Mr. Xu has requested an  
adjustment. I am not  
prepared to advise the  
Motion and wish to bring  
this sale that the license  
nonetheless should proceed.  
Mr Xu could have accepted  
the favorable offer made to  
him many months ago but  
declined to do so. It is now  
too late to ask that this  
Motion should be advised.  
I am satisfied the Motion  
should be granted on the  
terms of the attached  
order. If I don't approve the sale Mr Xu  
could lose his deposit.  
There shall be a copy over in accordance  
with para 4.
