**JUDICIAL NOTES:**

**Conway J. Endorsement**

The Receiver has determined that its mandate has come to an end. The only recoverable asset was security paid into an insurance program. As set out in its Report, the Receiver has concluded that there is no further purpose in pursuing the return of this security. It brings this motion for approval of its activities, fees and disbursements, and for approval of its discharge. The motion is unopposed.

Order to go as signed by me and attached to this endorsement. This order is effective from today's date and is enforceable without the need for entry and filing.
