst Nouwens & Associates Inc. – July 19, 2021

The two surveys conducted by Ashenhurst Nouwens & Associates Inc were not received by CEC until November of 2021.

Upon review of the available surveys of the structure, CEC can make the following determinations:

- Multiple concrete piers are constructed off gridline (translated), ranging from -20mm to +154mm.
- Multiple structural steel columns are off gridline (out of plumb and/or translated), ranging from -127mm to +228mm.
- The noted dimensional discrepancies exceed construction tolerances outlined in *CSA A23.3 - Design of Concrete Structures* and *CSA S16 - Limit States Design of Steel Structures*.
- The noted dimensional discrepancies appear to show no correlation between each location, with each location varying in both magnitude and direction (West, East, North, South). There appears to be no obvious pattern or trend in the displacements of the steel columns and concrete piers.

The excessive out of plumb and/or translated steel columns are of particular structural design concern. An absolute value discrepancy of 355mm between locations, in the opinion of CEC, would seem to indicate a large number of on-site modifications of the structural steel during erection and/or non-conformance to the approved structural steel shop drawings during fabrication.

As it relates to the available surveys of the structure, CEC recommends the following actions:

- Engineering analysis and detailing to understand the structural impact of column out of plumb and/or translation. Refer to Phase 2 of Remediation Plan below for further details.
- Based on the opinion that extensive on-site modification and/or fabrication non-conformances occurred, retaining an Engineer specializing in steel connection design to inspect and analyze all structural steel connections. Refer to Phase 2 of Remediation Plan below for further details.

Input will be required by the Project Architect with regard to the translated positions of the building envelope and columns at each level. The Project Architect may comment on the following:

- Encroachment of the as-built structure on property lines, setbacks, easements, etc.
- Encroachment of the as-built concrete columns on minimum clearances of the driving aisle in the basement parking area.
- Affect of above grade column positions on permit issued architectural layouts.
- Other items as deemed relevant by the Project Architect.

Structural General Review Report and Supplementary Instructions by CEC:

When construction of the project was active (late 2019 to mid 2021), CEC conducted period site reviews for the purposes of review of general conformance to the structural permit drawings and specifications.

The most current Site Review Report by CEC (SR-08 issued November 25, 2021) summarizes outstanding structural deficiencies. The deficiencies listed below require no further Engineering action and are ready to be costed and/or rectified. Further detail can be found in SR-08.

- 05.02 - C3 Column located at gridline E/9 does not have solid grout below column baseplate.
- 06.01 - Main Floor Framing, Bs-3 steel beam adjacent to gridline D is bearing on foundation wall above a shoring cavity.
- 06.03 - Main Floor Framing, slab grout joint above Bs-3 within gridlines E/D/4/6 has not been filled solid.
- 06.07 - Steel shelf angle installation has not been completed at elevator/stair shafts at multiple locations.
- 06.11 - The gap between concrete shaft walls and the precast concrete stairs/landings on all sides is to be grouted solid with non-shrink grout.
- 06.16 - Minor damage, honeycombing, and cracking in the concrete works were noted in multiple locations is to be repaired.
- 07.07 - HSS ledge at top of the East car lift wall has been notched. HSS to be reinforced or replaced at the direction of the steel fabricator's Engineer.
- 07.08 - Rebar dowels from steel beam top flanges, grouted into precast slabs, were observed as missing in multiple locations. Dowels to be installed per section details on Structural Drawings S5.2, S5.3 and S5.4.
- 07.09 - Main Floor Framing, WPI wall plate supporting the precast hanger framing the electrical chase was not installed.

Additional to the deficiencies noted, SR-08 also detailed work that remains outstanding as part of structural site instructions issued to the Contractor, Owner and Project Architect. The instructions listed below require no further Engineering action and are ready to be costed and/or rectified. Further detail can be found within the referenced Structural Site Instructions.

- Si-19-1.1 - Diaphragm connection at top of car lift.
- Si-19-1.3 - Connection details at braced bay baseplates.
- Si-19-1.4 - Verification of steel-to-steel connection at gridlines E/10.
- Si-22-1.1 - Foundation upturn / ledge remediation.
- Si-23-1.1 - Acoustic isolation slab - rooftop mechanical units. (Requires confirmation from precast concrete designer/supplier)
- Si-24-0.0 - All items.

The lists of deficiencies and outstanding site instruction works may not be exhaustive and is based solely on general reviews of construction carried out by CEC.

Structural Steel Inspection Report:

In a letter dated December 9, 2021 issued by CEC to the project Owner and Architect, CEC directed that an inspection of the erected structural steel must be completed. CEC's direction included that a full inspection (not by random sample) be completed. Typically, a steel inspection report will comment on erected steel plumbness, quantity of bolts and bolt tightness, and field weld quality. In addition to standard steel inspection criteria, CEC instructed that this inspection was to identify and comment on locations where steel connection modifications had been made during erection,

identify and comment on locations where steel framing/connections deviated from the approved structural steel shop drawings and comment on the condition of the steel given it had been left unattended from Summer 2021 and exposed to the elements.

Terraprobe Inc. was retained by RSM to conduct a structural steel inspection and provide an inspection report. The inspection by Terraprobe Inc. was carried out on March 2, 3 and 18, 2022 and the report was completed on April 25, 2022.

Contrary to CEC's instruction, the report by Terraprobe Inc. included comments on only the standard steel inspection offering (steel plumbness, quantity of bolts, bolt tightness, and field weld quality) and was completed on a random sampling basis. The report did not include comment on the serviceability condition of the steel.

The steel inspection report notes a high number of steel columns observed to be out of plumb, which is consistent with the finding of the column location survey.

The following is a summary of CEC's recommended required works based on the inspection report by Terraprobe Inc.:

- Replacement of all galvanized bolt components with the appropriate ASTM A325 black bolt assembly. Refer to steel inspection report for observed locations.
- Check/tightening of all bolts in all connections either snug tight or tensioned as appropriate for the connection type.
- Remedial work to and retesting of the field welds on Line M/12 from levels three to five as noted in the steel inspection report.
- Removal and resupply/installation of all precast support shelf angles and associated anchors given the inconsistent anchor installation and varying precast slab bearing conditions. This item will need to be reviewed by CEC as part of the Phase 2 analysis and an alternate detail may be necessary.
- An additional inspection is to be conducted with a scope consistent with the instruction provided by CEC in the December 9, 2021 letter referenced above.

Hollowcore Precast Concrete Slabs Review Report:

In a letter dated December 9, 2021 issued by CEC to the project Owner and Architect, CEC directed that an inspection of the installed hollowcore precast concrete slabs and associated grout and connections must be completed.

Coreslab Structures Inc. was retained by RSM to conduct a hollowcore precast slab inspection and provide an inspection report. It appears that Coreslab Structures Inc. retained a consulting firm specializing in hollowcore precast concrete slabs, Precast Design Solutions Inc., to conduct the inspection and report. Precast Design Solutions Inc. conducted the site inspection and provided a report April 25, 2022.

The inspection report notes that "all precast slabs were in good shape... All of the slab joints were grouted as well.". According to the report, there appears to be no structural concerns with the slabs themselves.

The report provides comment on an apparent torsion/twist in the shored steel beams along lines N and E. It is the opinion of CEC that the cause of the torsion/twist is related to the excessive misalignment of the steel members during erection detailed in the above 'Building Surveys' section. Any reference to the cause of the torsion/twist made within the report by Precast Design Solutions Inc. appears to be based on visual review only and should be disregarded.

The report also provides comment on the poor installation quality of the precast support shelf angles and anchorage. Refer to CEC's recommended remediation works in the above 'Structural Steel Inspection Report' section for action relating to this item.

The following is a summary of CEC's recommended required works based on the inspection report by Precast Design Solutions Inc.:

- Provide additional support for precast slabs at all through column and pier locations similar to Section Details 7 and 8 on Structural Drawing S5.4R noted as deficient in the precast slab report.
- Weld all dowels to supporting beams where noted deficient in the precast slab report.
- Infill all slab penetrations where noted deficient in the precast slab report.
- Drypack with non-shrink grout all slab bearing conditions where noted deficient in the precast slab report.
- At all recessed steel beams, grout filled areas as shown in the Structural Documents is critical. Drill test holes at 2 foot intervals in all locations at all levels to ensure proper grout placement.

Engineering Analysis and Detailing Required in Phase 2 of Remediation Plan:

If RSM desires to continue with the Structural Remediation Plan, further Engineering analysis and detailing will be required to be conducted for the purposes of construction remediation costing.

A preliminary analysis was conducted by CEC in November 2021 with the intent to achieve a first-pass understanding of the structural design implications of the as-erected, out-of-tolerance steel structure. CEC was able to deduce that a number of steel columns will become overstressed under full design loading due to excessive erection eccentricity causing unintended bending moments, thus requiring reinforcement or some other strengthening means. At the time of preliminary analysis, it was only determined that some form of reinforcement or replacement was required and not the extents of reinforcement nor the magnitude of overstresses.

As part of Phase 2 of the Structural Remediation Plan, CEC would conduct Engineering analysis and provide detailing for the purposes of construction remediation costing for the following:

- Analysis of structural steel columns at all locations, all levels, accounting for excessive eccentricity as evidenced by the column location survey.
- Provide instruction for the reinforcement, replacement or supplementary support of overstressed steel columns, if required.
- Analysis of all structural steel based on section loss deterioration as a result of prolonged exterior exposure, if applicable.
- Analysis of cast-in-place foundations at all locations accounting for excessive eccentricity as evidenced by the column location survey and as-built foundation survey.
- Provide instruction for the reinforcement, replacement or supplementary support of overstressed foundations, if required.

While not necessary to begin the analysis work described above, inspections and subsequent reports by third parties will be required prior to finalizing the analyses. Specifically, a steel inspection with comment on the scope of work outlined by Centric. Refer to the above 'Structural Steel Inspection Report' section for further information.

In addition to the analysis to be conducted by CEC, an Engineer specializing in steel connection design will be required to be retained to inspect and analyze all existing structural steel connections, including any on-site modifications made during erection. CEC will provide necessary loading and analysis parameters to the Steel Connection Engineer as required. The steel connection analysis and design are expected to be extensive as there is evidence of on-site connection modification and the

excessive mis-locations detailed within the column location survey would indicate on-site or fabrication modification versus the approved structural steel shop drawings.

As outlined in previous correspondence, access to the project site should be limited to the following works:

- Installation of temporary shoring as required in CEC Site Report 08, and as required in inspection reports by any other consultant/party. Installation of any required shoring must be completed prior to any other on-site activity.
- Completion of additional investigative works required for the building assessment.
- Installation of temporary weatherproofing and protection against the elements.

This letter is intended to guide RSM as to the scope of structural remedial work required before construction activities can again progress at the building site at 11 Cannon St W, Hamilton, Ontario. If you feel there are any errors or omissions in the contents of this letter, or it does not align with your understanding of the required remedial work, please contact our office.

Attn: Bryan Tannenbaum

Dear Mr. Tannenbaum,

Re: Review of security granted by Areacor Inc. (the “Company”) to MarshallZehr Group Inc. (the “Lender”)

At your request, we have reviewed the security granted by the Company to the Lender in connection with certain funds that we understand were advanced by the Lender to the Company pursuant to a commitment letter dated May 15, 2018, and further evidenced by a mortgage registered June 29, 2018. We undertake the analysis herein with a view to forming an opinion as to the enforceability of the security as against the real property subject to the aforementioned mortgage and the Company’s personal property situate in Ontario.

This report is provided solely for the benefit of RSM Canada Limited., in its capacity as court-appointed receiver of the Company, appointed by the Lender (in such capacity, the “Receiver”), and may not be used or relied upon by any other person or for any other purpose without our prior express written consent.

The Loan Agreement

We have reviewed a copy of a commitment letter dated May 15, 2018 made by and between the Company, as borrower, and the Lender, as lender, as amended from time to time (the “**Loan Agreement**”), which we have assumed to be a true copy of the same.

Pursuant to the Loan Agreement, the Lender agreed to loan the Company funds to assist with the purchase of the 11 and 15 Cannon Street West, Hamilton, Ontario (collectively, the “**Real Property**”). The initial financing was to be for \$1,500,000 plus costs, to be applied to pay out the existing first mortgage of approximately \$1,213,000, the Lender’s fee of approximately \$257,000, and the Lender’s administrative and legal costs of approximately \$30,000. The Loan Agreement provides that this financing would bear interest at a rate of 10% per annum, payable monthly with interest only payments made from Borrower Draws (as defined within the Loan Agreement) up to the budgeted amount, after which payments were to be made from the Borrower and/or the Guarantor’s own resources. The Loan Agreement further provides that the maximum amount available thereunder is \$10,445,000. The “budgeted amount,” based on the Loan Agreement, is based on the Project budget prepared by the Lender’s Quantity Surveyor satisfactory to the Lender. The Project Budget is defined as being available within 90 days prior

to the end of each Fiscal Year a Project Budget for the immediately following two Fiscal Years for the Project. The Project is defined as the lands and premises described as 11 and 15 Cannon Street West.

The Loan Agreement provides that, as security for the loan, *inter alia*, a first mortgage was to be registered on title to the Real Property in the amount of \$12,000,000. The Loan Agreement also provides for the registration of a mortgage on the guarantor's primary residence. However, this mortgage against the guarantor's residence is not considered herein.

Pursuant to the Loan Agreement, the loan term was 19 months, commencing on the first of the month following the initial advance. We understand the advance occurred on or about June 29, 2018 (the date the mortgage was registered) and, accordingly, the maturity date of the loan term was initially February 1, 2020. In December 2019, the Lender agreed to extend it the maturity date to September 1, 2021.

The Loan Agreement appears to have been executed by Roni Gilyana, who is identified as President of the Company and as the "**Guarantor**" of the financing, and Murray Snedden, who is identified as Chief Financial Officer of the Lender. We have assumed that the Loan Agreement has been executed by the appropriate persons, within the scope of their authority and that it represents a valid and subsisting obligation of the Company to the Lender. We have also assumed that, as per the Loan Agreement, value has been advanced by the Lender to the Company as contemplated thereby.

*NOTE re: Deficiency Agreement - We have reviewed a Deficiency and Completion Agreement dated June 25, 2018 made by and between the Company and Roni Gilyana, as borrower, and the Lender, as lender (the "**Deficiency Agreement**"), which we have assumed to be a true copy of the same.*

Pursuant to the Deficiency Agreement, inter alia, the borrower is to undertake the development of the Project in accordance with the plans, specifications, etc. approved by the Lender and to pay from their own resources any Cost Overruns, as defined in the Deficient Agreement but meaning, generally, costs exceeding the budget approved by the Lender. Under the Deficiency Agreement, where the borrower fails to pay Cost Overruns, the Lender may choose to do so and, in such case, any amounts paid by the Lender become immediately due and payable by the borrower to the Lender, accruing interest at the rate under the Loan Agreement.

The Deficient Agreement appears to have been executed by Roni Gilyana, who is identified as President of the Company and in his personal capacity. We have assumed that the Deficiency Agreement has been executed by the appropriate persons, within the scope of their authority and that it represents a valid and subsisting obligation of the Company to the Lender.

We are unsure if the Lender issued any payments under the Deficiency Agreement; however, if any such amounts have been advanced, such amounts would form

indebtedness owed to the Lender, secured by the Security discussed below. In such case, the term "Loan Agreement" used hereinafter shall include the Deficiency Agreement.

Security

As security for the Company's obligations to the Lender, the Company provided the Lender with (a) a security agreement executed June 25, 2018 (the "**General Security Agreement**") (b) a charge/mortgage dated June 29, 2018 (the "**Mortgage**") on the Real Property, and (c) a Priority Agreement dated June 28, 2018.

A. General Security Agreement

We have reviewed a copy of the General Security Agreement (*as included in the Lender's application to appoint RSM Canada Limited as Receiver*), which we have assumed to be a true copy of the same.

Pursuant to the General Security Agreement, specifically at sections 1 and 2, as general and continuing collateral security for the due payment and performance of the liabilities, which is stated to include all present and future indebtedness, liabilities and obligations of every kind, nature and description (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtor to the Creditor, wherever and however incurred, and any unpaid balance thereof), the Company mortgaged, charged and assigned to the Lender, and granted to the Lender a security interest in the Collateral which is defined in the General Security Agreement as follows:

"all of the present and future undertaking, Personal Property (including any Personal Property that may be described in any Schedule to this Agreement or any schedules, documents or listings that the Debtor may from time to time sign and provide to the Creditor in connection with this Agreement) and real property (including any real property that may be described in any Schedule to this Agreement or any schedules, documents or listings that the Debtor may from time to time sign and provide to the Creditor in connection with this Agreement and including all fixtures and all buildings placed, installed or erected from time to time on any such real property) of the Debtor (including all such property at any time owned, leased or licensed by the Debtor, or in which the Debtor at any time has any interest or to which the Debtor is or may at any time become entitled) and all Proceeds thereof, wherever located."

The General Security Agreement appears to be executed by Roni Gilyana, as President, on behalf of the Company. We have assumed that the General Security Agreement has been executed by the appropriate person, within the scope of the authority of such person; and, that the General Security Agreement represents a valid and subsisting obligation of the Company to the Lender.

B. Mortgage

We have reviewed a copy of the Mortgage dated June 29, 2018 (*included in the Lender's application to appoint RSM Canada Limited as Receiver*), which we have assumed to be a true copy of the same. Pursuant to the Mortgage, the Company granted a charge/mortgage on the Real Property, in an amount not to exceed \$12,000,000. The Mortgage secures the Lender's principal and interest loaned to the Company. An agreement amending the charge/mortgage dated March 11, 2019, amended the charge/mortgage by deleting the reference of \$12,000,000 and putting in its place \$13,500,000.

We have assumed that the Charge, and the registration thereof, was authorized by the appropriate person(s), within the scope of the authority of such person(s) and represents a valid and subsisting obligation of the Company to the Lender.

C. Priority Agreement

We have reviewed a priority agreement dated June 28, 2018, (the "**Priority Agreement**"), made between Aviva Insurance Company of Canada ("**Aviva**"), the Surety, and the Lender, as lender, as amended from time to time, which we have assumed to be a true copy of the same.

As per the Priority Agreement, a postponement was registered on title of the Real Property on July 5, 2018. Pursuant to the Priority Agreement, Aviva agreed to postpone its rights under a charge registered as instrument WE1252218 on June 29, 2018 against the Real Property.

The Priority Agreement appears to be executed by Sherri Nicole Lavine who has authority to sign and register the Priority Agreement on behalf of Aviva. We have assumed that the Priority Agreement has been executed by the appropriate person(s), within the scope of the authority of such person(s); and, that the Priority Agreement represents a valid and subsisting agreement between Aviva and the Lender, in favour of the Lender.

Security Searches

A. Personal Property Security

We have obtained and reviewed a search under the *Personal Property Security Act* (Ontario) ("**PPSA**") in respect of the Company, current to March 7, 2022. The search discloses the following registrations in favour of the Lender, summarized as follows:

- a registration in favour of the Lender against "accounts", and "other", registered on June 29, 2018, under file no. 741075111 and registration no. 20180629 0927 1590 3652, expiring on June 29, 2023; and
- a registration in favour of the Lender against "inventory", "equipment", "accounts", "other" and "motor vehicle", registered on June 29, 2018, under file no. 741075111 and registration no. 20180629 0927 1590 3653, expiring on February 17, 2023;

In addition, the search discloses the following registrations in favour of third-parties, which registrations are registered subsequent to the interests registered in favour of the Lender set out above:

- a registration in favour of Aviva Insurance Company of Canada against “accounts” and “other”, generally described as “security interest in those items set out in a deposit trust agreement dated October 17, 2017 with respect to the project known as Jamesville lofts located at 11-15 Cannon Street West, Hamilton”, registered on November 01, 2017, under file no. 733551183 and registration number 20171101 1346 1590 5548, expiring on November 1, 2027; and
- a registration in favour of the Ford Credit Canada Leasing, Division Of Canadian Road Leasing Company against “equipment”, “other”, and “motor vehicle included” without a fixed date of maturity, registered on February 17, 2021, under file no. 769932018 and registration no. 20210217 1359 1532 4862. The motor vehicle description is as follows:
 - Year: 2021
 - Make: Ford
 - Model: F150
 - VIN: 1FTEW1EP7MFA95384.

We have assumed that the information contained in the PPSA search is correct, accurate and complete, and that monies or other consideration were advanced by Lender to the Company such that the Company acquired value from Lender, such that the security interest granted and now held by the Lender attached and is perfected under prevailing laws, and continues to be so registered, attached and perfected as of the date hereof.

A complete copy of the PPSA search is attached hereto as Appendix “A”.

B. Bank Act Search

We have obtained a search certificate issued by the Authorized Section 427 Bank Act Registrar in respect of the Company, dated March 8, 2022, which indicates that “No matches were found” under section 427 of the *Bank Act* (Canada) has been filed in respect of the Company.

A copy of the Bank Act security search is attached hereto collectively as Appendix “B”.

C. Real Property Search

The Real Property, identified as the relevant real property for the purposes of this security review, comprises one parcel of land which has a retirement home erected on it.

We have obtained and reviewed the parcel register in respect of the Real Property, a copy of which is attached hereto as Appendix "C". This search discloses the following registrations in respect of the Lender's interests:

- the Mortgage in the principal amount of \$12,000,000 was registered on title to the Real property on June 29, 2018 under instrument number WE1293837.

In addition to the registrations in respect of the Lender's security interest, the Parcel Register discloses the following registrations in favour of third-parties:

- the Mortgage in the principal amount of \$3,500,000 was registered on title to the Real Property on November 23, 2017 under instrument number WE1252218. A postponement was registered as instrument number WE1294556 which subordinates the mortgage instrument number WE1252218 to instrument number WE1293840 which is an instrument registered after the mortgage registered in favour of the Lender and restricts the registration of charges on lands without the consent of the Lender.
- a charge in favour of the City of Hamilton in the principal amount of \$208,756 was registered on title to the Real Property April 30, 2019 under instrument number WE1351712;
- a construction lien in favour of Fusioncorp Developments Inc. in the principal amount of \$2,436,674 was registered on title to the Real Property on December 10, 2021 under instrument number WE1394885;

- a construction lien in favour of Earl O'Neil Electric Supply Limited in the principal amount of \$88,692 was registered on title to the Real Property on January 1, 2022 under instrument number WE1578689; and

We have assumed that the information contained in the title search is correct, accurate and complete, and that the Lender's security interest in the Real Property is validly registered under prevailing laws and continues to be so registered as of the date hereof.

D. Bankruptcy and Insolvency Records Search

We have obtained search results of the Office of the Superintendent of Bankruptcy in respect of the Company, dated March 8, 2022, which reflects only the appointment of RSM Canada Ltd. as receiver on January 13, 2022.

A copy of the Bankruptcy and Insolvency Records Search is attached hereto collectively as Appendix "D".

- In addition to such other assumptions and qualifications set out herein, our review is subject to the general assumptions and qualifications set out in Appendix "E" attached hereto.

Attention: Messrs. Rappos and Schwartz
Lawyers for MarshallZehr Group Inc.

Dear Messrs. Rappos and Schwartz:

**Re: MarshallZehr Group Inc. ("MarshallZehr") and Areacor Inc. ("Areacor")
Jamesville Lofts Project, 11-15 Cannon Street West, Hamilton ("Project")
Court File Nos. CV-22-00674747-00CL and CV-21-00077787-0000
Our File No.: 73/20**

We write with respect to MarshallZehr's motion scheduled for October 31, 2022, to discharge Fusioncorp's lien on the basis that it is allegedly expired. We have discussed arguing the motion based upon an agreed statement of fact and we can address if this is the best way to proceed at a later date. However, there are certain factual issues which may be in dispute but that we can resolve. We therefore write to you with our client's position respecting the quantum of the holdback, and with inquiries relevant to the timeliness of Fusioncorp Developments Inc.'s ("**Fusioncorp**") construction lien registered on title to the Project lands on December 10, 2021.

Quantum of Holdback

During our call of August 2, 2022, you advised that the Receiver's position on the appropriate quantum of the holdback was \$297,595.95, being the amount of holdback set out in Payment Application No. 29, certified by Rick Lintack of Lintack Architects Incorporated ("**Lintack**") on or about May 31, 2021. This figure is incorrect and outdated. Six Payment Applications, being Payment Application Nos. 30 through 35, were issued following Payment Application No. 29. I am attaching copies of these Payment Applications in support of the correct holdback amount.

The correct amount of basic holdback which the owner failed to retain, and which is due and owed to Fusioncorp and its sub-trades equals \$347,404.67 (HST Included). Please note that

- 2 -

Fusioncorp's position for the purposes of any agreed statement of fact will be that the correct holdback amount is \$347,404.67 inclusive of HST.

Timeliness

In order to correctly establish which version of the *Construction Act* applies pursuant to section 87.3(1)(a) and (b), we must determine if "a contract for the improvement was entered before July 1, 2018", or if "a procurement process for the improvement was commenced before July 1, 2018 by the owner of the premises".

While we know that the CCDC 5 contract between Fusioncorp and Areacor ("**Contract**") was entered in 2019, the Contract, and specifically SCHEDULE A – LIST OF PLANS, SPECIFICATIONS, REPORTS, ADDENDA, includes reference to the following Project documents that pre-date July 1, 2018:

1. November 5, 2017: Drawings – Interior Design/ Niche by Design/ Jamesville Loft – Specifications;
2. February 20, 2018: Drawings – Siltation/ Sidney W. Woods Engineering Inc./ Siltation Control Plan; and
3. February 12, 2018: Drawings – Landscaping/ Adesso Design Inc./ Landscape Plan;

Given its position in the receivership, the Receiver ought to have access and control over all of Areacor's Project documents including those listed above. In this regard can you please request the following information from the Receiver:

1. Confirm the date of the contract entered between Areacor and Lintack;
2. Confirm whether Niche by Design, Sidney W. Woods Engineering Inc., or Adesso Design Inc. contracted directly with Areacor or Lintak and, if so, the date of those contracts; and
3. To the extent records exist that evidence that procurement of a contract for the improvement took place prior to July 1, 2018, to provide information regarding same.

We understand that Mr. Phoenix is counsel for the Receiver, we have also copied him on this request.

LawPro Counsel

As we advised in our email of August 12, 2022, given that I was counsel for Fusioncorp who negotiated the Minutes of Settlement at issue on this motion and given the motion necessarily raises an allegation that I registered Fusioncorp's lien out of time, I have reported this matter to LawPro.

- 3 -

LawPro has retained Mr. John Margie of Margie Strub Construction Law LLP as counsel. While we will remain lawyers of record for Fusioncorp, Mr. Margie will be delivering responding motion materials and arguing the motion on October 31, 2022 as our agent. Please ensure that Mr. Margie is copied on all correspondence relevant to the discharge motion going forward.

Thank you for your anticipated cooperation, and we look forward to hearing from you with respect to the above at your earliest convenience. If you have any further questions, please do not hesitate to contact me.

Yours very truly,

DELIVERED VIA EMAIL

File Code: 26821-0001

September 7, 2022

TO THE PARTIES LISTED ON SCHEDULE "A"

Dear Sirs:

RE: Areacor Inc. ("Areacor") and 15 Cannon Street West, Hamilton (the "Property")

Motion returnable October 3, 2022

We are independent counsel to RSM Canada Limited, Court-appointed receiver of the property, assets, and undertakings of Areacor (the "**Receiver**").

We write to you, respectively, as counsel to Fusioncorp Developments Inc. ("**Fusioncorp**"), Demand Electric Inc. ("**Demand Electric**"), Earl O'Neil Electric Supply Limited ("**Earl O'Neil**") and Northstar Scaffold (Ontario) Inc. ("**Northstar**"), each of which has registered a construction lien against title to the Property (collectively, the "**Construction Liens**").

The Receiver understands that Fusioncorp was Areacor's general contractor with respect to the Property, Demand Electric and Northstar were subcontractors of Fusioncorp, and Earl O'Neil was a subcontractor of Demand Electric.

The Receiver has negotiated a sale of the Property and will be bringing a motion for Court approval of a proposed sale transaction. The motion is scheduled for October 3, 2022.

As will be set out in the Receiver's pending report to the Court, the purchase price for the Property is less than the total amount owed by Areacor to its lender, MarshallZehr Group Inc. ("**MarshallZehr**"), and that on closing, the purchaser will be assuming a portion of Areacor's indebtedness to MarshallZehr that was secured by a mortgage registered on title to the Property (the "**MarshallZehr Mortgage**").

In connection with the sale approval motion, the Receiver will be requesting that the Court order that, on closing, the Property vest in the purchaser free and clear of all claims and encumbrances, including the Construction Liens. To satisfy the purchase price, the purchaser will have to pay to the Receiver, in trust, all amounts that may have priority over the MarshallZehr Mortgage – which will include any priority amount under any validly perfected Constructions Liens.

Based on the information available to it, the Receiver understands that MarshallZehr's loan to Areacor and the MarshallZehr Mortgage is a building mortgage under section 78(2) of the *Construction Act*. As a result, pursuant to that section, the Construction Liens, to the extent that

they are valid, have priority over the MarshallZehr Mortgage to the limited extent of any deficiency in the holdback required to be retained by Areacor under Part IV of the *Construction Act*.

Pursuant to section 22 of Part IV of the *Construction Act*, Areacor was required to retain a holdback equal to 10% of the price of the service or materials as they were actually supplied to it under the contract entered into between Areacor and Fusioncorp. – being the only direct contractual relationship between Areacor and any of the lien registrants.

The Receiver has reviewed an application for payment up to October 31, 2021 that indicates that the amount of the Fusioncorp holdback at that time was \$347,404.36. The Receiver understands that Fusioncorp is of the view that this is the maximum amount of the holdback.

Accordingly, based on the information available to the Receiver, it is the Receiver's view that the amount must be paid by the purchaser on closing in satisfaction of the maximum amount that the Construction Liens, if they are valid, may have priority over the MarshallZehr Mortgage is \$347,404.36.

As part of its motion for approval of the sale transaction, **the Receiver will seek an order of the Court directing the sum of \$347,404.36 to be held by the Receiver pending a resolution of any claim under the Construction Liens or further order of the Court.** This will facilitate the closing of the subject sale transaction, without prejudicing your clients' ability to seek any priority amounts payable under the Constructions Liens, or MarshallZehr's ability to challenge the quantum of the holdback amounts and/or the timeliness of the registration of the Construction Liens.

The Receiver intends to serve its motion materials shortly.

To the extent that any of your clients disagree with the information and position set out above, please contact the undersigned as soon as possible. We note that the Receiver will require evidence in support of any argument you may have that the potential priority amount that must be paid in trust on closing in connection with the Construction Liens should be greater than the \$347,404.36 holdback amount set out above.

Yours truly,

LOOPSTRA NIXON LLP

For greater certainty, the closing of the Transaction by a Party shall be deemed to be a waiver by such Party of compliance with any condition inserted for its benefit and not satisfied at Closing. For greater certainty, the condition under Section 21(a) cannot be waived by either Party.

32. SEVERABILITY.

If any provision contained in this Agreement or the application thereof to any Person or circumstance is, to any extent, invalid or unenforceable, the remainder of this Agreement and the application of such provision to such Person or circumstances other than those to whom it is held invalid or unenforceable, shall not be affected thereby and each provision contained in this Agreement shall be separately valid and enforceable to the fullest extent permitted by law.

Each of the Parties agree that all provisions of this Agreement, and all provisions of any and all documents and security delivered in connection herewith, shall not merge and except where otherwise expressly stipulated herein, shall survive Closing.

35. CUMULATIVE REMEDIES.

No remedy conferred upon or reserved to one or both of the Parties hereto is intended to be exclusive of any other remedy, but each remedy shall be cumulative and in addition to every other remedy conferred upon or reserved hereunder, whether such remedy shall be existing or hereafter existing, and whether such remedy shall become available under common law, equity or statute.

42. CONFIDENTIALITY.

The Purchaser agrees that all information and documents supplied by the Vendor or anyone on its behalf to the Purchaser or anyone on the Purchaser's behalf (including but not limited to information in the schedules hereto) shall, unless and until Closing occurs, be received and kept by the Purchaser and anyone acting on the Purchaser's behalf on a confidential basis and, without the Vendor's prior written consent shall not be disclosed to any Person. If for any reason Closing does not occur, all such documents shall forthwith be returned intact to the Vendor and no copies or details thereof shall be retained by the Purchaser or anyone acting on its behalf. The Purchaser and the Vendor further agree that unless and until the terms of this Agreement become public knowledge in connection with an application to the Court, the Purchaser shall keep such terms confidential and shall not disclose them to anyone except the Purchaser's solicitors, agents or lenders acting in connection herewith and then only on the basis that such Person also keeps such terms confidential as aforesaid.

Notwithstanding the foregoing, the Purchaser shall have the right, until five (5) Business Days before the hearing date for the motion to obtain the Approval and Vesting Order, upon written notice to the Vendor's Solicitors, to assign, in whole or part, its rights to acquire the Purchased Assets herein to any company or companies affiliated (as that term is defined in the Ontario *Business Corporations Act*) with the Purchaser, provided that such assignment shall not release the Purchaser from its obligations under this Agreement.

46. VENDOR'S CAPACITY.

It is acknowledged by the Purchaser that the Vendor is entering into this Agreement solely in its capacity as Court-Appointed Receiver of the Debtor and that the Vendor shall have no personal or corporate liability under or as a result of this Agreement. Any Liabilities against the Vendor shall be limited to and only enforceable against the property and assets then held by or available to it in its capacity as Receiver of the Debtor and shall not apply to its personal property and other assets held by it in any other capacity. The term "Vendor" as used in this Agreement shall have no inference or reference to the present registered owner of the Purchased Assets.

47. SUCCESSORS AND ASSIGNS.

This Agreement shall be binding upon and enure to the benefit of the Parties and their respective successors and permitted assigns.

APPROVAL AND VESTING ORDER

THIS MOTION, made by ~~[RECEIVER'S NAME]~~ RSM Canada Limited., in its capacity as the Court-appointed receiver (the "**Receiver**"), without security, of all of the ~~undertaking,~~ property undertakings, properties and assets of ~~[DEBTOR]~~ Areacor Inc. (the "**Debtor**") for an order

approving the sale transaction (the "**Transaction**") contemplated by an agreement of purchase and sale (the "**Sale Agreement**") between the Receiver and ~~[NAME OF PURCHASER]~~ Marbelle Estates Inc. (the "**Purchaser**") dated ~~[DATE]~~ August 26, 2022, and appended to the Second Report of the Receiver dated ~~[DATE]~~ September 8, 2022 (the "**Second Report**"), and vesting in the Purchaser the Debtor's ~~right~~ rights, title and ~~interest~~ interests in and to the assets described in the Sale Agreement (the "**Purchased Assets**"), was heard this day by judicial videoconference at the Courthouse at 330 University Avenue, Toronto, Ontario.

ON READING the Second Report and the confidential appendices to the Second Report, filed separately with the Court (the "Confidential Appendices") and on hearing the submissions of counsel for the Receiver, ~~[NAMES OF OTHER PARTIES APPEARING]~~, the Debtor, and such other counsel and parties as listed on the Counsel Slip, no one else appearing for any other person on the service list, although properly served as appears from the affidavit of ~~[NAME]~~ Amanda Adamo sworn ~~[DATE]~~ 2022, filed¹:

1. **THIS COURT ORDERS AND DECLARES** that the Transaction is hereby approved,² and the execution of the Sale Agreement by the Receiver³ is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. - The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance of the Purchased Assets to the Purchaser.

2. **THIS COURT ORDERS AND DECLARES** that upon the delivery of a Receiver's certificate to the Purchaser substantially in the form attached as **Schedule "A"** hereto (the "**Receiver's Certificate**"), all of the ~~Debtor's right~~ Debtor's rights, title and ~~interest~~ interests in and

¹~~This model order assumes that the time for service does not need to be abridged. The motion seeking a vesting order should be served on all persons having an economic interest in the Purchased Assets, unless circumstances warrant a different approach. Counsel should consider attaching the affidavit of service to this Order.~~

²~~In some cases, notably where this Order may be relied upon for proceedings in the United States, a finding that the Transaction is commercially reasonable and in the best interests of the Debtor and its stakeholders may be necessary. Evidence should be filed to support such a finding, which finding may then be included in the Court's endorsement.~~

³~~In some cases, the Debtor will be the vendor under the Sale Agreement, or otherwise actively involved in the Transaction. In those cases, care should be taken to ensure that this Order authorizes either or both of the Debtor and the Receiver to execute and deliver documents, and take other steps.~~

to the Purchased Assets ~~described in the Sale Agreement [and listed on Schedule B hereto]~~⁴ shall vest absolutely in the Purchaser, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, or other financial or monetary claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**"⁵), including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Order of the Honourable Justice ~~[NAME]~~ Mr. Justice Cavanagh dated ~~[DATE]~~ January 13, 2022; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Ontario) or any other personal property registry system; and (iii) those Claims listed on **Schedule "C"** hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the permitted encumbrances, easements and restrictive covenants listed on **Schedule "D"** hereto) and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Purchased Assets are hereby expunged and discharged as against the Purchased Assets.

3. **THIS COURT ORDERS** that upon the registration in the Land Registry Office ~~for the [Registry Division of {LOCATION}] of a Transfer/Deed of Land in the form prescribed by the Land Registration Reform Act duly executed by the Receiver~~ [Land Titles Division of {LOCATION}] (#62) of an Application for Vesting Order in the form prescribed by the *Land Titles Act* and/or the *Land Registration Reform Act*⁶, the Land Registrar is hereby directed to enter the Purchaser as the owner of the subject real property identified in **Schedule "B"** hereto (the "**Real Property**") in fee simple, and is hereby directed to delete and expunge from title to the Real Property all of the Claims listed in **Schedule "C"** hereto.

⁴ ~~To allow this Order to be free-standing (and not require reference to the Court record and/or the Sale Agreement), it may be preferable that the Purchased Assets be specifically described in a Schedule.~~

⁵ ~~The "Claims" being vested out may, in some cases, include ownership claims, where ownership is disputed and the dispute is brought to the attention of the Court. Such ownership claims would, in that case, still continue as against the net proceeds from the sale of the claimed asset. Similarly, other rights, titles or interests could also be vested out, if the Court is advised what rights are being affected, and the appropriate persons are served. It is the Subcommittee's view that a non-specific vesting out of "rights, titles and interests" is vague and therefore undesirable.~~

⁶ ~~Elect the language appropriate to the land registry system (Registry vs. Land Titles).~~

4. **THIS COURT ORDERS** that for the purposes of determining the nature and priority of Claims, the net proceeds⁷ from the sale of the Purchased Assets shall stand in the place and stead of the Purchased Assets, and that from and after the delivery of the Receiver's Certificate all Claims and Encumbrances shall attach to the net proceeds from the sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale⁸, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

5. THIS COURT ORDERS that the Existing Purchase Agreements (as defined in the Second Report) between the Debtor and purchasers of residential condominium units (the "Condo Purchasers") that were to be built by the Debtor on the Real Property, shall be terminated on the date on which the Receiver delivers the Receiver's Certificate pursuant to paragraph 2 hereof. The Receiver be and is hereby directed to (a) deliver a copy of this Order, by mail or email (where possible) to the each of the Condo Purchasers forthwith following the issuance hereof; and, (b) to deliver a copy Receiver's Certificate by the same means to each of the Condo Purchasers forthwith after delivery thereof, confirming the termination of the Existing Purchase Agreements.

~~5.6.~~ **THIS COURT ORDERS AND DIRECTS** the Receiver to file with the Court a copy of the Receiver's Certificate, forthwith after delivery thereof.

~~6.7.~~ **THIS COURT ORDERS** that, pursuant to clause 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser ~~all human resources and payroll information in the Company's records pertaining to the Debtor's past and current employees, including personal information of those employees listed on Schedule "●" to the Sale Agreement.~~information in the Debtor's records. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Debtor.

⁷~~The Report should identify the disposition costs and any other costs which should be paid from the gross sale proceeds, to arrive at "net proceeds".~~

⁸~~This provision crystallizes the date as of which the Claims will be determined. If a sale occurs early in the insolvency process, or potentially secured claimants may not have had the time or the ability to register or perfect proper claims prior to the sale, this provision may not be appropriate, and should be amended to remove this crystallization concept.~~

~~7.8.~~ **THIS COURT ORDERS** that, notwithstanding:

- (a) the pendency of these proceedings;
- (b) any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act* (Canada) in respect of either of the Debtor~~Debtors~~ and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made in respect of either of the Debtor~~Debtors~~.

the vesting of the Purchased Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of either of the Debtor~~Debtors~~ and shall not be void or voidable by creditors of the ~~Debtor~~Debtors, nor shall it constitute nor be deemed to be a settlement, fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the *Bankruptcy and Insolvency Act* (Canada) or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

~~8. THIS COURT ORDERS AND DECLARES that the Transaction is exempt from the application of the *Bulk Sales Act* (Ontario).~~

9. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.

Revised: January 21, 2014

10. THIS COURT ORDERS that this order is effective from today's date and is enforceable without the need for entry and filing.

EFFECTIVENESS

11. THIS COURT ORDERS that this order is effective from today's date and is enforceable without the need for entry and filing.

⁴The model order subcommittee was divided as to whether a general release might be appropriate. On the one hand, the Receiver has presumably reported its activities to the Court, and presumably the reported activities have been approved in prior Orders. Moreover, the Order that appointed the Receiver likely has protections in favour of the Receiver. These factors tend to indicate that a general release of the Receiver is not necessary. On the other hand, the Receiver has acted only in a representative capacity, as the Court's officer, so the Court may find that it is appropriate to insulate the Receiver from all liability, by way of a general release. Some members of the subcommittee felt that, absent a general release, Receivers might hold back funds and/or wish to conduct a claims bar process, which would unnecessarily add time and cost to the receivership. The general release language has been added to this form of model order as an option only, to be considered by the presiding Judge in each specific case. See also Note 1, above.
