APPENDIX “D”

Bare Trusts, Nominee Corporations and Joint Ventures

For GST/HST purposes, a joint venture is not a “person”. Therefore, a joint venture cannot register and account for the GST/HST in its own right. However, section 273 of the *Excise Tax Act* provides for an election under which participants in certain joint ventures can elect for one participant that is a GST/HST registrant to be the “operator”. Where a valid election is made, the operator accounts for the GST/HST collectible on taxable supplies made by the operator on behalf of the other participants. The operator also claims any input tax credits in relation to the expenses incurred by the operator on behalf of the other participants in respect of the joint venture activities.

GST/HST Policy Statement P-106, *Administrative Definition of a “Participant” in a Joint Venture*, states the CRA’s administrative definition of “participant” for purposes of section 273. In order to be an operator of a joint venture for purposes of the election, a registrant must first be considered a participant in the joint venture. As stated in the policy statement a “participant” means:

- (a) a person who, under a joint venture agreement evidenced in writing, makes an investment by contributing resources and takes a proportionate share of any revenue or incurs a proportionate share of the losses from the joint venture activities; or
- (b) a person, without a financial interest, who is designated as the operator of the joint venture under an agreement in writing and is responsible for the managerial or operational control of the joint venture.

For a person to be considered to have managerial or operational control of a joint venture the person must have the authority to manage the joint venture’s daily activities without requiring the input or approval of the other participants. Evidence of a person having the necessary managerial or operational control may include having the authority to engage personnel or contractors on behalf of the joint venture. Where the person does not engage staff to perform any of the operator’s duties, it is doubtful that the person would be considered to have the managerial or operational control of the joint venture. Additionally, the person would not be considered to have the managerial or operational control of a joint venture merely as a result of completing the GST/HST returns in respect of the joint venture’s activities.

However, managerial or operational control does not necessarily require authority to initiate significant business decisions such as the acquisition of, or selling of, certain core business assets. It can be limited to the daily functions necessary to run a business but must include all or at least most of the significant duties necessary to run the joint venture. If a person has no independent powers, discretion or responsibilities and its primary responsibility is to hold title to the property for the benefit of the other participants and carry out limited functions solely at the direction of the participants, the person would not be considered to have the managerial or operational control of the joint venture and thus would not be considered to be a participant in the joint venture.

For purposes of the section 273 joint venture election, a “bare trust” which is a bare trust at law cannot be considered the operator of a joint venture. A bare trust at law merely retains legal title to assets with the beneficial owner(s) retaining beneficial ownership and authority for any other actions in relation to the assets. A nominee corporation may be the trustee of a bare trust. Further information on the nature of bare trusts and the GST/HST is outlined in GST/HST Technical Information Bulletin B-068, *Bare Trusts*.

La version française de la présente publication est intitulée *Simple fiducies, sociétés prête-nom et coentreprises*.

Generally, a nominee corporation provides the use of its name to the beneficial owners of the assets. Nominee corporations are also generally characterized as shells which do not perform activities other than holding assets on behalf of beneficial owners. All other functions performed by the nominee corporation are at the direction and control of the beneficial owners.

Where the only function of a nominee corporation is to hold title to a joint venture's assets and have its name used instead of the names of the participants in the joint venture's dealings with third parties, the nominee corporation does not qualify as a participant for purposes of the joint venture election.

The terms "nominee corporation" and "bare trust" may be used somewhat loosely by businesses. As a result, a so called nominee corporation or so-called bare trust may in fact have the managerial or operational control of a joint venture. Where this is the case, the so-called nominee corporation or bare trust may be a participant in the joint venture for GST/HST purposes. Whether a person has the managerial or operational control of a joint venture is a question of fact which is determined through a full examination of the duties performed and the relevant agreements.

Temporary administrative tolerance

In some cases, participants in joint ventures have made an election under section 273 for a nominee corporation or bare trust to be the operator of the joint venture where the nominee corporation or bare trust does not have the managerial or operational control and is not considered to be a participant in accordance with the policy statement. Auditors have been advised not to assess for any GST/HST owing where an assessment could be raised because the bare trust or nominee corporation is not a participant for purposes of section 273. This administrative tolerance is contingent upon confirmation that all returns have been filed, all amounts have been remitted and the joint venture participants are otherwise fully compliant. Further, this administrative tolerance is in place with the understanding that, on a going forward basis, the joint venture will arrange its affairs to ensure that a participant, as defined in GST/HST Policy Statement P-106, who is a GST/HST registrant, is the operator of the joint venture.

This administrative tolerance is available for reporting periods ending before January 1, 2015.

Agency

A trustee of a bare trust, for example, a nominee corporation, may act as an agent of the participants in a joint venture by performing certain activities on their behalf. Where an agency relationship exists between the nominee corporation and the participants in a joint venture, the nominee corporation may be engaged in a commercial activity and as such may be required or permitted to register for GST/HST purposes.

Generally, an agent is considered to be an extension of the principal and makes or acquires supplies on behalf of the principal who for GST/HST purposes is considered to have made or acquired the supplies. Therefore, it is the principal that is generally required to charge and account for the tax on the supplies made by the agent on behalf of the principal. In addition, it is the principal who is entitled to claim any input tax credits on the supplies acquired by the agent on behalf of the principal.

Under subsection 177(1.1) of the *Excise Tax Act*, a principal and an agent can jointly elect to allow the agent to account for the tax on supplies made by the agent on behalf of the principal. Where a nominee corporation is a GST/HST registrant that makes taxable supplies as agent on behalf of the participants in a joint venture, the nominee corporation and the participants may jointly elect under subsection 177(1.1) to have the nominee corporation account for the tax on the supplies it makes on behalf of the participants.

However, the election under subsection 177(1.1) does not result in the agent assuming any rights with respect to input tax credits to which the principal may be entitled to claim. Consequently, even where a nominee corporation acts as agent in acquiring supplies on behalf of the participants in a joint venture, the nominee corporation is not entitled to claim any input tax credits that the participants may be eligible to claim with respect to such supplies.

A nominee corporation is an agent with respect to a particular transaction if the nominee corporation is an agent based on a determination of fact and an application of the principles of law. It is also a question of fact whether a nominee corporation is required to register for GST/HST purposes or whether it may register voluntarily. If the nominee corporation is an agent and makes taxable supplies of its services of acting as an agent to the participants in a joint venture, the nominee corporation may register voluntarily if it is not required to register.

 - (i) realty taxes (including local improvement charges pursuant to the *Local Improvement Charges Act*, if any) which may be estimated as if the Unit has been assessed as fully completed by the taxing authority for the calendar year in which the transaction is completed as well as for the following calendar year, notwithstanding the same may not have been levied or paid on the Title Transfer Date. The Vendor shall be entitled in its sole discretion to collect from the Purchaser a reasonable estimate of the taxes as part of the Occupancy Fee and/or such further amounts on the Title Transfer Date, provided all amounts so collected shall either be remitted to the relevant taxing authority on account of the Unit or held by the Vendor pending receipt of final tax bills for the Unit, following which said realty taxes shall be readjusted in accordance with subsections 80(8) and (9) of the Act; and

Without limiting the generality of any provision of this Agreement, the Purchase Price excludes provincial sales tax which may be payable on the Unit, on its own or as part of a harmonized sales tax and accordingly, it shall be payable in respect of the transaction contemplated by this Agreement. It shall be paid by the Purchaser on the Unit Transfer Date in addition to the Purchase Price as an adjustment on closing or as otherwise directed by the Vendor. Without limiting the generality of the foregoing, the Purchase Price excludes Provincial Sales Tax which may be payable on the Unit which, if applicable, shall be paid by the Purchaser in addition to the Purchase Price, as aforesaid;
 - (iii) The sum of \$3,500.00 towards any development charge(s) and/or education development charge(s) assessed against or attributable to the Unit (or assessed against the Property or any portion thereof), pursuant to the *Development Charges Act, 1997*, S.O. 1997, as amended from time to time, and the *Education Act, S.O. 1997*, as amended from time to time.

A letter from the Vendor's engineers certifying the said charges and costs shall be final and binding on the Purchaser.
 - (vii) The cost of any carbon monoxide detector installed in the Unit (if applicable);
 - (viii) The charge imposed upon the Vendor or its solicitors by the Law Society of Upper Canada upon registration of a Transfer/Deed of Land or Charge/Mortgage of Land or any other instrument;
 - (ix) A sum of Fifty (\$50.00) Dollars for each cheque tendered pursuant to paragraph 1(a) and 1(b) of this Agreement and for any cheque tendered for upgrades or any other monies paid on account of the Purchase Price up to, but not including the Title Transfer Date representing a reasonable reimbursement to the Vendor of the costs incurred or to be incurred by the Vendor in fulfillment of the requirements of subsection 81(6) of the Act;
 - (x) The Purchaser agrees to pay Two Hundred and Fifty (\$250.00) Dollars towards the cost of obtaining (partial) discharges of mortgages not intended to be assumed by the Purchaser; and
 - (xi) The Purchaser shall reimburse the Vendor for a portion of the Vendor's costs of engineering reports prepared to satisfy the requirements of TWC under Bulletin 19 with the Purchaser's portion of such costs either being equal to the percentage allocation referable to the Unit as set forth in Schedule "D" to the Declaration or by dividing same by the number of residential units in the Condominium.
- (e) In the event that the Purchaser desires to increase the amount to be paid to the Vendor's solicitors on the Occupancy Date at any time after the expiry of the initial ten (10) day statutory rescission period, or wishes to vary the manner in which the Purchaser has previously requested to take title to the Property, or wishes to add or change any unit(s) being acquired from the Vendor, then the Purchaser hereby covenants and agrees to pay to the Vendor's Solicitor's the legal fees and ancillary disbursements which may be incurred by the Vendor or charged by the Vendor's Solicitors in order to implement any of the foregoing changes so requested by the Purchaser (with the Vendor's Solicitors' legal fees for implementing any such changes to any of the interim closing and/or final closing documents so requested by the Purchaser and agreed to by the Vendor being \$250.00 plus HST), but without there being any obligation whatsoever on the part of the Vendor to approve of, or to implement, any of the foregoing changes so requested.
 - (f) It is further understood and agreed that the Unit may include a rental or leased furnace/HVAC system or hot water tank and associated components which would remain the property of the appropriate company or other supplier of such item, and in such event, the Purchaser shall pay the monthly rental/lease charges assessed with respect thereto from and after the Occupancy Date, and shall execute all requisite rental documents in connection therewith.
 - (g) The Purchaser acknowledges that it may be required to enter into an agreement with the supplier of hydro services to the Condominium (the "Hydro Supplier") on or before the Closing Date. Furthermore, the Purchaser acknowledges that such agreement may require the Purchaser to deliver a security deposit to the Hydro Supplier prior to the Occupancy Date and the Purchaser agrees to deliver such security deposit to the Vendor on the Occupancy Date.
 - (h) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and, if applicable, the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (hereinafter referred to as the "HST"), and that the Vendor shall remit the HST to CRA on behalf of the Purchaser forthwith following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the *Excise Tax Act (Canada)*, as may be amended, (collectively, the "Rebate") and further warrants and represents that the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Title Transfer Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Occupancy Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Unit as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Unit. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Unit, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors request for same (and in any event on or before the Title Transfer Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the "Rebate Form"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Unit with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:
 - (i) If the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Title Transfer Date) the Rebate Forms duly executed by the Purchaser, together with all other requisite documents and assurances that

the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or

- (ii) If the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Title Transfer Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Title Transfer Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Unit before or after the Title Transfer Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Title Transfer Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the Excise Tax Act as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- (i) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the Excise Tax Act. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Title Transfer Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.
- (j) An administration fee of TWO HUNDRED AND FIFTY (\$250.00) DOLLARS shall be charged to the Purchaser for any cheque payable hereunder delivered to the Vendor or to the Vendor's Solicitors and not accepted by the Vendor's or the Vendor's Solicitor's bank for any reason. At the Vendor's option, this administration fee can be collected as an adjustment on the Title Transfer Date or together with the replacement cheque delivered by the Purchaser.

Title

- 7. The Vendor or its Solicitor shall notify the Purchaser or his/her Solicitor following registration of the Creating Documents so as to permit the Purchaser or his/her Solicitor to examine title to the Unit (the "Notification Date"). The Purchaser shall be allowed twenty (20) days from the Notification Date (the "Examination Period") to examine title to the Unit at the Purchaser's own expense and shall not call for the production of any surveys, title deeds, abstracts of title, grading certificates, occupancy permits or certificates, nor any other proof or evidence of the title or occupiability of the Unit, except such copies thereof as are in the Vendor's possession. If within the Examination Period, any valid objection to title or to any outstanding work order is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intervening acts or negotiations in respect of such objections, be null and void and the deposit monies together with the interest required by the Act to be paid after deducting any payments due to the Vendor by the Purchaser as provided for in this Agreement shall be returned to the Purchaser and the Vendor shall have no further liability or obligation hereunder and shall not be liable for any costs or damages. Save as to any valid objections so made within the Examination Period, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Unit. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by or on behalf of the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's Solicitors, and that same shall constitute a satisfactory manner of responding to the Purchaser's requisitions, thereby relieving the Vendor and the Vendor's Solicitors of the requirement to respond directly or specifically to the Purchaser's requisitions.

Direction Re: Title

- 8. The Purchaser hereby agrees to submit to the Vendor or the Vendor's Solicitors on the earlier of the Occupancy Date and twenty (20) days prior to the Title Transfer Date, a written direction as to how the Purchaser intends to take title to the Unit, including, the date(s) of birth and marital status and the Purchaser shall be required to close the transaction in the manner so advised unless the Vendor otherwise consents in writing, which consent may be arbitrarily withheld. If the Purchaser does not submit such confirmation within the required time as aforesaid the Vendor shall be entitled to tender a Transfer/Deed on the Title Transfer Date engrossed in the name of the Purchaser as shown on the face of this Agreement.

Permitted Encumbrances

- 9. (a) The Purchaser agrees to accept title subject to the following:
 - (i) the Condominium Documents, notwithstanding that they may be amended and varied from the proposed Condominium Documents in the general form attached to the Disclosure Statement delivered to the Purchaser as set out in Schedule "E";
 - (ii) registered restrictions or covenants that run with the Property, including any encroachment agreement(s) with any governmental authorities or adjacent land owner(s), provided that same are complied with as at the Title Transfer Date;
 - (iii) easements, rights-of-way and/or licences now registered (or to be registered hereafter) for the supply and installation of utility services, drainage, telephone services, electricity, gas, storm and/or sanitary sewers, water, cable television/internet, recreational and shared facilities, and/or any other service(s) to or for the benefit of the Condominium (or to any adjacent or neighbouring properties), including any easement(s) which may be required by the Vendor (or by any owner of the Property, if not one and the same as the Vendor), or by any owner(s) of adjacent or neighbouring properties, for servicing and/or access to (or entry from) such properties, together with any easement and cost-sharing agreement(s) or reciprocal agreement(s) confirming (or pertaining to) any easement or right-of-way for access, egress, support and/or servicing purposes, and/or pertaining to the sharing of any services, facilities and/or amenities with adjacent or neighbouring property owners, provided that any such easement and cost-sharing agreements or reciprocal agreements are (insofar as the obligations thereunder pertaining to the Property, or any portion thereof, are concerned) complied with as at the Title Transfer Date;
 - (iv) registered municipal agreements and registered agreements with publicly regulated utilities and/or with local ratepayer associations, including without limitation, any development, site plan, condominium, subdivision, Section 37, collateral, limiting distance, engineering and/or other municipal agreement (or similar agreements entered into with any governmental authorities including any amendments or addenda related thereto), (with all of such agreements being hereinafter collectively referred to as the "Development Agreements"), provided that same are complied with as at the Title Transfer Date, or security has been posted in such amounts and on such terms as may be required by the governmental authorities to ensure compliance therewith and/or the completion of any outstanding obligations thereunder; and
 - (v) unregistered or inchoate liens for unpaid utilities in respect of which no formal bill, account or invoice has been issued by the relevant utility authority (or if issued, the time for payment of same has not yet expired), without any claim or request by the Purchaser for any utility holdback(s) or reduction/abatement in the Purchase Price, provided that the Vendor delivers to the Purchaser the Vendor's written undertaking to pay all outstanding utility accounts owing with respect to the Property (including any amounts owing in connection with any final meter reading(s) taken on or immediately prior to the Title Transfer Date, if applicable), as soon as reasonably possible after the completion of this transaction;
- (b) It is understood and agreed that the Vendor shall not be obliged to obtain or register on title to the property a release of (or an amendment to) any of the aforementioned easements, Development Agreements, reciprocal agreements or restrictive covenants or any of the other aforementioned agreements or notices, nor shall the Vendor be obliged to have any of same deleted from the title to the Property, and the Purchaser hereby expressly acknowledges and agrees that the Purchaser shall satisfy himself or herself as to compliance therewith. The Purchaser agrees to observe and comply with the terms and provisions of the Development Agreements, and all restrictive covenants registered on title. The Purchaser further

acknowledges and agrees that the retention by the local municipality within which the Property is situated (the "Municipality"), or by any of the other governmental authorities, of security (e.g. in the form of cash, letters of credit, a performance bond, etc., satisfactory to the Municipality and/or any of the other governmental authorities) intended to guarantee the fulfilment of any outstanding obligations under the Development Agreements shall, for the purposes of the purchase and sale transaction contemplated hereunder, be deemed to be satisfactory compliance with the terms and provisions of the Development Agreements. The Purchaser also acknowledges that the wires, cables and fittings comprising the cable television system serving the Condominium are (or may be) owned by the local cable television supplier, or by a company associated, affiliated with or related to the Vendor.

- (c) The Purchaser covenants and agrees to consent to the matters referred to in subparagraph 9(a) hereof and to execute all documents and do all things requisite for this purpose, either before or after the Title Transfer Date;
- (d) In the event that the Vendor is not the registered owner of the Property, the Purchaser agrees to accept a conveyance of title from the registered owner together with the owner's title covenants in lieu of the Vendor's.
- (e) The Vendor shall be entitled to insert in the Transfer/Deed of Land, specific covenants by the Purchaser pertaining to any or all of the restrictions, easements, covenants and agreements referred to herein and in the Condominium Documents, and in such case, the Purchaser may be required to deliver separate written covenants on closing. If so requested by the Vendor, the Purchaser covenants to execute all documents and instruments required to convey or confirm any of the easements, licences, covenants, agreements, and/or rights, required pursuant to this Agreement and shall observe and comply with all of the terms and provisions thereof. The Purchaser may be required to obtain a similar covenant (enforceable by and in favour of the Vendor), in any agreement entered into between the Purchaser and any subsequent transferee of the Unit.

Vendor's Lien

- 10. The Purchaser agrees that the Vendor shall have a Vendor's Lien for unpaid purchase monies on the Title Transfer Date and shall be entitled to register a Notice of Vendor's Lien against the Unit any time after the Title Transfer Date.

Partial Discharges

- 11. The Purchaser acknowledges that the Unit may be encumbered by mortgages (and collateral security thereto) which are not intended to be assumed by the Purchaser and that the Vendor shall not be obliged to obtain and register (partial) discharges of such mortgages insofar as they affect the Unit on the Title Transfer Date. The Purchaser agrees to accept the Vendor's Solicitors' undertaking to obtain and register (partial) discharges of such mortgages in respect of the Unit, as soon as reasonably possible after the Title Transfer Date subject to the Vendor or its solicitors providing to the Purchaser or the Purchaser's Solicitor the following:
 - (a) a mortgage statement or letter from the mortgagee(s) (or from their respective solicitors) confirming the amount, if any, required to be paid to the mortgagee(s) to obtain (partial) discharges of the mortgages with respect to the Unit;
 - (b) a direction from the Vendor to the Purchaser to pay such amounts to the mortgagee(s) (or to whomsoever the mortgagees may direct) on the Title Transfer Date to obtain a (partial) discharge of the mortgage(s) with respect to the Unit; and
 - (c) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to obtain and register the (partial) discharge of the mortgages with respect to the Unit upon receipt thereof and within a reasonable time following the Title Transfer Date and to advise the Purchaser or the Purchaser's Solicitor concerning registration particulars by posting same on the Internet.

Construction Lien Act

- 12. The Purchaser covenants and agrees that he/she is a "home buyer" within the meaning of the *Construction Lien Act*, R.S.O. 1990, c.C.30, and will not claim any lien holdback on the Occupancy Date or Title Transfer Date. The Vendor shall complete the remainder of the Condominium according to its schedule of completion and neither the Occupancy Date nor the Title Transfer Date shall be delayed on that account.

The Planning Act

- 13. This Agreement and the transaction arising therefrom are conditional upon compliance with the provisions of section 50 of the *Planning Act*, R.S.O. 1990, c.P.13 and any amendments thereto on or before the Title Transfer Date.

Title Transfer Date

- 14. (a) The provisions of the Taron Addendum reflect the TWC's policies, regulations and/or guidelines on extensions of the First Tentative Occupancy Date, but it is expressly understood and agreed by the parties hereto that any failure to provide notice(s) of the extension(s) of the First Tentative Occupancy Date, Subsequent Tentative Occupancy Dates or Firm Occupancy Date, in accordance with the provisions of the Taron Addendum shall only give rise to a damage claim by the Purchaser against the Vendor up to a maximum of \$7,500.00, as more particularly set forth in the Regulations to the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, as amended (the "ONHWPA"), and under no circumstances shall the Purchaser be entitled to terminate this transaction or otherwise rescind this Agreement as a result thereof, other than in accordance with the Taron Addendum.
- (b) The Vendor's Solicitors shall designate a date not less than twenty (20) days after written notice is given to the Purchaser or his or her solicitor of the registration of the Creating Documents as the Title Transfer Date. The Title Transfer Date once designated may be extended from time to time by the Vendor's Solicitors provided that it shall not be more than twenty-four (24) months following the Occupancy Date.

Purchaser's Covenants, Representations and Warranties

- 15. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Condominium and the Condominium Documents. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Title Transfer Date, including without limitation, written confirmation of the Purchaser's income and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Title Transfer Date. If the Purchaser fails to provide the mortgage approval as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Title Transfer Date.
- 16. The Purchaser acknowledges that notwithstanding any rule of law to the contrary, that by executing this Agreement, it has not acquired any equitable or legal interest in the Unit or the Property. The Purchaser covenants and agrees not to register this Agreement or notice of this Agreement or a caution, certificate of pending litigation, Purchaser's Lien, or any other document providing evidence of this Agreement against title to the Property, Unit or the Condominium and further agrees not to give, register, or permit to be registered any encumbrance against the Property, Unit or the Condominium. Should the Purchaser be in default of his or her obligations hereunder, the Vendor may, as agent and attorney of the Purchaser, cause the removal of notice of this Agreement, caution or other document providing evidence of this Agreement or any assignment thereof, from the title to the Property, Unit or the Condominium. In addition, the Vendor, at its option, shall have the right to declare this Agreement null and void in accordance with the provisions of paragraph 28 hereof. The Purchaser hereby irrevocably consents to a court order removing such notice of this Agreement, any caution, or any other document or instrument whatsoever from title to the Property, Unit or the Condominium and the Purchaser agrees to pay all of the Vendor's costs and expenses in obtaining such order (including the Vendor's Solicitor's fees on a full indemnity basis).
- 17. The Purchaser covenants and agrees with the Vendor not to list for sale, advertise for sale, offer for lease, offer for sale, sell, lease, transfer or assign his interest under this Agreement or in the Unit, not less than thirty (30) days prior to the Unit Transfer Date without first: (i)

obtaining the written consent of the Vendor, which consent will not be unreasonably withheld once the Vendor determines that ninety (90%) percent of the units in the Condominium have been sold, which determination shall be made by the Vendor in its sole and unfettered discretion; (ii) acknowledging in writing that the Purchaser shall remain fully responsible for the Purchaser's covenants, agreements and obligations contained in this Agreement; (iii) obtaining an assignment and assumption agreement from the transferee/assignee in a form acceptable to the Vendor acting reasonably; (iv) remitting payment of the sum of Two Thousand Five Hundred (\$2,500.00) Dollars (plus applicable HST) by certified cheque representing an administration fee payable to the Vendor for processing and for allowing such transfer or assignment; (v) and confirming that the listing of such sale, transfer or assignment is not, never was and will not be listed on the Toronto Real Estate Board, Multiple Listing Service ("MLS"); and (vi) obtaining the written consent or approval from any lending institution or mortgagee providing any financing to the Vendor, construction or otherwise, for the development and construction of the Condominium, in the event such consent or approval is required to be obtained by the Vendor as a condition for the advance or continued advance of any funds in respect of such financing. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement and the Occupancy License, effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. Subject to the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of an assignee. Notwithstanding the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of his or her spouse, or a member of his or her immediate family only, being limited to parents, siblings or children over the age of eighteen (18) years, and shall not be permitted to direct title to any other third parties.

18. The Purchaser acknowledges that the Vendor is (or may in the future be) processing and/or completing one or more rezoning or minor variance applications with respect to the Lands (and/or the lands adjacent thereto or in the neighbouring vicinity thereof), as well as a site plan approval/development application/draft plan of condominium approval with respect to the Lands, in order to permit the development and construction of the Condominium thereon. The Purchaser acknowledges that during the rezoning, minor variance, site plan and/or draft plan of condominium approval process, the footprint or siting of the condominium building may shift from that originally proposed or intended, the overall height of the condominium building (and the number of levels/floors, and/or the number of dwelling units comprising the Condominium) may vary, and the location of the interior of the Unit, and the Purchaser hereby expressly agrees to complete this transaction notwithstanding the foregoing, without any abatement in the Purchase Price, and without any entitlement to a claim for damages or other compensation whatsoever. The Purchaser further covenants and agrees that it shall not oppose the aforementioned zoning, minor variance and site plan/development applications, nor any other applications ancillary thereto, including without limitation, any application submitted or pursued by or on behalf of the Vendor to lawfully permit the development and registration of the Condominium, or to obtain an increase in the density coverage or the dwelling unit count (or yield) thereof, or for any other lawful purpose whatsoever, and the Purchaser expressly acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

19. The Purchaser covenants and agrees that he/she shall not interfere with the completion of other units and the common elements by the Vendor. Until the Condominium is completed and all units sold and transferred the Vendor may make such use of the Condominium as may facilitate the completion of the Condominium and sale of all the units, including, but not limited to the maintenance of a sales/rental/administration/construction office(s) and model units, and the display of signs located on the Property.

Termination without Default

20. In the event this Agreement is terminated through no fault of the Purchaser, all deposit monies paid by the Purchaser towards the Purchase Price, together with any interest required by law to be paid, shall be returned to the Purchaser, provided however, that the Vendor shall not be obligated to return any monies paid by the Purchaser as an Occupancy Fee. The Vendor shall be entitled to require the Purchaser to execute a release of any surety, lender or any other third party requested by the Vendor in its discretion prior to the return of such monies. In no event shall the Vendor or its agents be liable for any damages or costs whatsoever and without limiting the generality of the foregoing, for any loss of bargain, for any relocating costs, or for any professional or other fees paid in relation to this transaction. This provision may be pleaded by the Vendor as a complete defence to any such claim.

Tarion Warranty Corporation

21. The Vendor represents and warrants to the Purchaser that the Vendor is a registered vendor/builder with the TWC. The Purchaser acknowledges and agrees that any warranties of workmanship or materials, in respect of any aspect of the construction of the Condominium including the Unit, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to only those warranties deemed to be given by the Vendor under the ONHWPA and shall extend only for the time period and in respect of those items as stated in the ONHWPA, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement, or condition precedent to, concurrent with or in any way affecting this Agreement, the Condominium or the Unit, other than as expressed herein. The Purchaser hereby irrevocably appoints the Vendor his/her agent to complete and execute the TWC Certificate of Deposit and any excess condominium deposit insurance documentation in this regard, as required, both on its own behalf and on behalf of the Purchaser.

Right of Entry

22. Notwithstanding the Purchaser occupying the Unit on the Occupancy Date or the closing of this transaction and the delivery of title to the Unit to the Purchaser, as applicable, the Vendor or any person authorized by it shall be entitled at all reasonable times and upon reasonable prior notice to the Purchaser to enter the Unit and the common elements in order to make inspections or to do any work or replace therein or thereon which may be deemed necessary by the Vendor in connection with the Unit or the common elements and such right shall be in addition to any rights and easements created under the Act. A right of entry in favour of the Vendor for a period not exceeding five (5) years similar to the foregoing may be included in the Transfer/Deed provided on the Title Transfer Date and acknowledged by the Purchaser at the Vendor's sole discretion.

Occupancy

23. (a) The Unit shall be deemed to be substantially completed when the interior work has been finished to the minimum standards allowed by the Municipality so that the Unit may be lawfully occupied notwithstanding that there remains other work within the Unit and/or the common elements to be completed. The Purchaser shall not occupy the Unit until the Municipality has permitted same or consented thereto, if such consent is required and the Occupancy Date shall be postponed until such required consent is given. The Purchaser shall not require the Vendor to provide or produce an occupancy permit, certificate or authorization from the Municipality other than the documentation required by paragraph 8 of the Tarion Addendum. Provided that the Vendor complies with paragraph 8 of the Tarion Addendum, the Purchaser acknowledges that the failure to complete the common elements before the Occupancy Date shall not be deemed to be failure to complete the Unit, and the Purchaser agrees to complete this transaction notwithstanding any claim submitted to the Vendor and/or to the TWC in respect of apparent deficiencies or incomplete work provided, always, that such incomplete work does not prevent occupancy of the Unit as, otherwise, permitted by the Municipality.

(b) If the Unit is substantially complete and fit for occupancy on the Occupancy Date, as provided for in subparagraph (a) above, but the Creating Documents have not been registered, (or in the event the Condominium is registered prior to the Occupancy Date and closing documentation has yet to be prepared), the Purchaser shall pay to the Vendor a further amount on account of the Purchase Price specified in paragraph 1(b) hereof without adjustment save for any pro-rated portion of the Occupancy Fee described and calculated in Schedule "C", and the Purchaser shall occupy the Unit on the Occupancy Date pursuant to the Occupancy Licence attached hereto as Schedule "C".

Inspection

24. (a) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Occupancy Date, to conduct a pre-delivery inspection of the Unit (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Unit, on the TWC Certificate of Completion and Possession (the "CCP") and the PDI Form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWPA. The said CCP and PDI Forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Unit in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

Tender/Termet

29. (a) The parties waive personal tender and agree that tender, in the absence of any other mutually acceptable arrangement and subject to the provisions of paragraph 30 of this Agreement shall be validly made by the Vendor upon the Purchaser, by a representative of the Vendor attending at the offices of Harris, Sheaffer, LLP at 12:00 noon on the Title Transfer Date or the Occupancy Date as the case may be and remaining there until 5:00 p.m. and is ready, willing and able to complete the transaction. The Purchaser agrees that keys may be released to the Purchaser at the construction site or sales office on the Occupancy Date or the Title Transfer Date, as applicable. The Vendor's advice that the keys are available shall be valid tender of possession of the Property to the Purchaser. In the event the Purchaser or his or her solicitor fails to appear or appears and fails to close, such attendance by the Vendor's representative (which includes the Vendor's Solicitors) shall be deemed satisfactory evidence that the Vendor is ready, willing and able to complete the sale at such time. Payment shall be tendered by certified cheque drawn on any Canadian chartered bank; and
- (d) It is further provided that, notwithstanding subparagraph 29 (a) hereof, in the event the Purchaser or his or her solicitor advise the Vendor or its Solicitors, on or before the Occupancy Date or Title Transfer Date, as applicable, that the Purchaser is unable or unwilling to complete the purchase or take occupancy, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his or her solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.
30. As the electronic registration system (hereinafter referred to as the "Teraview Electronic Registration System" or "TERS") is operative in the applicable Land Titles Office in which the Property is registered, then at the option of the Vendor's solicitor, the following provisions shall prevail:
- (a) The Purchaser shall be obliged to retain a solicitor, who is both an authorized TERS user and in good standing with the Law Society of Upper Canada to represent the Purchaser in connection with the completion of the transaction. The Purchaser shall authorize such solicitor to, at the option of the Vendor's Solicitors, either execute an escrow closing agreement with the Vendor's Solicitor on the standard form recommended by the Law Society of Upper Canada (hereinafter referred to as the "Escrow Document Registration Agreement") establishing the procedures and timing for completing this transaction or to otherwise agree to be bound by the procedures set forth in the Escrow Document Registration Agreement.
- (b) The delivery and exchange of documents, monies and keys to the Unit and the release thereof to the Vendor and the Purchaser, as the case may be:
- (i) shall not occur contemporaneously with the registration of the Transfer/Deed (and other registrable documentation); and
- (ii) shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Escrow Document Registration Agreement.
- (c) If the Purchaser's solicitor is unwilling or unable to complete this transaction via TERS, in accordance with the provisions contemplated under the Escrow Document Registration Agreement, then said solicitor (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor, at such time on the Title Transfer Date as may be directed by the Vendor's solicitor or as mutually agreed upon, in order to complete this transaction via TERS utilizing the computer facilities in the Vendor's solicitor's office, and shall pay a fee as determined by the Vendor's solicitor, acting reasonably for the use of the Vendor's computer facilities.
- (d) The Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the Transfer/Deed to the Unit for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transfer to the vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the Transfer/Deed for registration.
- (e) Each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Unit may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original or by electronic transmission of electronically signed documents through the Internet), provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same (unless the document is an electronically signed document pursuant to the *Electronic Commerce Act*) to the recipient party by overnight courier sent the day of closing or within 7 business days of closing, if same has been so requested by the recipient party.
- (f) Notwithstanding anything contained in this agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
- (i) delivered all closing documents and/or funds to the Purchaser's solicitor in accordance with the provisions of the Escrow Document Registration Agreement and keys are made available for the Purchaser to pick up at the Vendor's sales or customer service office;
- (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of this Agreement; and
- (iii) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor, and specifically when the "completeness signatory" for the transfer/deed has been electronically "signed" by the Vendor's solicitor;
- without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents, keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing.

General

31. The Vendor shall provide a statutory declaration on the Title Transfer Date that it is not a non-resident of Canada within the meaning of the ITA.
32. The Vendor and Purchaser agree to pay the costs of registration of their own documents and any tax in connection therewith.
33. The Vendor and the Purchaser agree that there is no representation, warranty, collateral agreement or condition affecting this Agreement or the Property or supported hereby other than as expressed herein in writing.
34. This Offer and its acceptance is to be read with all changes of gender or number required by the context and the terms, provisions and conditions hereof shall be for the benefit of and be binding upon the Vendor and the Purchaser, and as the context of this Agreement permits, their respective heirs, estate trustees, successors and permitted assigns.
35. The Purchaser acknowledges that the suite area of the Unit, as may be represented or referred to by the Vendor or any sales agent, or which appear in any sales material is approximate only, and is generally measured to the outside of all exterior, corridor and stairwell walls, and to the centre line of all party walls separating one unit from another. NOTE: For more information on the method of calculating the floor area of any unit, reference should be made to Builder Bulletin No. 22 published by the TWC. Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living space within the confines of the Unit may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. In addition, the Purchaser is advised that the floor area measurements are generally calculated based on the middle floor of the Condominium building for each suite type, such that units on lower floors may have less floor space due to thicker structural members, mechanical rooms, etc., while units on higher floors may have more floor space. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Unit purchased hereunder are approximate only, and that the Purchase Price shall not be subject to any adjustment or claim for compensation whatsoever, whether based upon the ultimate square footage of the Unit, or the actual or useable living space within the confines of the Unit or otherwise. The Purchaser further acknowledges that the ceiling height of the Unit is measured from the upper surface of the concrete floor slab (or subfloor) to the underside surface of the concrete ceiling slab (or joists). However, where ceiling bulkheads are installed within the Unit, and/or where dropped ceilings are required, then the ceiling height of the Unit will be less than that

represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever.

- 36. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.
- 37. The headings of this Agreement form no part hereof and are inserted for convenience of reference only.
- 38. Each of the provisions of this Agreement shall be deemed independent and severable and the invalidity or unenforceability in whole or in part of any one or more of such provisions shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Agreement, and in such event all the other provisions of this Agreement shall continue in full force and effect as if such invalid provision had never been included herein. The Purchaser and the Vendor acknowledge and agree that this Agreement and all amendments and addenda thereto shall constitute an agreement made under seal.
- 39. (a) If any documents required to be executed and delivered by the Purchaser to the Vendor are, in fact, executed by a third party appointed as the attorney for the Purchaser, then the power of attorney appointing such person must be registered in the Land Titles office where the Lands are registered, and a duplicate registered copy thereof (together with a statutory declaration sworn by the Purchaser's solicitor unequivocally confirming, without any qualification whatsoever, that said power of attorney has not been revoked) shall be delivered to the Vendor along with such documents.
- (g) Where the Purchaser is a corporation, or where the Purchaser is buying in trust for another person or corporation for a disclosed or undisclosed beneficiary or principal (including, without limitation, a corporation to be incorporated), the execution of this Agreement by the principal or principals of such corporation, or by the person named as the Purchaser in trust as the case may be, shall be deemed and construed to constitute the personal indemnity of such person or persons so signing with respect to the obligations of the Purchaser herein and shall be fully liable to the Vendor for the Purchaser's obligations under this Agreement and may not plead such agency, trust relationship or any other relationships as a defence to such liability.

Notice

- 40. (a) Any notice required to be delivered under the provisions of the Taron Addendum shall be delivered in the manner required by paragraph 14 of the Taron Addendum.
- (b) Any other notice given pursuant to the terms of this Agreement shall be deemed to have been properly given if it is in writing and is delivered by hand, ordinary prepaid post, facsimile transmission or electronic mail to the attention of the Purchaser or to the Purchaser's solicitor to their respective addresses indicated herein or to the address of the Unit after the Occupancy Date and to the Vendor at 8791 Woodbine Avenue, Suite 100, Markham, Ontario, L3R 0P4, or to the Vendor's Solicitors at the address indicated in this Agreement or such other address as may from time to time be given by notice in accordance with the foregoing. Such notice shall be deemed to have been received on the day it was delivered by hand, by electronic mail or by facsimile transmission and upon the third day following posting, excluding Saturdays, Sundays and statutory holidays. This agreement or any amendment or addendum thereto may, at the Vendor's option, be properly delivered if it delivered by facsimile transmission or if a copy of same is computer scanned and forwarded by electronic mail to the other party.

Material Change

- 41. The Purchaser acknowledges and agrees that the Vendor may, from time to time in its sole discretion, due to site conditions or constraints, or for marketing considerations, or for any other legitimate reason, including without limitation any request or requirement of any of the governmental authorities or any request or requirement of the Vendor's architect or other design consultants:
 - (h) change the Property's municipal address or numbering of the Unit (in terms of the unit number and/or level number ascribed to any one or more of the units comprising the Unit);
 - (i) change, vary or modify the plans and specifications pertaining to the Unit or the Condominium, or any portion thereof (including architectural, structural, engineering, landscaping, grading, mechanical, site servicing and/or other plans and specifications) from the plans and specifications existing at the inception of the project, or existing at the time that the Purchaser has entered into this Agreement, or as same may be illustrated in any sales brochure(s), model(s) in the sales office or otherwise, including without limitation, making any change to the total number of dwelling, parking, locker and/or other ancillary units intended to be created within the Condominium, and/or any change to the total number of levels or floors within the Condominium, as well as any changes or alterations to the design, style, size and/or configuration of any dwelling or other ancillary units within the Condominium;
 - (j) change, vary, or modify the number, size and location of any windows, column(s) and/or bulkhead(s) within or adjacent to (or comprising part of) the Unit, from the number, size and/or location of same as displayed or illustrated in any sales brochure(s), model(s) or floor plan(s) previously delivered or shown to the Purchaser, including the insertion or placement of any window(s), column(s) and/or bulkhead(s) in one or more locations within the Unit which have not been shown or illustrated in any sales brochure(s), model(s) or floor plan(s) previously delivered or shown to the Purchaser (regardless of the extent or impact thereof), as well as the removal of any window(s), column(s) and/or bulkhead(s) from any location(s) previously shown or illustrated in any sales brochure(s), model(s) in the sales office or otherwise; and/or
 - (k) change the layout of the Unit such that same is a mirror image of the layout shown to the Purchaser (or a mirror image of the layout illustrated in any sales brochure or other marketing material(s) delivered to the Purchaser);

and that the Purchaser shall have absolutely no claim or cause of action whatsoever against the Vendor or its sales representatives (whether based on contract, tort or in equity) for any such changes, deletions, alterations or modifications, nor shall the Purchaser be entitled to any abatement or reduction in the Purchase Price whatsoever as a consequence thereof, nor any notice thereof (unless any such change, deletion, alteration or modification to the said plans and specifications is material in nature (as defined by the Act) and significantly affects the fundamental character, use or value of the Unit and/or the Condominium, in which case the Vendor shall be obliged to notify the Purchaser in writing of such change, deletion, alteration or modification as soon as reasonably possible after the Vendor proposes to implement same, or otherwise becomes aware of same), and where any such change, deletion, alteration or modification to the said plans and specifications is material in nature, then the Purchaser's only recourse and remedy shall be the termination of this Agreement prior to the Title Transfer Date (and specifically within 10 days after the Purchaser is notified or otherwise becomes aware of such material change), and the return of the Purchaser's deposit monies, together with interest accrued thereon at the rate prescribed by the Act.

Cause of Action/Assignment

- 42. (a) The Purchaser acknowledges and agrees that notwithstanding any rights which he or she might otherwise have at law or in equity arising out of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action whatsoever as a result of any matter or thing arising under or in connection with this Agreement (whether based on contract law, tort law or in equity, and whether for innocent misrepresentation, negligent misrepresentation, breach of contract, breach of fiduciary duty, breach of constructive trust or otherwise), against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be (or may ultimately be found or adjudged to be) a nominee or agent of another person, firm, corporation or other legal entity, or a trustee for and on behalf of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights, claims or causes of action against any such third parties. Furthermore, the Purchaser and the Vendor acknowledge that this Agreement shall be deemed to be a contract under seal.
- (f) At any time prior to the Title Transfer Date, the Vendor shall be permitted to assign this Agreement (and its rights, benefits and interests hereunder) to any person, firm, partnership or corporation registered as a vendor pursuant to the ONHWPA and upon any such assignee assuming all obligations under this Agreement and notifying the Purchaser or the Purchaser's solicitor of such assignment, the Vendor named herein shall be automatically released from all obligations and liabilities to the Purchaser arising from this Agreement, and said assignee shall be deemed for all purposes to be the vendor herein as if it had been an original party to this Agreement, in the place and stead of the Vendor.

Non-Merger

- 43. The covenants and agreements of each of the parties hereto shall not merge on the Title Transfer Date, but shall remain in full force and effect according to their respective terms, until all outstanding obligations of each of the parties hereto have been duly performed or fulfilled.

in accordance with the provisions of this Agreement. No further written assurances evidencing or confirming the non-merger of the covenants of either of the parties hereto shall be required or requested by or on behalf of either party hereto.

Notice/Warning Provisions

44. The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for draft plan of condominium approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "Requirements") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Condominium to major street, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that (1) on either the Occupancy Date or Title Transfer Date, as determined by the Vendor, the Purchaser shall execute any and all documents required by the Vendor acknowledging, inter alia, that the Purchaser is aware of the Requirements, and (2) if the Vendor is required to incorporate the Requirements into the final Condominium Documents the Purchaser shall accept the same, without in any way affecting this transaction. Notwithstanding the generality of the foregoing, the Purchaser agrees to be bound by the warnings set forth in Schedule "D" hereto.

Purchaser's Consent to the Collection and Limited Use of Personal Information

45. The Purchaser hereby consents to the Vendor's collection, use and disclosure of the Purchaser's personal information for the purpose of enabling the Vendor to proceed with the Purchaser's purchase of the Unit, completion of this transaction, and for post-closing and after-sales customer care purposes. SCHEDULE "C" TO AGREEMENT OF PURCHASE AND SALE

TERMS OF OCCUPANCY LICENCE

- C.1 The transfer of title to the Unit shall take place on the Title Transfer Date upon which date, unless otherwise expressly provided for hereunder, the term of this Occupancy Licence shall be terminated.
- C.2 The Purchaser shall pay or have paid to the Vendor, on or before the Occupancy Date, by certified cheque drawn on a Canadian chartered bank the amount set forth in paragraph 1(b) of this Agreement without adjustment. Upon payment of such amount on the Occupancy Date, the Vendor grants to the Purchaser a licence to occupy the Unit from the Occupancy Date.
- C.3 The Purchaser shall pay to the Vendor the Occupancy Fee calculated as follows:
 - (a) the amount of interest payable in respect of the unpaid balance of the Purchase Price at the prescribed rate;
 - (b) an amount reasonably estimated by the Vendor on a monthly basis for municipal realty taxes attributable by the Vendor to the Unit; and
 - (c) the projected monthly common expense contribution for the Unit;

as an occupancy charge on the first day of each month in advance during Interim Occupancy, no part of which shall be credited as payments on account of the Purchase Price, but which payments shall be a charge for occupancy only. If the Occupancy Date is not the first day of the month, the Purchaser shall pay on the Occupancy Date a pro rata amount for the balance of the month by certified funds. The Purchaser shall deliver to the Vendor on or before the Occupancy Date a series of post-dated cheques as required by the Vendor for payment of the estimated monthly Occupancy Fee. The Occupancy Fee may be recalculated by the Vendor, from time to time based on revised estimates of the items which may be lawfully taken into account in the calculation thereof and the Purchaser shall pay to the Vendor such revised Occupancy Fee following notice from the Vendor. With respect to taxes, the Purchaser agrees that the amount estimated by the Vendor on account of municipal realty taxes attributed to the Unit shall be subject to recalculation based upon the real property tax assessment or reassessment of the Units and/or Condominium, issued by the municipality after the Title Transfer Date and the municipal tax mill rate in effect as at the date such assessment or reassessment is issued. The Occupancy Fee shall thereupon be recalculated by the Vendor and any amount owing by one party to the other shall be paid upon demand.
- C.3 The Purchaser shall be allowed to remain in occupancy of the Unit during Interim Occupancy provided the terms of this Occupancy Licence and the Agreement have been observed and performed by the Purchaser. In the event the Purchaser breaches the terms of occupancy the Vendor in its sole discretion and without limitation of any other rights or remedies provided for in this Agreement or at law may terminate this Agreement and revoke the Occupancy Licence whereupon the Purchaser shall be deemed a trespasser and shall give up vacant possession forthwith. The Vendor may take whatever steps it deems necessary to obtain vacant possession and the Purchaser shall reimburse the Vendor for all costs it may incur.
- C.4 At or prior to the time that the Purchaser takes possession of the Unit, the Purchaser shall execute and deliver to the Vendor any documents, directions, acknowledgments, assumption agreements or any and all other documents required by the Vendor pursuant to this Agreement, in the same manner as if the closing of the transaction was taking place at that time.
- C.5 The Purchaser shall pay the monthly Occupancy Fee during Interim Occupancy and the Vendor shall destroy all unused post-dated Occupancy Fee cheques on or shortly after the Title Transfer Date.
- C.6 The Purchaser agrees to maintain the Unit in a clean and sanitary condition and not to make any alterations, improvements or additions thereto without the prior written approval of the Vendor which may be unreasonably withheld. The Purchaser shall be responsible for all utility, telephone expenses, cable television service, or other charges and expenses billed directly to the occupant of the Unit by the supplier of such services and not the responsibility of the Corporation under the Condominium Documents.
- C.7 The Purchaser's occupancy of the Unit shall be governed by the provisions of the Condominium Documents and the provisions of this Agreement. The Unit may only be occupied and used in accordance with the Condominium Documents and for no other purpose.
- C.8 The Vendor covenants to proceed with all due diligence and dispatch to register the Creating Documents. If the Vendor for any reason whatsoever is unable to register the Creating Documents and therefore is unable to deliver a registrable Transfer/Deed to the Purchaser within twenty-four (24) months after the Occupancy Date, the Purchaser or Vendor shall have the right after such twenty-four (24) month period to give sixty (60) days written notice to the other, of an intention to terminate the Occupancy Licence and this Agreement. If the Vendor and Purchaser consent to termination, the Purchaser shall give up vacant possession and pay the Occupancy Fee to such date, after which this Agreement and Occupancy Licence shall be terminated and all moneys paid to the Vendor on account of the Purchase Price shall be returned to the Purchaser together with interest required by the Act, subject however, to any repair and redecorating expenses of the Vendor necessary to restore the Unit to its original state of occupancy, reasonable wear and tear excepted. The Purchaser and Vendor each agree to provide a release of this Agreement in the Vendor's standard form. If the Vendor and Purchaser do not consent to termination, the provisions of subsection 79(3) of the Act may be invoked by the Vendor.
- C.9 The Vendor and the Purchaser covenant and agree, notwithstanding the taking of possession, that all terms hereunder continue to be binding upon them and that the Vendor may enforce the provisions of the Occupancy Licence separate and apart from the purchase and sale provisions of this Agreement.
- C.10 The Purchaser acknowledges that the Vendor holds a fire insurance policy on the Condominium including all aspects of a standard unit only and not on any improvements or betterments made by or on behalf of the Purchaser. It is the responsibility of the Purchaser, after the Occupancy Date to insure the improvements or betterments to the Unit and to replace and/or repair same if they are removed, injured or destroyed. The Vendor is not liable for the Purchaser's loss occasioned by fire, theft or other casualty, unless caused by the Vendor's willful conduct.
- C.11 The Purchaser agrees to indemnify the Vendor for all losses, costs and expenses incurred as a result of the Purchaser's neglect, damage or use of the Unit or the Condominium, or by reason of injury to any person or property in or upon the Unit or the Condominium resulting from the negligence of the Purchaser, members of his immediate family, servants, agents, invitees, tenants, contractors and licensees. The Purchaser agrees that should the Vendor elect to repair or redecorate all or any part of the Unit or the Condominium as a result of the Purchaser's neglect, damage or use of the Unit or Condominium, he will immediately reimburse the Vendor for the cost of doing same, the determination of need for such repairs or redecoration shall be at the discretion of the Vendor, and such costs may be added to the Purchase Price.
- C.12 In accordance with subsections 80(6)(d) and (e) of the Act, subject to strict compliance by the Purchaser with the requirements of occupancy set forth in this Agreement, the Purchaser shall not have the right to assign, sublet or in any other manner dispose of the Occupancy Licence during Interim Occupancy without the prior written consent of the Vendor which consent may be arbitrarily withheld. SCHEDULE "D" TO AGREEMENT OF PURCHASE AND SALE

WARNING CLAUSES

- (a) The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for draft plan of condominium approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "Requirements") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Condominium to major street, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that (1) on either the Occupancy Date or the Title Transfer Date, the Purchaser shall execute any and all documents required by the Vendor acknowledging, inter alia, that the Purchaser is aware of the Requirements, and (2) if the Vendor is required to incorporate the Requirements into the final Condominium Documents the Purchaser shall accept the same, without in any way affecting this transaction.
- (b) The Purchaser is hereby advised that noise levels caused by the Condominium's mechanical equipment, the loading and unloading of tractor trailers in the adjacent commercial condominium and the daily operation of businesses within Units in the adjacent condominium corporation may occasionally cause noise and inconvenience to Unit occupants.
- (c) The Purchaser is hereby advised that the Vendor's builder's risk and/or comprehensive liability insurance (effective prior to the registration of the Condominium), and the Condominium's master insurance policy (effective from and after the registration of the Condominium) will only cover the common elements and the standard unit and will not cover any betterments or improvements made to the standard unit, nor any furnishings or personal belongings of the Purchaser or other residents of the Unit, and accordingly the Purchaser should arrange for his or her own insurance coverage with respect to same, effective from and after the Occupancy Date, all at the Purchaser's sole cost and expense.
- (d) The Purchaser acknowledges and agrees that the Vendor (and any of its authorized agents, representatives and/or contractors), as well as one or more authorized representatives of the Condominium, shall be permitted to enter the Unit after the Occupancy Date, from time to time, in order to enable the Vendor to correct outstanding deficiencies or incomplete work for which the Vendor is responsible, and to enable the Condominium to inspect the condition or state of repair of the Unit and undertake or complete any requisite repairs thereto (which the owner of the Unit has failed to do) in accordance with the Act.
- (e) Purchasers are advised that noise and/or odour levels from surrounding commercial and/or industrial businesses, may be of concern and occasionally interfere with some activities of the Unit occupants as the sound levels may exceed the Municipality's and the Ministry of Environment's noise criteria.
- (f) The Purchaser acknowledges being advised of the following notices:
 - (i) Despite the best efforts of the York Region Public School Board, sufficient accommodation may not be locally available for all students anticipated from the development area and that students may be accommodated in facilities outside the area, and further, the students may later be transferred.
 - (ii) Purchasers agree for the purpose of transportation to school if bussing is provided by the York Region Public School Board in accordance with the Board's policy, that students will not be bussed from home to school, but will meet the bus at designated locations in or outside the area.
- (g) The Purchaser specifically acknowledges and agrees that the Condominium will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities, and that the proximity of the Condominium to major arterial roads (namely, Kennedy Road and Highway 407), as well as to public transit services, and railways may result in noise and/or vibration transmissions to the Property, and cause noise exposure levels affecting the Property to exceed the noise criteria established by the governmental authorities, and that despite the inclusion of noise control features within the Condominium, noise levels from the aforementioned sources may continue to be of concern, occasionally interfering with some activities of the residential occupants in the Condominium. The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Property on the Title Transfer Date, if, in fact, same is required by any of the governmental authorities.
- (h) The Vendor reserves the right to increase or decrease the final number of, residential, parking, and/or other ancillary units intended to be created within the Condominium, as well as the right to alter the design, style, size and/or configuration of the units ultimately comprised within the Condominium which have not yet been sold by the Vendor to any unit purchaser(s), all in the Vendor's sole discretion, and the Purchaser expressly acknowledges and agrees to the foregoing, provided that the final budget for the first year following registration of the Condominium is prepared in such a manner so that any such variance in the unit count will not affect, in any material or substantial way, the percentages of common expenses and common interests allocated and attributable to the residential, parking and/or locker units sold by the Vendor to the Purchaser. Without limiting the generality of the foregoing, the Purchaser further acknowledges and agrees that one or more units situate adjacent to one another may be combined or amalgamated prior to the registration of the Condominium, in which case the common expenses and common interests attributable to such proposed former units will be incorporated into one figure or percentage in respect of the final combined unit, and the overall unit count of the Condominium will be varied and adjusted accordingly. None of the foregoing changes or revisions (if implemented) shall in any way be considered or construed as a material change to the disclosure statement prepared and delivered by the Vendor to the Purchaser in connection with this transaction.
- (i) Purchasers are advised that the Vendor's marketing material and site drawings and renderings ("Marketing Material") which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor's design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor's obligations hereunder.
- (j) The Purchaser acknowledges and agrees that the Vendor reserves the right to add or relocate certain mechanical equipment within the Unit, including but not limited to, a heat pump system and ancillary equipment, to be located and placed along either the interior of an outside wall or an interior demising wall, in accordance with engineering and/or architectural requirements.
- (k) It is further acknowledged that one or more of the Development Agreements may require the Vendor to provide the Purchaser with certain notices, including without limitation, notices regarding such matters as land use, the maintenance of retaining walls, landscaping features and/or fencing, noise abatement features, garbage storage and pick-up, school transportation, and noise/vibration levels from adjacent roadways and/or nearby railway lines. The Purchaser agrees to be bound by the contents of any such notice(s), whether given to the Purchaser at the time that this Agreement has been entered into, or at any time thereafter up to the Title Transfer Date, and the Purchaser further covenants and agrees to execute, forthwith upon the Vendor's request, an express acknowledgment confirming the Purchaser's receipt of such notice(s) in accordance with (and in full compliance of) such provisions of the Development Agreement(s), if and when required to do so by the Vendor.
- (l) Residents of the Condominium are absolutely prohibited from altering the grading and/or drainage patterns established by the Vendor in respect of the Condominium, and subject to the provisions of the declaration, by-laws and rules of the Condominium in force from time to time, residents shall not place any fence, shrub, bush, hedge or other landscaping treatment on any portion of the common elements.

- (m) Whereas, despite the best efforts of the York Region Catholic Separate School Board, sufficient accommodation may not be available for all anticipated students from the area, you are hereby notified that students may be accommodated in temporary facilities and/or bussed to a school outside the neighbourhood, and further, that students may later be transferred to the neighbourhood school.
- (n) The Purchasers agree that for the purpose of transportation to school, the residents shall agree that children will meet the bus on roads presently in existence or at another designated place designated by the Board.
- (o) The Purchaser acknowledges that the snow removal for the site will not be completed by the local municipality. The Purchaser acknowledges that the property is subject to a Condominium Agreement which must address snow removal.
- (p) The Purchaser acknowledges that garbage removal from the site will be completed by a private contractor unless the local municipality and the Region at their discretion, agree to extend garbage and recycling service to the Condominium. Designated pickup dates and areas will be arranged.

1. Critical Dates

The First Tentative Occupancy Date, which is the date that the Vendor anticipates the condominium home will be completed and ready to move in, is: the 16th day of December, 2014.

The Vendor can delay Occupancy on one or more occasions by setting a subsequent Tentative Occupancy Date, in accordance with section 3 of the Addendum by giving proper written notice as set out in section 3.

By no later than 30 days after completion of the roof slab or of the roof trusses and sheathing, as the case may be, with 90 days prior written notice, the Vendor shall set either (i) a Final Tentative Occupancy Date; or (ii) a Firm Occupancy Date.

If the Vendor sets a Final Tentative Occupancy Date but cannot provide Occupancy by the Final Tentative Occupancy Date, then the Vendor shall set a Firm Occupancy Date that is no later than 120 days after the Final Tentative Occupancy Date, with proper written notice as set out in section 3 below.

If the Vendor cannot provide Occupancy by the Firm Occupancy Date, then the Purchaser is entitled to delayed occupancy compensation (see section 9 of the Addendum) and the Vendor must set a Delayed Occupancy Date which cannot be later than the Outside Occupancy Date.

The Outside Occupancy Date, which is the latest date by which the Vendor agrees to provide Occupancy, is: the 29th day of April, 2016.

2. Notice Period for an Occupancy Delay

Changing an Occupancy date requires proper written notice. The Vendor, without the Purchaser's consent, may delay occupancy one or more times in accordance with section 3 of the Addendum and no later than the Outside Occupancy Date.

Notice of a delay beyond the First Tentative Occupancy Date must be given no later than: the 17th day of September, 2014. (i.e., 90 days before the First Tentative Occupancy Date), or else the First Tentative Occupancy Date automatically becomes the Firm Occupancy Date.

3. Purchaser's Termination Period

If the condominium home is not complete by the Outside Occupancy Date, and the Vendor and the Purchaser have not otherwise agreed, then the Purchaser can terminate the transaction during a period of 30 days thereafter (the "Purchaser's Termination Period"), which period could end as late as: the 30th day of May, 2016.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 9, 11 and 12 of the Addendum).

Note: Anytime a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to the most recent agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 1 of the Addendum).

Acknowledged this 14 day of December, 2014.

4. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 3, can be changed only:
 - (i) by the mutual written agreement of the Vendor and Purchaser in accordance with section 5;
 - (ii) by the Vendor setting a Delayed Occupancy Date in accordance with section 6; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 7.
- (b) If a new Firm Occupancy Date is set in accordance with section 5 or 7, then the new date is the "Firm Occupancy Date" for all purposes in this Addendum.

5. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a structure for setting, extending and/or accelerating Occupancy dates, which cannot be altered contractually except as set out in this section 5 and in paragraph 7(c). For greater certainty, this Addendum does not restrict any extensions of the closing date (i.e., title transfer date) where Occupancy of the condominium home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend a Firm Occupancy Date or a Delayed Occupancy Date in each case to a new specified calendar date. The amendment must comply with the requirements of section 10.
- (c) The Vendor and Purchaser may at any time after signing the Purchase Agreement mutually agree in writing to accelerate the First Tentative Occupancy Date and correspondingly reset all the Critical Dates provided that:
 - (i) the mutual amendment is signed at least 180 days prior to the First Tentative Occupancy Date;
 - (ii) all the Critical Dates including the Outside Occupancy Date are moved forward by the same number of days (subject to adjustment so that Critical Dates fall on Business Days);
 - (iii) a new Statement of Critical Dates is signed by both parties at the time the amendment is signed and a copy is provided to the Purchaser; and
 - (iv) the Purchaser is given a three (3) Business Day period in which to review the amendment after signing and if not satisfied with the amendment may terminate the amendment (but not the balance of the Purchase Agreement), upon written notice to the Vendor within such 3-day period.Any such amendment must be by mutual agreement and, for greater certainty, neither party has any obligation to enter into such an amendment.
- (d) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (e) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

6. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 5 and 7 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 9.

6. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date (continued)

- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event no later than 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 9(c).
- (d) If a Delayed Occupancy Date is set and the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 7 or is mutually agreed upon under section 5, in which case the requirements of those sections must be met. Paragraphs 6(b) and 6(c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

7. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 10 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 10 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph 7(c), the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 9 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section must set out the revised next Critical Date and state that the setting of such date may change other future Critical Dates, as applicable, in accordance with the terms of the Addendum.

8. Building Code – Conditions of Occupancy

- (a) On or before the date of Occupancy, the Vendor shall deliver to the Purchaser:
 - (i) where a registered code agency has been appointed for the building or part of the building under the *Building Code Act* (Ontario), a final certificate with respect to the condominium home that contains the prescribed information as required by s. 11(3) of the *Building Code Act*; or
 - (ii) where a registered code agency has not been so appointed, either:
 - (A) an Occupancy Permit (as defined in paragraph (d)) for the condominium home; or
 - (B) a signed written confirmation by the Vendor that: (I) provisional or temporary occupancy of the condominium home has been authorized under Article 1.3.3.1 of Division C of the Building Code; or (II) the conditions for residential occupancy of the condominium home as set out in s. 11 of the *Building Code Act* or Article 1.3.3.2 of Division C of the Building Code, as the case may be (the "Conditions of Occupancy") have been fulfilled.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for certain Conditions of Occupancy (the "Purchaser Obligations"):
 - (i) the Purchaser may not refuse to take Occupancy on the basis that the Purchaser Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling the Conditions of Occupancy (other than the Purchaser Obligations), a signed written confirmation that the Vendor has fulfilled such Conditions of Occupancy; and
 - (iii) if the Purchaser and Vendor have agreed that the Conditions of Occupancy (other than the Purchaser Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Occupancy.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(iii), then the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(iii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 6, and delayed occupancy compensation shall be payable in accordance with section 9. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(iii) is because the Purchaser has failed to satisfy the Purchaser Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences the fact that authority to occupy the condominium home has been granted.

9. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 5 or 7), then the Vendor shall compensate the Purchaser for all costs incurred by the Purchaser as a result of the delay up to a total amount of \$7,500, which amount includes payment to the Purchaser of \$150 a day for living expenses for each day of delay until the date of Occupancy or the date of termination of the Purchase Agreement, as applicable under paragraph (b).
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraphs 11(b), (c) or (e) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the *Act*.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 6(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation within 180 days after Occupancy and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 9 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed occupancy compensation payable;

9. Delayed Occupancy Compensation (continued)

- (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
- (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.

A true copy of the acknowledgement (showing clearly the municipal address and enrolment number of the condominium home on the first page) shall be provided to Tarion by the Vendor within 30 days after execution of the acknowledgment by the parties.

- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 9(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sales transaction is terminated under paragraphs 11(b), (c) or (e) in which case, the deadline is 180 days after termination for a claim to the Vendor and one (1) year after termination for a claim to Tarion.

10. Changes to Critical Dates

- (a) Whenever the parties by mutual agreement extend or accelerate either the Firm Occupancy Date or the Delayed Occupancy Date this section applies.
- (b) If the change involves acceleration of either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement must set out each of the Critical Dates (as changed or confirmed).
- (c) If the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - (i) disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 9 above;
 - (ii) unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"); and
 - (iii) contain a statement by the Purchaser that the Purchaser waives compensation or accepts the above noted Compensation, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.
- (d) If the Purchaser for his or her own purposes requests a change of date or dates, then paragraph 10(c) shall not apply.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written consent, such written consent to be given at the time of the termination.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period, then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set by the Vendor under paragraph 6(b), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the requirements of section 2.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of delay in Occupancy alone.

12. Return of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), the Vendor shall return all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of return to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor and/or a termination agreement as a prerequisite to obtaining the return of monies payable as a result of termination of the Purchase Agreement under this paragraph.
- (b) The rate of interest payable on the Purchaser's monies shall be calculated in accordance with the *Condominium Act*.
- (c) Notwithstanding paragraphs 12(a) and 12(b), if either party initiates legal proceedings to contest termination of the Purchase Agreement or the return of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

13. Addendum Prevails

The Addendum forms part of the Purchase Agreement. The Vendor and Purchaser agree that they shall not include any provision in the Purchase Agreement or any amendment to the Purchase Agreement or any other document (or indirectly do so through replacement of the Purchase Agreement) that derogates from, conflicts with or is inconsistent with the provisions of this Addendum, except where this Addendum expressly permits the parties to agree or consent to an alternative arrangement. The provisions of this Addendum prevail over any such provision.

14. Time Periods, and How Notice Must Be Sent

- (a) Any written notice required under this Addendum may be given personally or sent by email, fax, courier or registered mail to the Purchaser or the Vendor at the address/contact numbers identified on page 2 or replacement address/contact numbers as provided in paragraph (c) below. Notices may also be sent to the solicitor for each party if necessary contact information is provided, but notices in all events must be sent to the Purchaser and Vendor, as applicable.
- (b) Written notice given by one of the means identified in paragraph (a) is deemed to be given and received: on the date of delivery or transmission, if given personally or sent by email or fax (or the next Business Day if the date of delivery or transmission is not a Business Day); on the second Business Day following the date of sending by courier; or on the fifth Business Day following the date of sending, if sent by registered mail. If a postal stoppage or interruption occurs, notices shall not be sent by registered mail, and any notice sent by registered mail within 5 Business Days prior to the commencement of the postal stoppage or interruption must be re-sent by another means in order to be effective. For purposes of this paragraph 14(b), Business Day includes Remembrance Day, if it falls on a day other than Saturday or Sunday, and Easter Monday.
- (c) If either party wishes to receive written notice under this Addendum at an address/contact number other than those identified on page 2, the party shall send written notice of the change of address/contact number to the other party.
- (d) Time periods within which or following which any act is to be done shall be calculated by excluding the day of delivery or transmission and including the day on which the period ends.
- (e) Time periods shall be calculated using calendar days including Business Days but subject to paragraphs (f), (g) and (h) below.
- (f) Where the time for making a claim under this Addendum expires on a day that is not a Business Day, the claim may be made on the next Business Day.
- (g) Prior notice periods that begin on a day that is not a Business Day shall begin on the next earlier Business Day, except that notices may be sent and/or received on Remembrance Day, if it falls on a day other than Saturday or Sunday, or Easter Monday.
- (h) Every Critical Date must occur on a Business Day. If the Vendor sets a Critical Date that occurs on a date other than a Business Day, the Critical Date is deemed to be the next Business Day.

 - (iii) taken action with a view to winding up, dissolution or liquidation,
 and is not aware of any circumstances that would reasonably cause any of the foregoing representations and warranties not to be correct and valid on the Unit Transfer Date.

- (d) "CRA" means the Canada Revenue Agency or its successors;
- (e) "Creating Documents" means the declaration and description which are intended to be registered against title to the Property and which will serve to create the Condominium, as may be amended from time to time;
- (f) "Interim Occupancy" shall mean the period of time from the Occupancy Date to the Title Transfer Date;
- (g) "Occupancy Licence" shall mean the terms and conditions by which the Purchaser shall occupy the Unit during Interim Occupancy as set forth in Schedule "C" hereof;
- (h) "Occupancy Fee" shall mean the sum of money payable monthly in advance by the Purchaser to the Vendor and calculated in accordance with Schedule "C" hereof;

- (j) "TWG" means Tanton Warranty Corporation or its successors.

Finishes

4. The Purchase Price shall include those items listed on Schedule "B" attached hereto. The Purchaser acknowledges that only the items set out in Schedule "B" are included in the Purchase Price and that model suite/vingnette furnishings and appliances, decor, upgrades, artist's renderings, scale model(s), improvements, mirrors, drapes, tracks and wall coverings are for display purposes only and are not included in the Purchase Price unless specified in Schedule "B". The Purchaser agrees to attend and notify the Vendor of his/her choice of finishes within fifteen (15) days of being requested to do so by the Vendor. In the event colours and/or finishes subsequently become unavailable, the Purchaser agrees to re-attend at such time or times as requested by the Vendor or its agents, to choose from substitute colours and/or finishes. If the Purchaser fails to choose colours or finishes within the time periods requested, the Vendor may irrevocably choose the colours and finishes for the Purchaser and the Purchaser agrees to accept the Vendor's selections.

Deposits

5. (a) The Vendor shall credit the Purchaser with interest at the proscribed rate on either the Occupancy Date or Title Transfer Date at the Vendor's sole discretion on all money received by the Vendor on account of the Purchase Price from the date of deposit of the money received from time to time by the Declarant's solicitor or the trustee until the Occupancy Date. The Purchaser acknowledges and agrees that, for the purposes of subsection 81(8) of the Act, compliance with the requirement to provide written evidence, in the form prescribed by the Act, of payment of monies by or on behalf of the Purchaser on account of the Purchase Price of the Unit shall be deemed to have been sufficiently made by delivery of such written evidence to the address of the Purchaser noted in the Tanton Addendum. The Purchaser further acknowledges and agrees that any cheques provided to the Vendor on account of the Purchase Price will not be deposited and accordingly interest as prescribed by the Act will not accrue thereon, until after the expiry of the ten (10) day rescission period as provided for in section 73 of the Act (or any extension thereof as may be agreed to in writing by the Vendor). The Purchaser represents and warrants that the Purchaser is not a non-resident of Canada within the meaning of the Income Tax Act of Canada (the "ITA"). If the Purchaser is not a resident of Canada for the purposes of the ITA the Vendor shall be entitled to withhold and remit to CRA the appropriate amount of interest payable to the Purchaser on account of the deposits paid hereunder, under the ITA.
- (b) All deposits paid by the Purchaser shall be held by the Escrow Agent in a designated trust account, and shall be released only in accordance with the provisions of subsection 81(7) of the Act and the regulations thereto, as amended. Without limiting the generality of the foregoing, and for greater clarity, it is understood and agreed that with respect to any deposit monies received from the Purchaser the Escrow Agent shall be entitled to withdraw such deposit monies from said designated trust account prior to the Title Transfer Date if and only when the Vendor obtains a Certificate of Deposit from TWG for deposit monies up to Twenty Thousand (\$20,000.00) Dollars and with respect to deposit monies in excess of Twenty Thousand (\$20,000.00) Dollars, one or more excess condominium deposit insurance policies (issued by any insurer as may be selected by the Vendor, authorized to provide excess condominium deposit insurance in Ontario) insuring the deposit monies so withdrawn (or intended to be withdrawn), and delivers the said excess condominium deposit insurance policies (duly executed by or on behalf of the insurer and the Vendor) to the Escrow Agent holding the deposit monies for which said policies have been provided as security, in accordance with the provisions of section 21 of O. Reg. 48/01.

Adjustments

6. (a) Commencing as of the Occupancy Date, the Purchaser shall be responsible and be obligated to pay the following costs and/or charges in respect to the Unit:
- (i) all utility costs including electricity, gas and water (unless included as part of the common expenses); and
 - (ii) the Occupancy Fee owing by the Purchaser for Interim Occupancy prior to the Title Transfer Date (if applicable).
- (b) The Purchase Price shall be adjusted to reflect the following items, which shall be apportioned and allowed from the Title Transfer Date, with that day itself apportioned to the Purchaser:
- (iii) realty taxes (including local improvement charges pursuant to the *Local Improvement Charges Act*, if any) which may be estimated as if the Unit has been assessed as fully completed by the taxing authority for the calendar year in which the transaction is completed as well as for the following calendar year, notwithstanding the same may not have been levied or paid on the Title Transfer Date. The Vendor shall be entitled in its sole discretion to collect from the Purchaser a reasonable estimate of the taxes as part of the Occupancy Fee and/or such further amounts on the Title Transfer Date, provided all amounts so collected shall either be remitted to the relevant taxing authority on account of the Unit or held by the Vendor pending receipt of final tax bills for the Unit, following which said realty taxes shall be readjusted in accordance with subsections 80(8) and (9) of the Act; and
 - (iv) common expense contributions attributable to the Unit, with the Purchaser being obliged to provide the Vendor on or before the Title Transfer Date with a series of post-dated cheques payable to the condominium corporation for the common expense contributions attributable to the Unit, for such period of time after the Title Transfer Date as determined by the Vendor (but in no event for more than one year).
- (c) Interest on all money paid by the Purchaser on account of the Purchase Price, shall be adjusted and credited to the Purchaser in accordance with paragraph 5 of this Agreement.
- (d) The Purchaser shall, in addition to the Purchase Price, pay the following amounts to the Vendor on the Title Transfer Date:
- (i) If there are chattels involved in this transaction, the allocation of value of such chattels shall be estimated where necessary by the Vendor and retail sales tax may be collected and remitted by the Vendor or alternatively, the

Purchaser shall pay as a credit to the Vendor on the Statement of Adjustments, the provincial sales tax paid by the Vendor on account of chattels in Schedule "B";

- (ii) Any new taxes imposed on the Unit by the federal, provincial, or municipal government or any increases to existing taxes currently imposed on the Unit by such government. Without limiting the generality of any provision of this Agreement, the Purchase Price excludes provincial sales tax which may be payable on the Unit, on its own or as part of a harmonized sales tax and accordingly, if same is payable in respect of the transaction contemplated by this Agreement, it shall be paid by the Purchaser on the Unit Transfer Date in addition to the Purchase Price as an adjustment on closing or as otherwise directed by the Vendor. Without limiting the generality of the foregoing, the Purchase Price excludes Provincial Sales Tax which may be payable on the Unit which, if applicable, shall be paid by the Purchaser in addition to the Purchase Price, as aforesaid;
 - (iii) The sum of \$3,500.00 towards any development charge(s) and/or education development charge(s) assessed against or attributable to the Unit (or assessed against the Property or any portion thereof), pursuant to the *Development Charges Act, 1997, S.O. 1997*, as amended from time to time, and the *Education Act, S.O. 1997*, as amended from time to time.
 - (iv) The sum of \$2,000.00 towards any parks levy or any charges pursuant to a section 37 Agreement (pursuant to the *Planning Act*), levied, charged or otherwise imposed with respect to the Condominium, the Property or the Unit by any governmental authority;
 - (v) The cost of the TWC enrolment fee for the Unit (together with any provincial or federal taxes exigible with respect thereto);
 - (vi) The amount of \$875.00 towards the cost of water meter installations, water and sewer service connection charges and hydro and gas installation and connection or energization charges for the Unit and/or the Condominium, and where such costs or charges or any portion thereof are assessed against the Property and not the Unit separately, then the Purchaser's portion of such installation and/or connection or energization charges and costs shall be calculated by dividing the total amount of such charges and costs by the number of units in the Condominium and by charging the Purchaser in the statement of adjustments with that portion of the charges and costs. A letter from the Vendor's engineers certifying the said charges and costs shall be final and binding on the Purchaser.
 - (vii) The cost of any carbon monoxide detector installed in the Unit (if applicable);
 - (viii) The charge imposed upon the Vendor or its solicitors by the Law Society of Upper Canada upon registration of a Transfer/Deed of Land or Charge/Mortgage of Land or any other instrument;
 - (ix) A sum of Fifty (\$50.00) Dollars for each cheque tendered pursuant to paragraph 1(a) and 1(b) of this Agreement and for any cheque tendered for upgrades or any other monies paid on account of the Purchase Price up to, but not including the Title Transfer Date representing a reasonable reimbursement to the Vendor of the costs incurred or to be incurred by the Vendor in fulfillment of the requirements of subsection 81(6) of the Act.
 - (x) The Purchaser agrees to pay Two Hundred and Fifty (\$250.00) Dollars towards the cost of obtaining (partial) discharges of mortgages not intended to be assumed by the Purchaser, and
 - (xi) The Purchaser shall reimburse the Vendor for a portion of the Vendor's costs of engineering reports prepared to satisfy the requirements of TWC under Bulletin 19 with the Purchaser's portion of such costs either being equal to the percentage allocation referable to the Unit as set forth in Schedule "D" to the Declaration or by dividing same by the number of residential units in the Condominium.
- (e) In the event that the Purchaser desires to increase the amount to be paid to the Vendor's solicitors on the Occupancy Date at any time after the expiry of the initial ten (10) day statutory rescission period, or wishes to vary the manner in which the Purchaser has previously requested to take title to the Property, or wishes to add or change any unit(s) being acquired from the Vendor, then the Purchaser hereby covenants and agrees to pay to the Vendor's Solicitor the legal fees and ancillary disbursements which may be incurred by the Vendor or charged by the Vendor's Solicitors in order to implement any of the foregoing changes so requested by the Purchaser (with the Vendor's Solicitors' legal fees for implementing any such changes to any of the interim closing and/or final closing documents so requested by the Purchaser and agreed to by the Vendor being \$250.00 plus G.S.T.), but without there being any obligation whatsoever on the part of the Vendor to approve of, or to implement, any of the foregoing changes so requested.
- (f) It is further understood and agreed that the Unit may include a rental or leased furnace/HVAC system or hot water tank and associated components which would remain the property of the appropriate company or other supplier of such item, and in such event, the Purchaser shall pay the monthly rental/lease charges assessed with respect thereto from and after the Occupancy Date, and shall execute all requisite rental documents in connection therewith.
- (g) The Purchaser acknowledges that it may be required to enter into an agreement with the supplier of hydro services to the Condominium (the "Hydro Supplier") on or before the Closing Date. Furthermore, the Purchaser acknowledges that such agreement may require the Purchaser to deliver a security deposit to the Hydro Supplier prior to the Occupancy Date and the Purchaser agrees to deliver such security deposit to the Vendor on the Occupancy Date.
- (h) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to the federal goods and services tax exigible with respect to this purchase and sale transaction less the new housing rebate, if applicable (hereinafter referred to as the "GST"), and that the Vendor shall remit the GST to CRA on behalf of the Purchaser forthwith following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, in those circumstances where the Purchase Price (exclusive of the GST component thereof) is less than \$450,000.00, the Purchaser qualifies for the new housing rebate applicable pursuant to section 254 of the *Excise Tax Act* (Canada), as amended (the "Rebate"), and further warrants and confirms that the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Title Transfer Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Occupancy Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Unit as his, her or their primary place of residence, for such period of time as shall be required by the *Excise Tax Act* and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Unit. The Purchaser further warrants and represents that he or she has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Unit, save as otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's request for same (and in any event on or before the Title Transfer Date), all requisite documents and assurances that the Vendor may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the New Housing Application for Rebate of Goods and Services Tax Form as prescribed from time to time, (the "Rebate Form"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his/her interest in the Unit with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:
- (i) If the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's request for same (and in any event on or before the Title Transfer Date) the Rebate Form duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for

the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate;
or

- (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Title Transfer Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Title Transfer Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he or she is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the Rebate Form directly with (and pursue the procurement of the Rebate directly from) CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Unit before the Title Transfer Date with the express written approval of the Vendor before or after the Title Transfer Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his or her own after the Title Transfer Date, the new residential rental property rebate directly with CRA, pursuant to section 256.2 of the Excise Tax Act.

- (i) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any G.S.T. exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras or upgrades purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such G.S.T. to the Vendor in accordance with the Excise Tax Act. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Title Transfer Date (as determined by the Vendor in its sole and absolute discretion) the Reduction.
- (ii) An administration fee of TWO HUNDRED AND FIFTY (\$250.00) DOLLARS shall be charged to the Purchaser for any cheque payable hereunder delivered to the Vendor or to the Vendor's Solicitors and not accepted by the Vendor or the Vendor's Solicitor's bank for any reason. At the Vendor's option, this administration fee can be collected as an adjustment on the Title Transfer Date or together with the replacement cheque delivered by the Purchaser.

Title

- 7. The Vendor or its Solicitor shall notify the Purchaser or his/her Solicitor following registration of the Creating Documents so as to permit the Purchaser or his/her Solicitor to examine title to the Unit (the "Notification Date"). The Purchaser shall be allowed twenty (20) days from the Notification Date (the "Examination Period") to examine title to the Unit at the Purchaser's own expense and shall not call for the production of any surveys, title deeds, abstracts of title, grading certificates, occupancy permits or certificates, nor any other proof or evidence of the title or occupiability of the Unit, except such copies thereof as are in the Vendor's possession. If within the Examination Period, any valid objection to title or to any outstanding work order is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intervening acts or negotiations in respect of such objections, be null and void and the deposit monies together with the interest required by the Act to be paid after deducting any payments due to the Vendor by the Purchaser as provided for in this Agreement shall be returned to the Purchaser and the Vendor shall have no further liability or obligation hereunder and shall not be liable for any costs or damages. Save as to any valid objections so made within the Examination Period, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Unit. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by or on behalf of the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's Solicitors, and that same shall constitute a satisfactory manner of responding to the Purchaser's requisitions, thereby relieving the Vendor and the Vendor's Solicitors of the requirement to respond directly or specifically to the Purchaser's requisitions.

Direction Re: Title

- 8. The Purchaser hereby agrees to submit to the Vendor or the Vendor's Solicitors on the earlier of the Occupancy Date and twenty (20) days prior to the Title Transfer Date, a written direction as to how the Purchaser intends to take title to the Unit, including, the date(s) of birth and marital status and the Purchaser shall be required to close the transaction in the manner so advised unless the Vendor otherwise consents in writing, which consent may be arbitrarily withheld. If the Purchaser does not submit such confirmation within the required time as aforesaid the Vendor shall be entitled to tender a Transfer/Deed on the Title Transfer Date engrossed in the name of the Purchaser as shown on the face of this Agreement.

Permitted Encumbrances

- 9. (a) The Purchaser agrees to accept title subject to the following:
 - (i) the Condominium Documents, notwithstanding that they may be amended and varied from the proposed Condominium Documents in the general form attached to the Disclosure Statement delivered to the Purchaser as set out in Schedule "E";
 - (ii) registered restrictions or covenants that run with the Property, including any encroachment agreement(s) with any governmental authorities or adjacent land owner(s), provided that same are complied with as at the Title Transfer Date;
 - (iii) easements, rights-of-way and/or licences now registered (or to be registered hereafter) for the supply and installation of utility services, drainage, telephone services, electricity, gas, storm and/or sanitary sewers, water, cable television/internet, recreational and shared facilities, and/or any other service(s) to or for the benefit of the Condominium (or to any adjacent or neighbouring properties), including any easement(s) which may be required by the Vendor (or by the owner of the Property, if not one and the same as the Vendor), or by any owner(s) of adjacent or neighbouring properties, for servicing and/or access to (or entry from) such properties, together with any easement and cost-sharing agreement(s) or reciprocal agreement(s) confirming (or pertaining to) any easement or right-of-way for access, egress, support and/or servicing purposes, and/or pertaining to the sharing of any services, facilities and/or amenities with adjacent or neighbouring property owners, provided that any such easement and cost-sharing agreements or reciprocal agreements are (insofar as the obligations thereunder pertaining to the Property, or any portion thereof, are concerned) complied with as at the Title Transfer Date;
 - (iv) registered municipal agreements and registered agreements with publicly regulated utilities and/or with local ratepayer associations, including without limitation, any development, site plan, condominium, subdivision, Section 37, collateral, limiting distance, engineering and/or other municipal agreement (or similar agreements entered into with any governmental authorities including any amendments or addenda related thereto), (with all of such agreements being hereinafter collectively referred to as the "Development Agreements"), provided that same are complied with as at the Title Transfer Date, or security has been posted in such amounts and on such terms as may be required by the governmental authorities to ensure compliance therewith and/or the completion of any outstanding obligations thereunder; and
 - (v) unregistered or inchoate liens for unpaid utilities in respect of which no formal bill, account or invoice has been issued by the relevant utility authority (or if issued, the time for payment of same has not yet expired), without any claim or request by the Purchaser for any utility holdback(s) or reduction/abatement in the Purchase Price, provided that the Vendor delivers to the Purchaser the Vendor's written undertaking to pay all outstanding utility accounts owing with respect to the Property (including any amounts owing in connection with any final meter reading(s) taken on or immediately prior to the Title Transfer Date, if applicable), as soon as reasonably possible after the completion of this transaction;
- (b) It is understood and agreed that the Vendor shall not be obliged to obtain or register on title to the property a release of (or an amendment to) any of the aforementioned easements, Development Agreements, reciprocal agreements or restrictive covenants or any of the other aforementioned agreements or notices, nor shall the Vendor be obliged to have any of same deleted from the title to the Property, and the Purchaser hereby expressly acknowledges and agrees that the Purchaser shall satisfy himself or herself as to compliance therewith. The Purchaser agrees to observe and comply with the terms and provisions of the Development Agreements, and all restrictive covenants registered on title. The Purchaser further

acknowledges and agrees that the retention by the local municipality within which the Property is situate (the "Municipality"), or by any of the other governmental authorities, of security (e.g. in the form of cash, letters of credit, a performance bond, etc., satisfactory to the Municipality and/or any of the other governmental authorities) intended to guarantee the fulfillment of any outstanding obligations under the Development Agreements shall, for the purposes of the purchase and sale transaction contemplated hereunder, be deemed to be satisfactory compliance with the terms and provisions of the Development Agreements. The Purchaser also acknowledges that the wires, cables and fittings comprising the cable television system serving the Condominium are (or may be) owned by the local cable television supplier, or by a company associated, affiliated with or related to the Vendor.

- (c) The Purchaser covenants and agrees to consent to the matters referred to in subparagraph 9(a) hereof and to execute all documents and do all things requisite for this purpose, either before or after the Title Transfer Date;
- (d) In the event that the Vendor is not the registered owner of the Property, the Purchaser agrees to accept a conveyance of title from the registered owner together with the owner's title covenants in lieu of the Vendor's.
- (e) The Vendor shall be entitled to insert in the Transfer/Deed of Land, specific covenants by the Purchaser pertaining to any or all of the restrictions, easements, covenants and agreements referred to herein and in the Condominium Documents, and in such case, the Purchaser may be required to deliver separate written covenants on closing. If so requested by the Vendor, the Purchaser covenants to execute all documents and instruments required to convey or confirm any of the easements, licenses, covenants, agreements, and/or rights, required pursuant to this Agreement and shall observe and comply with all of the terms and provisions therewith. The Purchaser may be required to obtain a similar covenant (enforceable by and in favour of the Vendor), in any agreement entered into between the Purchaser and any subsequent transferee of the Unit.

Vendor's Lien

- 10. The Purchaser agrees that the Vendor shall have a Vendor's Lien for unpaid purchase monies on the Title Transfer Date and shall be entitled to register a Notice of Vendor's Lien against the Unit any time after the Title Transfer Date.

Partial Discharges

- 11. The Purchaser acknowledges that the Unit may be encumbered by mortgages (and collateral security thereto) which are not intended to be assumed by the Purchaser and that the Vendor shall not be obliged to obtain and register (partial) discharges of such mortgages insofar as they affect the Unit on the Title Transfer Date. The Purchaser agrees to accept the Vendor's Solicitors' undertaking to obtain and register (partial) discharges of such mortgages in respect of the Unit, as soon as reasonably possible after the Title Transfer Date subject to the Vendor or its solicitors providing to the Purchaser or the Purchaser's Solicitor the following:
 - (a) a mortgage statement or letter from the mortgagee(s) (or from their respective solicitors) confirming the amount, if any, required to be paid to the mortgagee(s) to obtain (partial) discharges of the mortgages with respect to the Unit;
 - (b) a direction from the Vendor to the Purchaser to pay such amounts to the mortgagee(s) (or to whomever the mortgagees may direct) on the Title Transfer Date to obtain a (partial) discharge of the mortgage(s) with respect to the Unit; and
 - (c) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to obtain and register the (partial) discharge of the mortgages with respect to the Unit upon receipt thereof and within a reasonable time following the Title Transfer Date and to advise the Purchaser or the Purchaser's Solicitor concerning registration particulars by posting same on the internet.

Construction Lien Act

- 12. The Purchaser covenants and agrees that he/she is a "home buyer" within the meaning of the *Construction Lien Act*, R.S.O. 1990, c.C.30, and will not claim any lien holdback on the Occupancy Date or Title Transfer Date. The Vendor shall complete the remainder of the Condominium according to its schedule of completion and neither the Occupancy Date nor the Title Transfer Date shall be delayed on that account.

The Planning Act

- 13. This Agreement and the transaction arising therefrom are conditional upon compliance with the provisions of section 50 of the *Planning Act*, R.S.O. 1990, c.P.13 and any amendments thereto on or before the Title Transfer Date.

Title Transfer Date

- 14. (a) The provisions of the Taron Addendum reflect the TWC's policies, regulations and/or guidelines on extensions of the First Tentative Occupancy Date, but it is expressly understood and agreed by the parties hereto that any failure to provide notice(s) of the extension(s) of the First Tentative Occupancy Date, Subsequent Tentative Occupancy Dates or Firm Occupancy Date, in accordance with the provisions of the Taron Addendum shall only give rise to a damage claim by the Purchaser against the Vendor up to a maximum of \$7,500.00, as more particularly set forth in the Regulations to the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, as amended (the "ONHWPA"), and under no circumstances shall the Purchaser be entitled to terminate this transaction or otherwise rescind this Agreement as a result thereof, other than in accordance with the Taron Addendum.
- (b) The Vendor's Solicitors shall designate a date not less than twenty (20) days after written notice is given to the Purchaser or his or her solicitor of the registration of the Creating Documents as the Title Transfer Date. The Title Transfer Date once designated may be extended from time to time by the Vendor's Solicitors provided that it shall not be more than twenty-four (24) months following the Occupancy Date.

Purchaser's Covenants, Representations and Warranties

- 15. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Condominium and the Condominium Documents. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Title Transfer Date, including without limitation, written confirmation of the Purchaser's income and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Title Transfer Date. If the Purchaser fails to provide the mortgage approval as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Title Transfer Date.
- 16. The Purchaser acknowledges that notwithstanding any rule of law to the contrary, that by executing this Agreement, it has not acquired any equitable or legal interest in the Unit or the Property. The Purchaser covenants and agrees not to register this Agreement or notice of this Agreement or a caution, certificate of pending litigation, Purchaser's Lien, or any other document providing evidence of this Agreement against title to the Property, Unit or the Condominium and further agrees not to give, register, or permit to be registered any encumbrance against the Property, Unit or the Condominium. Should the Purchaser be in default of his or her obligations hereunder, the Vendor may, as agent and attorney of the Purchaser, cause the removal of notice of this Agreement, caution or other document providing evidence of this Agreement or any assignment thereof, from the title to the Property, Unit or the Condominium. In addition, the Vendor, at its option, shall have the right to declare this Agreement null and void in accordance with the provisions of paragraph 26 hereof. The Purchaser hereby irrevocably consents to a court order removing such notice of this Agreement, any caution, or any other document or instrument whatsoever from title to the Property, Unit or the Condominium and the Purchaser agrees to pay all of the Vendor's costs and expenses in obtaining such order (including the Vendor's Solicitor's fees on a full indemnity basis).
- 17. The Purchaser covenants and agrees with the Vendor not to list for sale, advertise for sale, offer for lease, offer for sale, sell, lease, transfer or assign his interest under this Agreement or in the Unit, not less than thirty (30) days prior to the Unit Transfer Date without first (i)

obtaining the written consent of the Vendor, which consent will not be unreasonably withheld once the Vendor determines that ninety (90%) percent of the units in the Condominium have been sold, which determination shall be made by the Vendor in its sole and unfettered discretion; (ii) acknowledging in writing that the Purchaser shall remain fully responsible for the Purchaser's covenants, agreements and obligations contained in this Agreement; (iii) obtaining an assignment and assumption agreement from the transferee/assignee in a form acceptable to the Vendor acting reasonably; (iv) remitting payment of the sum of Two Thousand Five Hundred (\$2,500.00) Dollars (plus applicable GST) by certified cheque representing an administration fee payable to the Vendor for processing and for allowing such transfer or assignment; (v) and confirming that the listing of such sale, transfer or assignment is not, never was and will not be listed on the Toronto Real Estate Board, Multiple Listing Service ("MLS"); and (vi) obtaining the written consent or approval from any lending institution or mortgagee providing any financing to the Vendor, construction or otherwise, for the development and construction of the Condominium, in the event such consent or approval is required to be obtained by the Vendor as a condition for the advance or continued advance of any funds in respect of such financing. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement and the Occupancy License, effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. Subject to the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of an assignee. Notwithstanding the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of his or her spouse, or a member of his or her immediate family only, being limited to parents, siblings or children over the age of eighteen (18) years, and shall not be permitted to direct title to any other third parties.

18. The Purchaser acknowledges that the Vendor is (or may in the future be) processing and/or completing one or more rezoning or minor variance applications with respect to the Lands (and/or the lands adjacent thereto or in the neighbouring vicinity thereof), as well as a site plan approval/development application/draft plan of condominium approval with respect to the Lands, in order to permit the development and construction of the Condominium thereon. The Purchaser acknowledges that during the rezoning, minor variance, site plan and/or draft plan of condominium approval process, the footprint or siting of the condominium building may shift from that originally proposed or intended, the overall height of the condominium building (and the number of levels/floors, and/or the number of dwelling units comprising the Condominium) may vary, and the location of the Condominium's proposed amenities may likewise be altered, without adversely affecting the floor plan layout, design and size of the interior of the Unit, and the Purchaser hereby expressly agrees to complete this transaction notwithstanding the foregoing, without any abatement in the Purchase Price, and without any entitlement to a claim for damages or other compensation whatsoever. The Purchaser further covenants and agrees that it shall not oppose the aforementioned zoning, minor variance and site plan/development applications, nor any other applications ancillary thereto, including without limitation, any application submitted or pursued by or on behalf of the Vendor to lawfully permit the development and registration of the Condominium, or to obtain an increase in the density coverage or the dwelling unit count (or yield) thereof, or for any other lawful purpose whatsoever, and the Purchaser expressly acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

19. The Purchaser covenants and agrees that he/she shall not interfere with the completion of other units and the common elements by the Vendor. Until the Condominium is completed and all units sold and transferred the Vendor may make such use of the Condominium as may facilitate the completion of the Condominium and sale of all the units, including, but not limited to the maintenance of a sales/rental/administration/construction office(s) and model units, and the display of signs located on the Property.

Termination without Default

20. In the event this Agreement is terminated through no fault of the Purchaser, all deposit monies paid by the Purchaser towards the Purchase Price, together with any interest required by law to be paid, shall be returned to the Purchaser; provided however, that the Vendor shall not be obligated to return any monies paid by the Purchaser as an Occupancy Fee. The Vendor shall be entitled to require the Purchaser to execute a release of any surety, lender or any other third party requested by the Vendor in its discretion prior to the return of such monies. In no event shall the Vendor or its agents be liable for any damages or costs whatsoever and without limiting the generality of the foregoing, for any loss of bargain, for any relocating costs, or for any professional or other fees paid in relation to this transaction. This provision may be pleaded by the Vendor as a complete defence to any such claim.

Tarion Warranty Corporation

21. The Vendor represents and warrants to the Purchaser that the Vendor is a registered vendor/builder with the TWC. The Purchaser acknowledges and agrees that any warranties of workmanship or materials, in respect of any aspect of the construction of the Condominium including the Unit, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to only those warranties deemed to be given by the Vendor under the ONHWPA and shall extend only for the time period and in respect of those items as stated in the ONHWPA. It being understood and agreed that there is no representation, warranty, guarantee, collateral agreement, or condition precedent to, concurrent with or in any way affecting this Agreement, the Condominium or the Unit, other than as expressed herein. The Purchaser hereby irrevocably appoints the Vendor his/her agent to complete and execute the TWC Certificate of Deposit and any excess condominium deposit insurance documentation in this regard, as required, both on its own behalf and on behalf of the Purchaser.

Right of Entry

22. Notwithstanding the Purchaser occupying the Unit on the Occupancy Date or the closing of this transaction and the delivery of title to the Unit to the Purchaser, as applicable, the Vendor or any person authorized by it shall be entitled at all reasonable times and upon reasonable prior notice to the Purchaser to enter the Unit and the common elements in order to make inspections or to do any work or replace therein or thereon which may be deemed necessary by the Vendor in connection with the Unit or the common elements and such right shall be in addition to any rights and easements created under the Act. A right of entry in favour of the Vendor for a period not exceeding five (5) years similar to the foregoing may be included in the Transfer/Deed provided on the Title Transfer Date and acknowledged by the Purchaser at the Vendor's sole discretion.

Occupancy

23. (a) The Unit shall be deemed to be substantially completed when the interior work has been finished to the minimum standards allowed by the Municipality so that the Unit may be lawfully occupied notwithstanding that there remains other work within the Unit and/or the common elements to be completed. The Purchaser shall not occupy the Unit until the Municipality has permitted same or consented thereto, if such consent is required and the Occupancy Date shall be postponed until such required consent is given. The Purchaser shall not require the Vendor to provide or produce an occupancy permit, certificate or authorization from the Municipality other than the documentation required by paragraph 8 of the Tarion Addendum. Provided that the Vendor complies with paragraph 8 of the Tarion Addendum, the Purchaser acknowledges that the failure to complete the common elements before the Occupancy Date shall not be deemed to be failure to complete the Unit, and the Purchaser agrees to complete this transaction notwithstanding any claim submitted to the Vendor and/or to the TWC in respect of apparent deficiencies or incomplete work provided, always, that such incomplete work does not prevent occupancy of the Unit as, otherwise, permitted by the Municipality.

(b) If the Unit is substantially complete and fit for occupancy on the Occupancy Date, as provided for in subparagraph (a) above, but the Creating Documents have not been registered, (or in the event the Condominium is registered prior to the Occupancy Date and closing documentation has yet to be prepared), the Purchaser shall pay to the Vendor a further amount on account of the Purchase Price specified in paragraph 1(b) hereof without adjustment save for any pro-rated portion of the Occupancy Fee described and calculated in Schedule "C", and the Purchaser shall occupy the Unit on the Occupancy Date pursuant to the Occupancy Licence attached hereto as Schedule "C".

Inspection

24. (a) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Occupancy Date, to conduct a pre-delivery inspection of the Unit (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Unit, on the TWC Certificate of Completion and Possession (the "CCP") and the PDI Form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWPA. The said CCP and PDI Forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Unit in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

- (b) The Purchaser acknowledges that the Homeowner Information Package as defined in TWC Bulletin 42 (the "HIP") is available from TWC and that the Vendor further agrees to provide the HIP to the Purchaser or the Purchaser's designate, at or before the PDI. The Purchaser or the Purchaser's designate agrees to execute and provide to the Vendor the Confirmation of Receipt of the HIP forthwith upon receipt of the HIP.
- (c) The Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority appointing such designate for PDI prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly.
- (d) In the event the Purchaser and/or the Purchaser's designate fails to attend the PDI or fails to execute the CCP and PDI Forms at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement of Purchase and Sale and/or at law. Alternatively, the Vendor may, at its option, complete the within transaction but not provide the keys to the Unit to the Purchaser until the CCP and PDI Forms have been executed by the Purchaser and/or its designate or complete the within transaction and complete the CCP and PDI Forms on behalf of the Purchaser and/or the Purchaser's designate and the Purchaser hereby irrevocably appoints the Vendor the Purchaser's attorney and/or agent and/or designate to complete the CCP and PDI Forms on the Purchaser's behalf and the Purchaser shall be bound as if the Purchaser or the Purchaser's designate had executed the CCP and PDI Forms.
- (e) In the event the Purchaser and/or the Purchaser's designate fails to execute the Confirmation of Receipt of the HIP forthwith upon receipt thereof, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement of Purchase and Sale and/or at law.

Purchaser's Default

- 25. (a) In the event that the Purchaser is in default with respect to any of his or her obligations contained in this Agreement (other than paragraph 2(d) hereof) or in the Occupancy License on or before the Title Transfer Date and fails to remedy such default forthwith, if such default is a monetary default and/or pertains to the execution and delivery of documentation required to be given to the Vendor on the Occupancy Date or the Title Transfer Date, or within five (5) days of the Purchaser being so notified in writing with respect to any other non-monetary default, then the Vendor, in addition to (and without prejudice to) any other rights or remedies available to the Vendor (at law or in equity) may, at its sole option, unilaterally suspend all of the Purchaser's rights, benefits and privileges contained herein (including without limitation, the right to make colour and finish selections with respect to the Unit as hereinbefore provided or contemplated), and/or unilaterally declare this Agreement and the Occupancy License to be terminated and of no further force or effect. All monies paid hereunder (including the deposit monies paid or agreed to be paid by the Purchaser pursuant to this Agreement which sums shall be accelerated on demand of the Vendor), together with any interest earned thereon and monies paid or payable for extras or upgrades or changes ordered by the Purchaser, whether or not installed in the Dwelling, shall be forfeited to the Vendor. The Purchaser agrees that the forfeiture of the aforesaid monies shall not be a penalty and it shall not be necessary for the Vendor to prove it suffered any damages in order for the Vendor to be able to retain the aforesaid monies. The Vendor shall in such event still be entitled to claim damages from the Purchaser in addition to any monies forfeited to the Vendor. The aforesaid retention of monies is in addition to (and without prejudice to) any other rights or remedies available to the Vendor at law or in equity. In the event of the termination of this Agreement and/or the Occupancy License by reason of the Purchaser's default as aforesaid, then the Purchaser shall be obliged to forthwith vacate the Unit (or cause same to be forthwith vacated) if same has been occupied (and shall leave the Unit in a clean condition, without any physical or cosmetic damages thereto, and clear of all garbage, debris and any furnishings and/or belongings of the Purchaser), and shall execute such releases and any other documents or assurances as the Vendor may require, in order to confirm that the Purchaser does not have (and the Purchaser hereby covenants and agrees that he/she does not have) any legal, equitable or proprietary interest whatsoever in the Unit and/or the Property (or any portion thereof) prior to the completion of this transaction and the payment of the entire Purchase Price to the Vendor or the Vendor's solicitors as hereinbefore provided, and in the event the Purchaser fails or refuses to execute same, the Purchaser hereby appoints the Vendor to be his or her lawful attorney in order to execute such releases, documents and assurances in the Purchaser's name, place and stead, and in accordance with the provisions of the Powers of Attorney Act, R.S.O. 1990, as amended, the Purchaser hereby declares that this power of attorney may be exercised by the Vendor during any subsequent legal incapacity on the part of the Purchaser. In the event the Vendor's Solicitors or an Escrow Agent is/are holding any of the deposits in trust pursuant to this Agreement, then in the event of default as aforesaid, the Purchaser hereby releases the said solicitors or Escrow Agent from any obligation to hold the deposit monies, in trust, and shall not make any claim whatsoever against the said solicitors or Escrow Agent and the Purchaser hereby irrevocably directs and authorizes the said solicitors or Escrow Agent to deliver the said deposit monies and accrued interest, if any, to the Vendor.
- (f) Notwithstanding subparagraph (a) above, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which are due and payable by the Purchaser to the Vendor pursuant to this Agreement are not made and/or paid on the date due, but are subsequently accepted by the Vendor, notwithstanding the Purchaser's default, then such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to eight (8%) percent per annum above the bank rate as defined in subsection 19(2) of O. Reg. 48/01 to the Act at the date of default.

Common Elements

- 26. The Purchaser acknowledges that the Condominium will be constructed to Ontario Building Code requirements at the time of issuance of the building permit. The Purchaser covenants and agrees the Purchaser shall have no claims against the Vendor for any equal, higher or better standards of workmanship or materials. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his/her successors in title against the Vendor. The Vendor may, from time to time, change, vary or modify in its sole discretion or at the instance of any governmental authority or mortgagee, any elevations, building specifications or site plans of any part of the Condominium, to conform with any municipal or architectural requirements related to building codes, official plan or official plan amendments, zoning by-laws, committee of adjustment and/or land division committee decisions, municipal site plan approval or architectural control. Such changes may be to the plans and specifications existing at inception of the Condominium or as they existed at the time the Purchaser entered into this Agreement, or as illustrated on any sales material, including without limitation, brochures, models or otherwise. With respect to any aspect of construction, finishing or equipment, the Vendor shall have the right, without the Purchaser's consent, to substitute materials, for those described in this Agreement or in the plans or specifications, provided the substituted materials are in the judgment of the Vendor's architect, whose determination shall be final and binding, of equal or better quality. The Purchaser shall have no claim against the Vendor for any such changes, variances or modifications nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the sale notwithstanding any such modifications.

Executions

- 27. The Purchaser agrees to provide to the Vendor's Solicitors on the Occupancy Date a clear and up-to-date Execution Certificate confirming that no executions are filed at the local Land Titles Office against the individual(s) in whose name title to the Unit is being taken.

Risk

- 28. The Unit shall be and remain at the risk of the Vendor until the Title Transfer Date, subject to the terms of the Occupancy License attached hereto as Schedule "C". If any part of the Condominium is damaged before the Creating Documents are registered, the Vendor may in its sole discretion either:
 - (a) make such repairs as are necessary to complete this transaction and, if necessary, delay the Occupancy Date in the manner permitted in paragraph 7 of the Tarion Addendum;
 - (b) terminate this Agreement and return to the Purchaser all deposit monies paid by the Purchaser to the Vendor, with interest payable under law if the damage to the Condominium has frustrated this Agreement at law; or
 - (c) apply to a court of competent jurisdiction for an order terminating the Agreement in accordance with the provisions of subsection 79(3) of the Act.

It being understood and agreed that all insurance policies and the proceeds thereof are to be for the benefit of the Vendor alone.

Tender/Terms

- 29. (a) The parties waive personal tender and agree that tender, in the absence of any other mutually acceptable arrangement and subject to the provisions of paragraph 30 of this Agreement shall be validly made by the Vendor upon the Purchaser, by a representative of the Vendor attending at the offices of Harris, Sheaffer, LLP at 12:00 noon on the Title Transfer Date or the Occupancy Date as the case may be and remaining there until 5:00 p.m. and is ready, willing and able to complete the transaction. The Purchaser agrees that keys may be released to the Purchaser as the construction site or sales office on the Occupancy Date or the Title Transfer Date, as applicable. The Vendor's advice that the keys are available shall be valid tender of possession of the Property to the Purchaser. In the event the Purchaser or his or her solicitor fails to appear or appears and fails to close, such attendance by the Vendor's representative (which includes the Vendor's Solicitors) shall be deemed satisfactory evidence that the Vendor is ready, willing and able to complete the sale at such time. Payment shall be tendered by certified cheque drawn on any Canadian chartered bank; and
 - (d) It is further provided that, notwithstanding subparagraph 29 (a) hereof, in the event the Purchaser or his or her solicitor advise the Vendor or its Solicitors, on or before the Occupancy Date or Title Transfer Date, as applicable, that the Purchaser is unable or unwilling to complete the purchase or take occupancy, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his or her solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.
30. As the electronic registration system (hereinafter referred to as the "Teraview Electronic Registration System" or ("TERS") is operative in the applicable Land Titles Office in which the Property is registered, then at the option of the Vendor's solicitor, the following provisions shall prevail:
- (a) The Purchaser shall be obliged to retain a solicitor, who is both an authorized TERS user and in good standing with the Law Society of Upper Canada to represent the Purchaser in connection with the completion of the transaction. The Purchaser shall authorize such solicitor to, at the option of the Vendor's Solicitors, either execute an escrow closing agreement with the Vendor's Solicitor on the standard form recommended by the Law Society of Upper Canada (hereinafter referred to as the "Escrow Document Registration Agreement") establishing the procedures and timing for completing this transaction or to otherwise agree to be bound by the procedures set forth in the Escrow Document Registration Agreement.
 - (b) The delivery and exchange of documents, monies and keys to the Unit and the release thereof to the Vendor and the Purchaser, as the case may be:
 - (i) shall not occur contemporaneously with the registration of the Transfer/Deed (and other registrable documentation); and
 - (ii) shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Escrow Document Registration Agreement.
 - (c) If the Purchaser's solicitor is unwilling or unable to complete this transaction via TERS, in accordance with the provisions contemplated under the Escrow Document Registration Agreement, then said solicitor (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor, at such time on the Title Transfer Date as may be directed by the Vendor's solicitor or as mutually agreed upon, in order to complete this transaction via TERS utilizing the computer facilities in the Vendor's solicitor's office, and shall pay a fee as determined by the Vendor's solicitor, acting reasonably for the use of the Vendor's computer facilities.
 - (d) The Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the Transfer/Deed to the Unit for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transfer to the vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the Transfer/Deed for registration.
 - (e) Each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Unit may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original or by electronic transmission of electronically signed documents through the Internet), provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same (unless the document is an electronically signed document pursuant to the *Electronic Commerce Act*) to the recipient party by overnight courier sent the day of closing or within 7 business days of closing, if same has been so requested by the recipient party.
 - (f) Notwithstanding anything contained in this agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
 - (i) delivered all closing documents and/or funds to the Purchaser's solicitor in accordance with the provisions of the Escrow Document Registration Agreement and keys are made available for the Purchaser to pick up at the Vendor's sales of customer service office;
 - (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of this Agreement; and
 - (iii) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor, and specifically when the "completeness signatory" for the transfer/deed has been electronically "signed" by the Vendor's solicitor,
 without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents, keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing.

General

- 31. The Vendor shall provide a statutory declaration on the Title Transfer Date that it is not a non-resident of Canada within the meaning of the ITA.
- 32. The Vendor and Purchaser agree to pay the costs of registration of their own documents and any tax in connection therewith.
- 33. The Vendor and the Purchaser agree that there is no representation, warranty, collateral agreement or condition affecting this Agreement or the Property or supported hereby other than as expressed herein in writing.
- 34. This Offer and its acceptance is to be read with all changes of gender or number required by the context and the terms, provisions and conditions hereof shall be for the benefit of and be binding upon the Vendor and the Purchaser, and as the context of this Agreement permits, their respective heirs, estate trustees, successors and permitted assigns.
- 35. The Purchaser acknowledges that the suite area of the Unit, as may be represented or referred to by the Vendor or any sales agent, or which appear in any sales material is approximate only, and is generally measured to the outside of all exterior, corridor and stairwell walls, and to the centre line of all party walls separating one unit from another. NOTE: For more information on the method of calculating the floor area of any unit, reference should be made to Builder Bulletin No. 22 published by the TWC. Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living space within the confines of the Unit may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. In addition, the Purchaser is advised that the floor area measurements are generally calculated based on the middle floor of the Condominium building for each suite type, such that units on lower floors may have less floor space due to thicker structural members, mechanical rooms, etc., while units on higher floors may have more floor space. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Unit purchased hereunder are approximate only, and that the Purchase Price shall not be subject to any adjustment or claim for compensation whatsoever, whether based upon the ultimate square footage of the Unit, or the actual or useable living space within the confines of the Unit or otherwise. The Purchaser further acknowledges that the ceiling height of the Unit is measured from the upper surface of the concrete floor slab (or subfloor) to the underside surface of the concrete ceiling slab (or joists). However, where ceiling bulkheads are installed within the Unit, and/or where dropped ceilings are required, then the ceiling height of the Unit will be less than that

represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever.

- 36. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.
- 37. The headings of this Agreement form no part hereof and are inserted for convenience of reference only.
- 38. Each of the provisions of this Agreement shall be deemed independent and severable and the invalidity or unenforceability in whole or in part of any one or more of such provisions shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Agreement, and in such event all the other provisions of this Agreement shall continue in full force and effect as if such invalid provision had never been included herein. The Purchaser and the Vendor acknowledge and agree that this Agreement and all amendments and addenda thereto shall constitute an agreement made under seal.
- 39. (a) If any documents required to be executed and delivered by the Purchaser to the Vendor are, in fact, executed by a third party appointed as the attorney for the Purchaser, then the power of attorney appointing such person must be registered in the Land Titles office where the Lands are registered, and a duplicate registered copy thereof (together with a statutory declaration sworn by the Purchaser's solicitor unequivocally confirming, without any qualification whatsoever, that said power of attorney has not been revoked) shall be delivered to the Vendor along with such documents.
- (g) Where the Purchaser is a corporation, or where the Purchaser is buying in trust for another person or corporation for a disclosed or undisclosed beneficiary or principal (including, without limitation, a corporation to be incorporated), the execution of this Agreement by the principal or principals of such corporation, or by the person named as the Purchaser in trust as the case may be, shall be deemed and construed to constitute the personal indemnity of such person or persons so signing with respect to the obligations of the Purchaser herein and shall be fully liable to the Vendor for the Purchaser's obligations under this Agreement and may not plead such agency, trust relationship or any other relationships as a defence to such liability.

Notice

- 40. (a) Any notice required to be delivered under the provisions of the Tarion Addendum shall be delivered in the manner required by paragraph 14 of the Tarion Addendum.
- (b) Any other notice given pursuant to the terms of this Agreement shall be deemed to have been properly given if it is in writing and is delivered by hand, ordinary prepaid post, facsimile transmission or electronic mail to the attention of the Purchaser or to the Purchaser's solicitor to their respective addresses indicated herein or to the address of the Unit after the Occupancy Date and to the Vendor at 8791 Woodbine Avenue, Suite 100, Markham, Ontario, L3R 0P4, or to the Vendor's Solicitors at the address indicated in this Agreement or such other address as may from time to time be given by notice in accordance with the foregoing. Such notice shall be deemed to have been received on the day it was delivered by hand, by electronic mail or by facsimile transmission and upon the third day following posting, excluding Saturdays, Sundays and statutory holidays. This agreement or any amendment or addendum thereto may, at the Vendor's option, be properly delivered if it delivered by facsimile transmission or if a copy of same is computer scanned and forwarded by electronic mail to the other party.

Material Change

41. The Purchaser acknowledges and agrees that the Vendor may, from time to time in its sole discretion, due to site conditions or constraints, or for marketing considerations, or for any other legitimate reason, including without limitation any request or requirement of any of the governmental authorities or any request or requirement of the Vendor's architect or other design consultants:

- (h) change the Property's municipal address or numbering of the Unit (in terms of the unit number and/or level number ascribed to any one or more of the units comprising the Unit);
- (i) change, vary or modify the plans and specifications pertaining to the Unit or the Condominium, or any portion thereof (including architectural, structural, engineering, landscaping, grading, mechanical, site servicing and/or other plans and specifications) from the plans and specifications existing at the inception of the project, or existing at the time that the Purchaser has entered into this Agreement, or as same may be illustrated in any sales brochure(s), model(s) in the sales office or otherwise, including without limitation, making any change to the total number of dwelling, parking, locker and/or other ancillary units intended to be created within the Condominium, and/or any change to the total number of levels or floors within the Condominium, as well as any changes or alterations to the design, style, size and/or configuration of any dwelling or other ancillary units within the Condominium;
- (j) change, vary, or modify the number, size and location of any windows, column(s) and/or bulkhead(s) within or adjacent to (or comprising part of) the Unit, from the number, size and/or location of same as displayed or illustrated in any sales brochure(s), model(s) or floor plan(s) previously delivered or shown to the Purchaser, including the insertion or placement of any window(s), column(s) and/or bulkhead(s) in one or more locations within the Unit which have not been shown or illustrated in any sales brochure(s), model(s) or floor plan(s) previously delivered or shown to the Purchaser (regardless of the extent or impact thereof), as well as the removal of any window(s), column(s) and/or bulkhead(s) from any location(s) previously shown or illustrated in any sales brochure(s), model(s) in the sales office or otherwise; and/or
- (k) change the layout of the Unit such that same is a mirror image of the layout shown to the Purchaser (or a mirror image of the layout illustrated in any sales brochure or other marketing material(s) delivered to the Purchaser);

and that the Purchaser shall have absolutely no claim or cause of action whatsoever against the Vendor or its sales representatives (whether based on contract, tort or in equity) for any such changes, deletions, alterations or modifications, nor shall the Purchaser be entitled to any abatement or reduction in the Purchase Price whatsoever as a consequence thereof, nor any notice thereof (unless any such change, deletion, alteration or modification to the said plans and specifications is material in nature (as defined by the Act) and significantly affects the fundamental character, use or value of the Unit and/or the Condominium, in which case the Vendor shall be obliged to notify the Purchaser in writing of such change, deletion, alteration or modification as soon as reasonably possible after the Vendor proposes to implement same, or otherwise becomes aware of same), and where any such change, deletion, alteration or modification to the said plans and specifications is material in nature, then the Purchaser's only recourse and remedy shall be the termination of this Agreement prior to the Title Transfer Date (and specifically within 10 days after the Purchaser is notified or otherwise becomes aware of such material change), and the return of the Purchaser's deposit monies, together with interest accrued thereon at the rate prescribed by the Act.

Cause of Action/Assignment

- 42. (a) The Purchaser acknowledges and agrees that notwithstanding any rights which he or she might otherwise have at law or in equity arising out of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action whatsoever as a result of any matter or thing arising under or in connection with this Agreement (whether based on contract law, tort law or in equity, and whether for innocent misrepresentation, negligent misrepresentation, breach of contract, breach of fiduciary duty, breach of constructive trust or otherwise), against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be (or may ultimately be found or adjudged to be) a nominee or agent of another person, firm, corporation or other legal entity, or a trustee for and on behalf of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights, claims or causes of action against any such third parties. Furthermore, the Purchaser and the Vendor acknowledge that this Agreement shall be deemed to be a contract under seal.
- (i) At any time prior to the Title Transfer Date, the Vendor shall be permitted to assign this Agreement (and its rights, benefits and interests hereunder) to any person, firm, partnership or corporation registered as a vendor pursuant to the ONHWPA and upon any such assignee assuming all obligations under this Agreement and notifying the Purchaser or the Purchaser's solicitor of such assignment, the Vendor named herein shall be automatically released from all obligations and liabilities to the Purchaser arising from this Agreement, and said assignee shall be deemed for all purposes to be the vendor herein as if it had been an original party to this Agreement, in the place and stead of the Vendor.

Non-Merger

43. The covenants and agreements of each of the parties hereto shall not merge on the Title Transfer Date, but shall remain in full force and effect according to their respective terms, until all outstanding obligations of each of the parties hereto have been duly performed or fulfilled

In accordance with the provisions of this Agreement. No further written assurances evidencing or confirming the non-merger of the covenants of either of the parties hereto shall be required or requested by or on behalf of either party hereto.

Notice/Warning Provisions

44. The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for draft plan of condominium approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "Requirements") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Condominium to major street, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that (1) on either the Occupancy Date or Title Transfer Date, as determined by the Vendor, the Purchaser shall execute any and all documents required by the Vendor acknowledging, *inter alia*, that the Purchaser is aware of the Requirements, and (2) if the Vendor is required to incorporate the Requirements into the final Condominium Documents the Purchaser shall accept the same, without in any way affecting this transaction. Notwithstanding the generality of the foregoing, the Purchaser agrees to be bound by the warnings set forth in Schedule "D" hereto.

SCHEDULE "C" TO AGREEMENT OF PURCHASE AND SALE

TERMS OF OCCUPANCY LICENCE

- C.1 The transfer of title to the Unit shall take place on the Title Transfer Date upon which date, unless otherwise expressly provided for hereunder, the term of this Occupancy Licence shall be terminated.
- C.2 The Purchaser shall pay or have paid to the Vendor, on or before the Occupancy Date, by certified cheque drawn on a Canadian chartered bank the amount set forth in paragraph 1(b) of this Agreement without adjustment. Upon payment of such amount on the Occupancy Date, the Vendor grants to the Purchaser a licence to occupy the Unit from the Occupancy Date.
- C.3 The Purchaser shall pay to the Vendor the Occupancy Fee calculated as follows:
 - (a) the amount of interest payable in respect of the unpaid balance of the Purchase Price at the prescribed rate;
 - (b) an amount reasonably estimated by the Vendor on a monthly basis for municipal realty taxes attributable by the Vendor to the Unit; and
 - (c) the projected monthly common expense contribution for the Unit.

as an occupancy charge on the first day of each month in advance during Interim Occupancy, no part of which shall be credited as payments on account of the Purchase Price, but which payments shall be a charge for occupancy only. If the Occupancy Date is not the first day of the month, the Purchaser shall pay on the Occupancy Date a pro rata amount for the balance of the month by certified funds. The Purchaser shall deliver to the Vendor on or before the Occupancy Date a series of post-dated cheques as required by the Vendor for payment of the estimated monthly Occupancy Fee. The Occupancy Fee may be recalculated by the Vendor, from time to time based on revised estimates of the items which may be lawfully taken into account in the calculation thereof and the Purchaser shall pay to the Vendor such revised Occupancy Fee following notice from the Vendor. With respect to taxes, the Purchaser agrees that the amount estimated by the Vendor on account of municipal realty taxes attributed to the Unit shall be subject to recalculation based upon the real property tax assessment or reassessment of the Units and/or Condominium, issued by the municipality after the Title Transfer Date and the municipal tax mill rate in effect as at the date such assessment or reassessment is issued. The Occupancy Fee shall thereupon be recalculated by the Vendor and any amount owing by one party to the other shall be paid upon demand.
- C.3 The Purchaser shall be allowed to remain in occupancy of the Unit during Interim Occupancy provided the terms of this Occupancy Licence and the Agreement have been observed and performed by the Purchaser. In the event the Purchaser breaches the terms of occupancy the Vendor in its sole discretion and without limitation of any other rights or remedies provided for in this Agreement or at law may terminate this Agreement and revoke the Occupancy Licence whereupon the Purchaser shall be deemed a trespasser and shall give up vacant possession forthwith. The Vendor may take whatever steps it deems necessary to obtain vacant possession and the Purchaser shall reimburse the Vendor for all costs it may incur.
- C.4 At or prior to the time that the Purchaser takes possession of the Unit, the Purchaser shall execute and deliver to the Vendor any documents, directions, acknowledgments, assumption agreements or any and all other documents required by the Vendor pursuant to this Agreement, in the same manner as if the closing of the transaction was taking place at that time.
- C.5 The Purchaser shall pay the monthly Occupancy Fee during Interim Occupancy and the Vendor shall destroy all unused post-dated Occupancy Fee cheques on or shortly after the Title Transfer Date.
- C.6 The Purchaser agrees to maintain the Unit in a clean and sanitary condition and not to make any alterations, improvements or additions thereto without the prior written approval of the Vendor which may be unreasonably withheld. The Purchaser shall be responsible for all utility, telephone expenses, cable television service, or other charges and expenses billed directly to the occupant of the Unit by the supplier of such services and not the responsibility of the Corporation under the Condominium Documents.
- C.7 The Purchaser's occupancy of the Unit shall be governed by the provisions of the Condominium Documents and the provisions of this Agreement. The Unit may only be occupied and used in accordance with the Condominium Documents and for no other purpose.
- C.8 The Vendor covenants to proceed with all due diligence and dispatch to register the Creating Documents, if the Vendor for any reason whatsoever is unable to register the Creating Documents and therefore is unable to deliver a registrable Transfer/Deed to the Purchaser within twenty-four (24) months after the Occupancy Date, the Purchaser or Vendor shall have the right after such twenty-four (24) month period to give sixty (60) days written notice to the other, of an intention to terminate the Occupancy Licence and this Agreement. If the Vendor and Purchaser consent to termination, the Purchaser shall give up vacant possession and pay the Occupancy Fee to such date. After which this Agreement and Occupancy Licence shall be terminated and all moneys paid to the Vendor on account and redecorating Price shall be returned to the Purchaser together with interest required by the Act, subject however, to any repair and redecorating expenses of the Vendor necessary to restore the Unit to its original state of occupancy, reasonable wear and tear excepted. The Purchaser and Vendor each agree to provide a release of this Agreement in the Vendor's standard form, if the Vendor and Purchaser do not consent to termination, the provisions of subsection 79(3) of the Act may be invoked by the Vendor.
- C.9 The Vendor and the Purchaser covenant and agree, notwithstanding the taking of possession, that all terms hereunder continue to be binding upon them and that the Vendor may enforce the provisions of the Occupancy Licence separate and apart from the purchase and sale provisions of this Agreement.
- C.10 The Purchaser acknowledges that the Vendor holds a fire insurance policy on the Condominium including all aspects of a standard unit only and not on any improvements or betterments made by or on behalf of the Purchaser. It is the responsibility of the Purchaser, after the Occupancy Date to insure the improvements or betterments to the Unit and to replace and/or repair same if they are removed, injured or destroyed. The Vendor is not liable for the Purchaser's loss occasioned by fire, theft or other casualty, unless caused by the Vendor's willful conduct.
- C.11 The Purchaser agrees to indemnify the Vendor for all losses, costs and expenses incurred as a result of the Purchaser's neglect, damage or use of the Unit or the Condominium, or by reason of injury to any person or property in or upon the Unit or the Condominium resulting from the negligence of the Purchaser, members of his immediate family, servants, agents, invitees, tenants, contractors and licensees. The Purchaser agrees that should the Vendor elect to repair or redecorate all or any part of the Unit or the Condominium as a result of the Purchaser's neglect, damage or use of the Unit or Condominium, he will immediately reimburse the Vendor for the cost of doing same, the determination of need for such repairs or redecoration shall be at the discretion of the Vendor, and such costs may be added to the Purchase Price.
- C.12 In accordance with subsections 80(6)(d) and (e) of the Act, subject to strict compliance by the Purchaser with the requirements of occupancy set forth in this Agreement, the Purchaser shall not have the right to assign, sublet or in any other manner dispose of the Occupancy Licence during Interim Occupancy without the prior written consent of the Vendor which consent may be arbitrarily withheld. The Purchaser acknowledges that an administrative fee will be payable to the Vendor each time the Purchaser wishes to assign, sublet or dispose of the Occupancy Licence during Interim Occupancy.
- C.13 The provisions set forth in this Agreement, unless otherwise expressly modified by the terms of the Occupancy Licence, shall be deemed to form an integral part of the Occupancy Licence. In the event the Vendor elects to terminate the Occupancy Licence pursuant to this Agreement following substantial damage to the Unit and/or the Condominium, the Occupancy Licence shall terminate forthwith upon notice from the Vendor to the Purchaser. If the Unit and/or the Condominium can be repaired within a reasonable time following damages as determined by the Vendor (but not, in any event, to exceed one hundred and eighty (180) days) and the Unit is, during such period of repairs uninhabitable, the Vendor shall proceed to carry out the necessary repairs to the Unit and/or the Condominium with all due dispatch and the Occupancy Fee shall abate during the period when the Unit remains uninhabitable; otherwise, the Purchaser shall vacate the Unit and deliver up vacant possession to the Vendor and all moneys, to the extent provided for in paragraph 20 hereof (excluding the Occupancy Fee paid to the Vendor) shall be returned to the Purchaser. It is understood and agreed that the proceeds of all insurance policies held by the Vendor are for the benefit of the Vendor alone.

SCHEDULE "D" TO AGREEMENT OF PURCHASE AND SALE

WARNING CLAUSES

- (a) The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for draft plan of condominium approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "Requirements") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Condominium to major street, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that (1) on either the Occupancy Date or the Title Transfer Date, the Purchaser shall execute any and all documents required by the Vendor acknowledging, inter alia, that the Purchaser is aware of the Requirements, and (2) if the Vendor is required to incorporate the Requirements into the final Condominium Documents the Purchaser shall accept the same, without in any way affecting this transaction.
- (b) The Purchaser is hereby advised that noise levels caused by the Condominium's mechanical equipment, the loading and unloading of tractor trailers in the adjacent commercial condominium and the daily operation of businesses within Units in the adjacent condominium corporation may occasionally cause noise and inconvenience to Unit occupants.
- (c) The Purchaser is hereby advised that the Vendor's builder's risk and/or comprehensive liability insurance (effective prior to the registration of the Condominium), and the Condominium's master insurance policy (effective from and after the registration of the Condominium) will only cover the common elements and the standard unit and will not cover any betterments or improvements made to the standard unit, nor any furnishings or personal belongings of the Purchaser or other residents of the Unit, and accordingly the Purchaser should arrange for his or her own insurance coverage with respect to same, effective from and after the Occupancy Date, all at the Purchaser's sole cost and expense.
- (d) The Purchaser acknowledges and agrees that the Vendor (and any of its authorized agents, representatives and/or contractors), as well as one or more authorized representatives of the Condominium, shall be permitted to enter the Unit after the Occupancy Date, from time to time, in order to enable the Vendor to correct outstanding deficiencies or incomplete work for which the Vendor is responsible, and to enable the Condominium to inspect the condition or state of repair of the Unit and undertake or complete any requisite repairs thereto (which the owner of the Unit has failed to do) in accordance with the Act.
- (e) Purchasers are advised that noise and/or odour levels from surrounding commercial and/or industrial businesses, may be of concern and occasionally interfere with some activities of the Unit occupants as the sound levels may exceed the Municipality's and the Ministry of Environment's noise criteria.
- (f) The Purchaser acknowledges being advised of the following notices:
- (i) Despite the best efforts of the York Region Public School Board, sufficient accommodation may not be locally available for all students anticipated from the development area and that students may be accommodated in facilities outside the area, and further, the students may later be transferred.
- (ii) Purchasers agree for the purpose of transportation to school if bussing is provided by the York Region Public School Board in accordance with the Board's policy, that students will not be bussed from home to school, but will meet the bus at designated locations in or outside the area.
- (g) The Purchaser specifically acknowledges and agrees that the Condominium will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities, and that the proximity of the Condominium to major arterial roads (namely, Kennedy Road and Highway 407), as well as to public transit services, and railways may result in noise and/or vibration transmissions to the Property, and cause noise exposure levels affecting the Property to exceed the noise criteria established by the governmental authorities, and that despite the inclusion of noise control features within the Condominium, noise levels from the aforementioned sources may continue to be of concern, occasionally interfering with some activities of the residential occupants in the Condominium. The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Property on the Title Transfer Date, if, in fact, same is required by any of the governmental authorities.
- (h) The Vendor reserves the right to increase or decrease the final number of, residential, parking, and/or other ancillary units intended to be created within the Condominium, as well as the right to alter the design, style, size and/or configuration of the units ultimately comprised within the Condominium which have not yet been sold by the Vendor to any unit purchaser(s), all in the Vendor's sole discretion, and the Purchaser expressly acknowledges and agrees to the foregoing, provided that the final budget for the first year following registration of the Condominium is prepared in such a manner so that any such variance in the unit count will not affect, in any material or substantial way, the percentages of common expenses and common interests allocated and attributable to the residential, parking and/or locker units sold by the Vendor to the Purchaser. Without limiting the generality of the foregoing, the Purchaser further acknowledges and agrees that one or more units situate adjacent to one another may be combined or amalgamated prior to the registration of the Condominium, in which case the common expenses and common interests attributable to such proposed former units will be incorporated into one figure or percentage in respect of the final combined unit, and the overall unit count of the Condominium will be varied and adjusted accordingly. None of the foregoing changes or revisions (if implemented) shall in any way be considered or construed as a material change to the disclosure statement prepared and delivered by the Vendor to the Purchaser in connection with this transaction.
- (i) Purchasers are advised that the Vendor's marketing material and site drawings and renderings ("Marketing Material") which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor's design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor's obligations hereunder.
- (j) The Purchaser acknowledges and agrees that the Vendor reserves the right to add or relocate certain mechanical equipment within the Unit, including but not limited to, a heat pump system and ancillary equipment, to be located and placed along either the interior of an outside wall or an interior demising wall, in accordance with engineering and/or architectural requirements.
- (k) It is further acknowledged that one or more of the Development Agreements may require the Vendor to provide the Purchaser with certain notices, including without limitation, notices regarding such matters as land use, the maintenance of retaining walls, landscaping features and/or fencing, noise abatement features, garbage storage and pick-up, school transportation, and noise/vibration levels from adjacent roadways and/or nearby railway lines. The Purchaser agrees to be bound by the contents of any such notice(s), whether given to the Purchaser at the time that this Agreement has been entered into, or at any time thereafter up to the Title Transfer Date, and the Purchaser further covenants and agrees to execute, forthwith upon the Vendor's request, an express acknowledgment confirming the Purchaser's receipt of such notice(s) in accordance with (and in full compliance of) such provisions of the Development Agreement(s), if and when required to do so by the Vendor.
- (l) Residents of the Condominium are absolutely prohibited from altering the grading and/or drainage patterns established by the Vendor in respect of the Condominium, and subject to the provisions of the declaration, by-laws and rules of the Condominium in force from time to time, residents shall not place any fence, shrub, bush, hedge or other landscaping treatment on any portion of the common elements.

- (m) Although the Condominium Documents reflect that the Condominium will consist of an eight (8) storey building, the Vendor intends to apply to the applicable authorities to construct a building of up to twelve (12) storeys. If the Vendor is able to obtain the right to increase the height of the building on the Property, it expects to amend its plans for the Condominium to add up to four (4) new storeys to the building immediately above one of the floors currently designated as Levels 4, 5 or 6, in which case, all levels above Levels 4, 5, or 6 as the case may be, will be raised accordingly, and the budget and Schedule "D" to the Declaration will be amended to reflect the addition of such units and levels. The Purchaser agrees to accept any such changes and acknowledges that same will not constitute a material amendment to this Agreement or to the Disclosure Statement.
- (n) Whereas, despite the best efforts of the York Region Catholic Separate School Board, sufficient accommodation may not be available for all anticipated students from the area, you are hereby notified that students may be accommodated in temporary facilities and/or bussed to a school outside the neighbourhood, and further, that students may later be transferred to the neighbourhood school.
- (o) The Purchasers agree that for the purpose of transportation to school, the residents shall agree that children will meet the bus on roads presently in existence or at another designated place designated by the Board.
- (p) The Purchaser acknowledges that the snow removal for the site will not be completed by the local municipality. The Purchaser acknowledges that the property is subject to a Condominium Agreement which must address snow removal.
- (q) The Purchaser acknowledges that garbage removal from the site will be completed by a private contractor unless the local municipality and the Region at their discretion, agree to extend garbage and recycling service to the Condominium. Designated pickup dates and areas will be arranged.

1. Critical Dates

The First Tentative Occupancy Date, which is the date that the Vendor anticipates the condominium home will be completed and ready to move in, is:

the 30th day of April, 2014.

The Vendor can delay Occupancy on one or more occasions by setting a subsequent Tentative Occupancy Date, in accordance with section 3 of the Addendum by giving proper written notice as set out in section 3.

By no later than 30 days after completion of the roof slab or of the roof trusses and sheathing, as the case may be, with 90 days prior written notice, the Vendor shall set either (i) a Final Tentative Occupancy Date; or (ii) a Firm Occupancy Date.

If the Vendor sets a Final Tentative Occupancy Date but cannot provide Occupancy by the Final Tentative Occupancy Date, then the Vendor shall set a Firm Occupancy Date that is no later than 120 days after the Final Tentative Occupancy Date, with proper written notice as set out in section 3 below.

If the Vendor cannot provide Occupancy by the Firm Occupancy Date, then the Purchaser is entitled to delayed occupancy compensation (see section 9 of the Addendum) and the Vendor must set a Delayed Occupancy Date which cannot be later than the Outside Occupancy Date.

The Outside Occupancy Date, which is the latest date by which the Vendor agrees to provide Occupancy, is:

2. Notice Period for an Occupancy Delay

Changing an Occupancy date requires proper written notice. The Vendor, without the Purchaser's consent, may delay occupancy one or more times in accordance with section 3 of the Addendum and no later than the Outside Occupancy Date.

Notice of a delay beyond the First Tentative Occupancy Date must be given no later than: (i.e., 90 days before the First Tentative Occupancy Date), or else the First Tentative Occupancy Date automatically becomes the Firm Occupancy Date.

the 30th day of January, 2014.

3. Purchaser's Termination Period

If the condominium home is not complete by the Outside Occupancy Date, and the Vendor and the Purchaser have not otherwise agreed, then the Purchaser can terminate the transaction during a period of 30 days thereafter (the "Purchaser's Termination Period"), which period could end as late as:

the 30th day of May, 2016.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 9, 11 and 12 of the Addendum).

Note: Anytime a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to the most recent agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 7 of the Addendum).

4. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 3, can be changed only:
- (i) by the mutual written agreement of the Vendor and Purchaser in accordance with section 5;
 - (ii) by the Vendor setting a Delayed Occupancy Date in accordance with section 6; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 7.
- (b) If a new Firm Occupancy Date is set in accordance with section 5 or 7, then the new date is the "Firm Occupancy Date" for all purposes in this Addendum.

5. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a structure for setting, extending and/or accelerating Occupancy dates, which cannot be altered contractually except as set out in this section 5 and in paragraph 7(c). For greater certainty, this Addendum does not restrict any extensions of the closing date (i.e., title transfer date) where Occupancy of the condominium home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend a Firm Occupancy Date or a Delayed Occupancy Date in each case to a new specified calendar date. The amendment must comply with the requirements of section 10.
- (c) The Vendor and Purchaser may at any time after signing the Purchase Agreement mutually agree in writing to accelerate the First Tentative Occupancy Date and correspondingly reset all the Critical Dates provided that:
- (i) the mutual amendment is signed at least 180 days prior to the First Tentative Occupancy Date;
 - (ii) all the Critical Dates including the Outside Occupancy Date are moved forward by the same number of days (subject to adjustment so that Critical Dates fall on Business Days);
 - (iii) a new Statement of Critical Dates is signed by both parties at the time the amendment is signed and a copy is provided to the Purchaser; and
 - (iv) the Purchaser is given a three (3) Business Day period in which to review the amendment after signing and if not satisfied with the amendment may terminate the amendment (but not the balance of the Purchase Agreement), upon written notice to the Vendor within such 3-day period.
- Any such amendment must be by mutual agreement and, for greater certainty, neither party has any obligation to enter into such an amendment.
- (d) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (e) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

6. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 5 and 7 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 9.

6. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date (continued)

- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event no later than 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 9(c).
- (d) If a Delayed Occupancy Date is set and the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 7 or is mutually agreed upon under section 5, in which case the requirements of those sections must be met. Paragraphs 6(b) and 6(c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

7. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 10 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 10 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph 7(c), the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 9 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section must set out the revised next Critical Date and state that the setting of such date may change other future Critical Dates, as applicable, in accordance with the terms of the Addendum.

8. Building Code – Conditions of Occupancy

- (a) On or before the date of Occupancy, the Vendor shall deliver to the Purchaser:
 - (i) where a registered code agency has been appointed for the building or part of the building under the *Building Code Act* (Ontario), a final certificate with respect to the condominium home that contains the prescribed information as required by s. 11(3) of the *Building Code Act*; or
 - (ii) where a registered code agency has not been so appointed, either:
 - (A) an Occupancy Permit (as defined in paragraph (d)) for the condominium home; or
 - (B) a signed written confirmation by the Vendor that: (I) provisional or temporary occupancy of the condominium home has been authorized under Article 1.3.3.1 of Division C of the *Building Code*; or (II) the conditions for residential occupancy of the condominium home as set out in s. 11 of the *Building Code Act* or Article 1.3.3.2 of Division C of the *Building Code*, as the case may be (the "Conditions of Occupancy") have been fulfilled.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for certain Conditions of Occupancy (the "Purchaser Obligations"):
 - (i) the Purchaser may not refuse to take Occupancy on the basis that the Purchaser Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling the Conditions of Occupancy (other than the Purchaser Obligations), a signed written confirmation that the Vendor has fulfilled such Conditions of Occupancy; and
 - (iii) if the Purchaser and Vendor have agreed that the Conditions of Occupancy (other than the Purchaser Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Occupancy.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(iii), then the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(iii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 6, and delayed occupancy compensation shall be payable in accordance with section 9. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(iii) is because the Purchaser has failed to satisfy the Purchaser Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences the fact that authority to occupy the condominium home has been granted.

9. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 5 or 7), then the Vendor shall compensate the Purchaser for all costs incurred by the Purchaser as a result of the delay up to a total amount of \$7,500, which amount includes payment to the Purchaser of \$150 a day for living expenses for each day of delay until the date of Occupancy or the date of termination of the Purchase Agreement, as applicable under paragraph (b).
- (b) Delayed occupancy compensation is payable only if (i) Occupancy occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraphs 11(b), (c) or (e) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 6(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation within 180 days after Occupancy and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 9 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed occupancy compensation payable;

9. Delayed Occupancy Compensation (continued)

- (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- A true copy of the acknowledgement (showing clearly the municipal address and enrolment number of the condominium home on the first page) shall be provided to Tarion by the Vendor within 30 days after execution of the acknowledgment by the parties.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 9(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sales transaction is terminated under paragraphs 11(b), (c) or (e) in which case, the deadline is 180 days after termination for a claim to the Vendor and one (1) year after termination for a claim to Tarion.

10. Changes to Critical Dates

- (a) Whenever the parties by mutual agreement extend or accelerate either the Firm Occupancy Date or the Delayed Occupancy Date this section applies.
- (b) If the change involves acceleration of either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement must set out each of the Critical Dates (as changed or confirmed).
- (c) If the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - (i) disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 9 above;
 - (ii) unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"); and
 - (iii) contain a statement by the Purchaser that the Purchaser waives compensation or accepts the above noted Compensation, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.
- (d) If the Purchaser for his or her own purposes requests a change of date or dates, then paragraph 10(c) shall not apply.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written consent, such written consent to be given at the time of the termination.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period, then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set by the Vendor under paragraph 6(b), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the requirements of section 2.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of delay in Occupancy alone.

12. Return of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), the Vendor shall return all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of return to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor and/or a termination agreement as a prerequisite to obtaining the return of monies payable as a result of termination of the Purchase Agreement under this paragraph.
- (b) The rate of interest payable on the Purchaser's monies shall be calculated in accordance with the *Condominium Act*.
- (c) Notwithstanding paragraphs 12(a) and 12(b), if either party initiates legal proceedings to contest termination of the Purchase Agreement or the return of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

13. Addendum Prevails

The Addendum forms part of the Purchase Agreement. The Vendor and Purchaser agree that they shall not include any provision in the Purchase Agreement or any amendment to the Purchase Agreement or any other document (or indirectly do so through replacement of the Purchase Agreement) that derogates from, conflicts with or is inconsistent with the provisions of this Addendum, except where this Addendum expressly permits the parties to agree or consent to an alternative arrangement. The provisions of this Addendum prevail over any such provision.

14. Time Periods, and How Notice Must Be Sent

- (a) Any written notice required under this Addendum may be given personally or sent by email, fax, courier or registered mail to the Purchaser or the Vendor at the address/contact numbers identified on page 2 or replacement address/contact numbers as provided in paragraph (c) below. Notices may also be sent to the solicitor for each party if necessary contact information is provided, but notices in all events must be sent to the Purchaser and Vendor, as applicable.
- (b) Written notice given by one of the means identified in paragraph (a) is deemed to be given and received: on the date of delivery or transmission, if given personally or sent by email or fax (or the next Business Day if the date of delivery or transmission is not a Business Day); on the second Business Day following the date of sending by courier; or on the fifth Business Day following the date of sending, if sent by registered mail. If a postal stoppage or interruption occurs, notices shall not be sent by registered mail, and any notice sent by registered mail within 5 Business Days prior to the commencement of the postal stoppage or interruption must be re-sent by another means in order to be effective. For purposes of this paragraph 14(b), Business Day includes Remembrance Day, if it falls on a day other than Saturday or Sunday, and Easter Monday.
- (c) If either party wishes to receive written notice under this Addendum at an address/contact number other than those identified on page 2, the party shall send written notice of the change of address/contact number to the other party.
- (d) Time periods within which or following which any act is to be done shall be calculated by excluding the day of delivery or transmission and including the day on which the period ends.
- (e) Time periods shall be calculated using calendar days including Business Days but subject to paragraphs (f), (g) and (h) below.
- (f) Where the time for making a claim under this Addendum expires on a day that is not a Business Day, the claim may be made on the next Business Day.
- (g) Prior notice periods that begin on a day that is not a Business Day shall begin on the next earlier Business Day, except that notices may be sent and/or received on Remembrance Day, if it falls on a day other than Saturday or Sunday, or Easter Monday.
- (h) Every Critical Date must occur on a Business Day. If the Vendor sets a Critical Date that occurs on a date other than a Business Day, the Critical Date is deemed to be the next Business Day.

The Purchaser covenants and agrees with the Vendor not to list for sale, advertise for sale, offer for lease, offer for sale, sell, lease, transfer or assign his interest under this Agreement or in the Unit, not less than thirty (30) days prior to the Unit Transfer Date without first: (i) obtaining the written consent of the Vendor, which consent will not be unreasonably withheld once the Vendor determines that ninety (90%) percent of the units in the Condominium are sold, which determination shall be made by the Vendor in its sole and unfettered discretion; (ii) acknowledging in writing that the Purchaser shall remain fully responsible for the Purchaser's covenants, agreements and obligations contained in this Agreement; (iii) obtaining an assignment and assumption agreement from the transferee/assignee in a form acceptable to the Vendor acting reasonably; (iv) remitting payment of the sum of Two Thousand Five Hundred (\$2500.00) Dollars (plus applicable GST) by certified cheque representing an administration fee payable to the Vendor for processing and for allowing such transfer or assignment; (v) and confirming that the listing of such sale, transfer or assignment is not, never was and will not be listed on the Toronto Real Estate Board, Multiple Listing Service ("MLS"); and (vi) obtaining the written consent or approval from any lending institution or mortgagee providing any financing to the Vendor, construction or otherwise, for the development and construction of the Condominium, in the event such consent or approval is required to be obtained by the Vendor as a condition for the advance or continued advance of any funds in respect of such financing. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement and the Occupancy Licence, effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. Subject to the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of his or her spouse, or a member of his or her immediate family only, being limited to parents, siblings or children over the age of eighteen (18) years, and shall not be permitted to direct title to any other third parties.

23. In the event that the Vendor performs any additional work to the Unit in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

As an alternative to assignment as aforesaid, the Purchaser shall be entitled to direct the Vendor to have title to the property drawn to and in favour of any third party so nominated by the Purchaser, and the Vendor hereby covenants and agrees to honour and comply with any such written direction of the Purchaser.

AGREEMENT OF PURCHASE AND SALE

BETWEEN: JADE-KENNEDY (RESIDENTIAL) DEVELOPMENT CORPORATION (the "Vendor") and
Dircam Properties Limited (the "Purchaser")
Unit 16, Level 12, (the "Unit") Suite PH21

It is hereby understood and agreed between the Vendor and the Purchaser that the following change(s) shall be made to the above-mentioned Agreement of Purchase and Sale, and except for such change(s) noted below, all other terms and conditions of the Agreement shall remain as stated therein, and time shall continue to be of the essence.

DELETE:

- 11. (c) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to obtain and register the (partial) discharge of the mortgages with respect to the Unit upon receipt thereof and within a reasonable time following the Title Transfer Date and to advise the Purchaser or the Purchaser's Solicitor concerning registration particulars by posting same on the internet.
- 15. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Condominium and the Condominium Documents. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Title Transfer Date, including without limitation, written confirmation of the Purchaser's income and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Title Transfer Date. If the Purchaser fails to provide the mortgage approval as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Title Transfer Date.

INSERT:

- 11. (c) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to obtain and register the (partial) discharge of the mortgages with respect to the Unit within a reasonable time following the Title Transfer Date and to advise the Purchaser or the Purchaser's Solicitor concerning registration particulars by posting same on the internet.
- 15. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Condominium and the Condominium Documents. Adjustments

6. (a) Commencing as of the Occupancy Date, the Purchaser shall be responsible and be obligated to pay the following costs and/or charges in respect to the Unit:
- (i) all utility costs including electricity, gas and water (unless included as part of the common expenses); and
 - (ii) the Occupancy Fee owing by the Purchaser for Interim Occupancy prior to the Title Transfer Date (if applicable).
- (b) The Purchase Price shall be adjusted to reflect the following items, which shall be apportioned and allowed from the Title Transfer Date, with that day itself apportioned to the Purchaser:
- (iii) realty taxes (including local improvement charges pursuant to the *Local Improvement Charges Act*, if any) which may be estimated as if the Unit has been assessed as fully completed by the taxing authority for the calendar year in which the transaction is completed as well as for the following calendar year, notwithstanding the same may not have been levied or paid on the Title Transfer Date. The Vendor shall be entitled in its sole discretion to collect from the Purchaser a reasonable estimate of the taxes as part of the Occupancy Fee and/or such further amounts on the Title Transfer Date, provided all amounts so collected shall either be remitted to the relevant taxing authority on account of the Unit or held by the Vendor pending receipt of final tax bills for the Unit, following which said realty taxes shall be readjusted in accordance with subsections 80(8) and (9) of the Act; and

- (c) Interest on all money paid by the Purchaser on account of the Purchase Price, shall be adjusted and credited to the Purchaser in accordance with paragraph 5 of this Agreement.
- (d) The Purchaser shall, in addition to the Purchase Price, pay the following amounts to the Vendor on the Title Transfer Date:

- (ii) Any new taxes imposed on the Unit by the federal, provincial, or municipal government or any increases to existing taxes currently imposed on the Unit by such government. Without limiting the generality of any provision of this Agreement, the Purchase Price excludes provincial sales tax which may be payable on the Unit, on its own or as part of a harmonized sales tax and accordingly, if same is payable in respect of the transaction contemplated by this Agreement, it shall be paid by the Purchaser on the Unit Transfer Date in addition to the Purchase Price as an adjustment on closing or as otherwise directed by the Vendor. Without limiting the generality of the foregoing, the Purchase Price excludes Provincial Sales Tax which may be payable on the Unit which, if applicable, shall be paid by the Purchaser in addition to the Purchase Price, as aforesaid;
 - (iii) The sum of \$3,500.00 towards any development charge(s) and/or education development charge(s) assessed against or attributable to the Unit (or assessed against the Property or any portion thereof), pursuant to the *Development Charges Act, 1997*, S.O. 1997, as amended from time to time, and the *Education Act, S.O. 1997*, as amended from time to time.
 - (iv) The sum of \$2,000.00 towards any parks levy or any charges pursuant to a section 37 Agreement (pursuant to the *Planning Act*), levied, charged or otherwise imposed with respect to the Condominium, the Property or the Unit by any governmental authority;
 - (v) The cost of the TWC enrolment fee for the Unit (together with any provincial or federal taxes exigible with respect thereto);
 - (vi) The amount of \$875.00 towards the cost of water meter installations, water and sewer service connection charges and hydro and gas installation and connection or energization charges for the Unit and/or the Condominium, and where such costs or charges or any portion thereof are assessed against the Property and not the Unit separately, then the Purchaser's portion of such installation and/or connection or energization charges and costs shall be calculated by dividing the total amount of such charges and costs by the number of units in the Condominium and by charging the Purchaser in the statement of adjustments with that portion of the charges and costs. A letter from the Vendor's engineers certifying the said charges and costs shall be final and binding on the Purchaser.
 - (vii) The cost of any carbon monoxide detector installed in the Unit (if applicable);
 - (viii) The charge imposed upon the Vendor or its solicitors by the Law Society of Upper Canada upon registration of a Transfer/Deed of Land or Charge/Mortgage of Land or any other instrument;
 - (ix) A sum of Fifty (\$50.00) Dollars for each cheque tendered pursuant to paragraph 1(a) and 1(b) of this Agreement and for any cheque tendered for upgrades or any other monies paid on account of the Purchase Price up to, but not including the Title Transfer Date representing a reasonable reimbursement to the Vendor of the costs incurred or to be incurred by the Vendor in fulfillment of the requirements of subsection 61(6) of the Act;
 - (x) The Purchaser agrees to pay Two Hundred and Fifty (\$250.00) Dollars towards the cost of obtaining (partial) discharges of mortgages not intended to be assumed by the Purchaser; and
 - (xi) The Purchaser shall reimburse the Vendor for a portion of the Vendor's costs of engineering reports prepared to satisfy the requirements of TWC under Bulletin 19 with the Purchaser's portion of such costs either being equal to the percentage allocation referable to the Unit as set forth in Schedule "D" to the Declaration or by dividing same by the number of residential units in the Condominium.
- (e) In the event that the Purchaser desires to increase the amount to be paid to the Vendor's solicitors on the Occupancy Date at any time after the expiry of the initial ten (10) day statutory rescission period, or wishes to vary the manner in which the Purchaser has previously requested to take title to the Property, or wishes to add or change any unit(s) being acquired from the Vendor, then the Purchaser hereby covenants and agrees to pay to the Vendor's Solicitor's the legal fees and ancillary disbursements which may be incurred by the Vendor or charged by the Vendor's Solicitors in order to implement any of the foregoing changes so requested by the Purchaser (with the Vendor's Solicitors' legal fees for implementing any such changes to any of the interim closing and/or final closing documents so requested by the Purchaser and agreed to by the Vendor being \$250.00 plus HST), but without there being any obligation whatsoever on the part of the Vendor to approve of, or to implement, any of the foregoing changes so requested.
- (f) It is further understood and agreed that the Unit may include a rental or leased furnace/HVAC system or hot water tank and associated components which would remain the property of the appropriate company or other supplier of such item, and in such event, the Purchaser shall pay the monthly rental/lease charges assessed with respect thereto from and after the Occupancy Date, and shall execute all requisite rental documents in connection therewith.
- (g) The Purchaser acknowledges that it may be required to enter into an agreement with the supplier of hydro services to the Condominium (the "Hydro Supplier") on or before the Closing Date. Furthermore, the Purchaser acknowledges that such agreement may require the Purchaser to deliver a security deposit to the Hydro Supplier prior to the Occupancy Date and the Purchaser agrees to deliver such security deposit to the Vendor on the Occupancy Date.
- (h) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and, if applicable, the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (hereinafter referred to as the "HST"), and that the Vendor shall remit the HST to CRA on behalf of the Purchaser forthwith following the completion of this transaction. The Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the *Excise Tax Act (Canada)*, as may be amended, (collectively, the "Rebate") and further warrants and represents that the Purchaser is a natural person who is acquiring the Property with the intention of being the sole beneficial owner thereof on the Title Transfer Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Occupancy Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Unit as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Unit. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Unit, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors' request for same (and in any event on or before the Title Transfer Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the "Rebate Form"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Unit with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:
- (i) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors' request for same (and in any event on or before the Title Transfer Date) the Rebate Forms duly executed by the Purchaser, together with all other requisite documents and assurances that

the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or

- (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Title Transfer Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Title Transfer Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Unit before or after the Title Transfer Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Title Transfer Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- (i) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras or upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the Excise Tax Act. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Title Transfer Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.
- (ii) An administration fee of TWO HUNDRED AND FIFTY (\$250.00) DOLLARS shall be charged to the Purchaser for any cheque payable hereunder delivered to the Vendor or to the Vendor's Solicitors and not accepted by the Vendor's or the Vendor's Solicitor's bank for any reason. At the Vendor's option, this administration fee can be collected as an adjustment on the Title Transfer Date or together with the replacement cheque delivered by the Purchaser.

Title

- 7. The Vendor or its Solicitor shall notify the Purchaser or his/her Solicitor following registration of the Creating Documents so as to permit the Purchaser or his/her Solicitor to examine title to the Unit (the "Notification Date"). The Purchaser shall be allowed twenty (20) days from the Notification Date (the "Examination Period") to examine title to the Unit at the Purchaser's own expense and shall not call for the production of any surveys, title deeds, abstracts of title, grading certificates, occupancy permits or certificates, nor any other proof or evidence of the title or occupiability of the Unit, except such copies thereof as are in the Vendor's possession. If within the Examination Period, any valid objection to title or to any outstanding work order is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intervening acts or negotiations in respect of such objections, be null and void and the deposit monies together with the interest required by the Act to be paid after deducting any payments due to the Vendor by the Purchaser as provided for in this Agreement shall be returned to the Purchaser and the Vendor shall have no further liability or obligation hereunder and shall not be liable for any costs or damages. Save as to any valid objections so made within the Examination Period, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Unit. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by or on behalf of the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's Solicitors, and that same shall constitute a satisfactory manner of responding to the Purchaser's requisitions, thereby relieving the Vendor and the Vendor's Solicitors of the requirement to respond directly or specifically to the Purchaser's requisitions.

Direction Re: Title

- 8. The Purchaser hereby agrees to submit to the Vendor or the Vendor's Solicitors on the earlier of the Occupancy Date and twenty (20) days prior to the Title Transfer Date, a written direction as to how the Purchaser intends to take title to the Unit, including, the date(s) of birth and marital status and the Purchaser shall be required to close the transaction in the manner so advised unless the Vendor otherwise consents in writing, which consent may be arbitrarily withheld. If the Purchaser does not submit such confirmation within the required time as aforesaid the Vendor shall be entitled to tender a Transfer/Deed on the Title Transfer Date engrossed in the name of the Purchaser as shown on the face of this Agreement.

Permitted Encumbrances

- 9. (a) The Purchaser agrees to accept title subject to the following:
 - (i) the Condominium Documents, notwithstanding that they may be amended and varied from the proposed Condominium Documents in the general form attached to the Disclosure Statement delivered to the Purchaser as set out in Schedule "E";
 - (ii) registered restrictions or covenants that run with the Property, including any encroachment agreement(s) with any governmental authorities or adjacent land owner(s), provided that same are complied with as at the Title Transfer Date;
 - (iii) easements, rights-of-way and/or licences now registered (or to be registered hereafter) for the supply and installation of utility services, drainage, telephone services, electricity, gas, storm and/or sanitary sewers, water, cable television/internet, recreational and shared facilities, and/or any other service(s) to or for the benefit of the Condominium (or to any adjacent or neighbouring properties), including any easement(s) which may be required by the Vendor (or by the owner of the Property, if not one and the same as the Vendor), or by any owner(s) of adjacent or neighbouring properties, for servicing and/or access to (or entry from) such properties, together with any easement and cost-sharing agreement(s) or reciprocal agreement(s) confirming (or pertaining to) any easement or right-of-way for access, egress, support and/or servicing purposes, and/or pertaining to the sharing of any services, facilities and/or amenities with adjacent or neighbouring property owners, provided that any such easement and cost-sharing agreements or reciprocal agreements are (insofar as the obligations thereunder pertaining to the Property, or any portion thereof, are concerned) complied with as at the Title Transfer Date;
 - (iv) registered municipal agreements and registered agreements with publicly regulated utilities and/or with local ratepayer associations, including without limitation, any development, site plan, condominium, subdivision, Section 37, collateral, limiting distance, engineering and/or other municipal agreement (or similar agreements entered into with any governmental authorities including any amendments or addenda related thereto), (with all of such agreements being hereinafter collectively referred to as the "Development Agreements"), provided that same are complied with as at the Title Transfer Date, or security has been posted in such amounts and on such terms as may be required by the governmental authorities to ensure compliance therewith and/or the completion of any outstanding obligations thereunder; and
 - (v) unregistered or inchoate liens for unpaid utilities in respect of which no formal bill, account or invoice has been issued by the relevant utility authority (or if issued, the time for payment of same has not yet expired), without any claim or request by the Purchaser for any utility holdback(s) or reduction/abatement in the Purchase Price, provided that the Vendor delivers to the Purchaser the Vendor's written undertaking to pay all outstanding utility accounts owing with respect to the Property (including any amounts owing in connection with any final meter reading(s) taken on or immediately prior to the Title Transfer Date, if applicable), as soon as reasonably possible after the completion of this transaction;
- (b) It is understood and agreed that the Vendor shall not be obliged to obtain or register on title to the property a release of (or an amendment to) any of the aforementioned easements, Development Agreements, reciprocal agreements or restrictive covenants or any of the other aforementioned agreements or notices, nor shall the Vendor be obliged to have any of same deleted from the title to the Property, and the Purchaser hereby expressly acknowledges and agrees that the Purchaser shall satisfy himself or herself as to compliance therewith. The Purchaser agrees to observe and comply with the terms and provisions of the Development Agreements, and all restrictive covenants registered on title. The Purchaser further

acknowledges and agrees that the retention by the local municipality within which the Property is situate (the "Municipality"), or by any of the other governmental authorities, of security (e.g. in the form of cash, letters of credit, a performance bond, etc., satisfactory to the Municipality and/or any of the other governmental authorities) intended to guarantee the fulfillment of any outstanding obligations under the Development Agreements shall, for the purposes of the purchase and sale transaction contemplated hereunder, be deemed to be satisfactory compliance with the terms and provisions of the Development Agreements. The Purchaser also acknowledges that the wires, cables and fittings comprising the cable television system serving the Condominium are (or may be) owned by the local cable television supplier, or by a company associated, affiliated with or related to the Vendor.

- (c) The Purchaser covenants and agrees to consent to the matters referred to in subparagraph 9(a) hereof and to execute all documents and do all things requisite for this purpose, either before or after the Title Transfer Date;
- (d) In the event that the Vendor is not the registered owner of the Property, the Purchaser agrees to accept a conveyance of title from the registered owner together with the owner's title covenants in lieu of the Vendor's.
- (e) The Vendor shall be entitled to insert in the Transfer/Deed of Land, specific covenants by the Purchaser pertaining to any or all of the restrictions, easements, covenants and agreements referred to herein and in the Condominium Documents, and in such case, the Purchaser may be required to deliver separate written covenants on closing. If so requested by the Vendor, the Purchaser covenants to execute all documents and instruments required to convey or confirm any of the easements, licences, covenants, agreements, and/or rights, required pursuant to this Agreement and shall observe and comply with all of the terms and provisions therewith. The Purchaser may be required to obtain a similar covenant (enforceable by and in favour of the Vendor), in any agreement entered into between the Purchaser and any subsequent transferee of the Unit.

Vendor's Lien

- 10. The Purchaser agrees that the Vendor shall have a Vendor's Lien for unpaid purchase monies on the Title Transfer Date and shall be entitled to register a Notice of Vendor's Lien against the Unit any time after the Title Transfer Date.

Partial Discharges

- 11. The Purchaser acknowledges that the Unit may be encumbered by mortgages (and collateral security thereto) which are not intended to be assumed by the Purchaser and that the Vendor shall not be obliged to obtain and register (partial) discharges of such mortgages insofar as they affect the Unit on the Title Transfer Date. The Purchaser agrees to accept the Vendor's Solicitors' undertaking to obtain and register (partial) discharges of such mortgages in respect of the Unit, as soon as reasonably possible after the Title Transfer Date subject to the Vendor or its solicitors providing to the Purchaser or the Purchaser's Solicitor the following:
 - (a) a mortgage statement or letter from the mortgagee(s) (or from their respective solicitors) confirming the amount, if any, required to be paid to the mortgagee(s) to obtain (partial) discharges of the mortgages with respect to the Unit;
 - (b) a direction from the Vendor to the Purchaser to pay such amounts to the mortgagee(s) (or to whomsoever the mortgagees may direct) on the Title Transfer Date to obtain a (partial) discharge of the mortgage(s) with respect to the Unit; and
 - (c) an undertaking from the Vendor's Solicitors to deliver such amounts to the mortgagees and to obtain and register the (partial) discharge of the mortgages with respect to the Unit upon receipt thereof and within a reasonable time following the Title Transfer Date and to advise the Purchaser or the Purchaser's Solicitor concerning registration particulars by posting same on the internet.

Construction Lien Act

- 12. The Purchaser covenants and agrees that he/she is a "home buyer" within the meaning of the *Construction Lien Act*, R.S.O. 1990, c.C.30, and will not claim any lien holdback on the Occupancy Date or Title Transfer Date. The Vendor shall complete the remainder of the Condominium according to its schedule of completion and neither the Occupancy Date nor the Title Transfer Date shall be delayed on that account.

The Planning Act

- 13. This Agreement and the transaction arising therefrom are conditional upon compliance with the provisions of section 50 of the *Planning Act*, R.S.O. 1990, c.P.13 and any amendments thereto on or before the Title Transfer Date.

Title Transfer Date

- 14. (a) The provisions of the Tarion Addendum reflect the TWC's policies, regulations and/or guidelines on extensions of the First Tentative Occupancy Date, but it is expressly understood and agreed by the parties hereto that any failure to provide notice(s) of the extension(s) of the First Tentative Occupancy Date, Subsequent Tentative Occupancy Dates or Firm Occupancy Date, in accordance with the provisions of the Tarion Addendum shall only give rise to a damage claim by the Purchaser against the Vendor up to a maximum of \$7,500.00, as more particularly set forth in the Regulations to the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, as amended (the "ONHWPA"), and under no circumstances shall the Purchaser be entitled to terminate this transaction or otherwise rescind this Agreement as a result thereof, other than in accordance with the Tarion Addendum.
- (b) The Vendor's Solicitors shall designate a date not less than twenty (20) days after written notice is given to the Purchaser or his or her solicitor of the registration of the Creating Documents as the Title Transfer Date. The Title Transfer Date once designated may be extended from time to time by the Vendor's Solicitors provided that it shall not be more than twenty-four (24) months following the Occupancy Date.

Purchaser's Covenants, Representations and Warranties

- 15. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Condominium and the Condominium Documents. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Title Transfer Date, including without limitation, written confirmation of the Purchaser's income and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Title Transfer Date. If the Purchaser fails to provide the mortgage approval as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Title Transfer Date.
- 16. The Purchaser acknowledges that notwithstanding any rule of law to the contrary, that by executing this Agreement, it has not acquired any equitable or legal interest in the Unit or the Property. The Purchaser covenants and agrees not to register this Agreement or notice of this Agreement or a caution, certificate of pending litigation, Purchaser's Lien, or any other document providing evidence of this Agreement against title to the Property, Unit or the Condominium and further agrees not to give, register, or permit to be registered any encumbrance against the Property, Unit or the Condominium. Should the Purchaser be in default of his or her obligations hereunder, the Vendor may, as agent and attorney of the Purchaser, cause the removal of notice of this Agreement, caution or other document providing evidence of this Agreement or any assignment thereof, from the title to the Property, Unit or the Condominium. In addition, the Vendor, at its option, shall have the right to declare this Agreement null and void in accordance with the provisions of paragraph 26 hereof. The Purchaser hereby irrevocably consents to a court order removing such notice of this Agreement, any caution, or any other document or instrument whatsoever from title to the Property, Unit or the Condominium and the Purchaser agrees to pay all of the Vendor's costs and expenses in obtaining such order (including the Vendor's Solicitor's fees on a full indemnity basis).
- 17. The Purchaser covenants and agrees with the Vendor not to list for sale, advertise for sale, offer for lease, offer for sale, sell, lease, transfer or assign his interest under this Agreement or in the Unit, not less than thirty (30) days prior to the Unit Transfer Date without first: (i)

obtaining the written consent of the Vendor, which consent will not be unreasonably withheld once the Vendor determines that ninety (90%) percent of the units in the Condominium have been sold, which determination shall be made by the Vendor in its sole and unfettered discretion; (f) acknowledging in writing that the Purchaser shall remain fully responsible for the Purchaser's covenants, agreements and obligations contained in this Agreement; (g) obtaining an assignment and assumption agreement from the transferee/assignee in a form acceptable to the Vendor acting reasonably; (iv) remitting payment of the sum of Two Thousand Five Hundred (\$2,500.00) Dollars (plus applicable HST) by certified cheque representing an administration fee payable to the Vendor for processing and for allowing such transfer or assignment; (v) and confirming that the listing of such sale, transfer or assignment is not, never was and will not be listed on the Toronto Real Estate Board, Multiple Listing Service ("MLS"); and (vi) obtaining the written consent or approval from any lending institution or the event such consent or approval is required to be obtained by the Vendor as a condition for the advance or continued advance of any funds in respect of such financing. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. Subject to the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of an assignee. Notwithstanding the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of his or her spouse, or a member of his or her immediate family only, being limited to parents, siblings or children over the age of eighteen (18) years, and shall not be permitted to direct title to any other third parties.

18. The Purchaser acknowledges that the Vendor is (or may in the future be) processing and/or completing one or more rezoning or minor variance applications with respect to the Lands (and/or the lands adjacent thereto or in the neighbouring vicinity thereof), as well as a site plan approval/development application/draft plan of condominium approval with respect to the Lands, in order to permit the development and construction of the Condominium thereon. The Purchaser acknowledges that during the rezoning, minor variance, site plan and/or draft plan of condominium approval process, the footprint or siting of the condominium building may shift from that originally proposed or intended, the overall height of the condominium building (and the number of levels/floors, and/or the number of dwelling units comprising the Condominium) may vary, and the location of the Condominium's proposed amenities may likewise be altered, without adversely affecting the floor plan layout, design and size of the interior of the Unit, and the Purchaser hereby expressly agrees to complete this transaction notwithstanding the foregoing, without any abatement in the Purchase Price, and without any entitlement to a claim for damages or other compensation whatsoever. The Purchaser further covenants and agrees that it shall not oppose the aforementioned zoning, minor variance and site plan/development applications, nor any other applications ancillary thereto, including without limitation, any application submitted or pursued by or on behalf of the Vendor to lawfully permit the development and registration of the Condominium, or to obtain an increase in the density coverage or the dwelling unit count (or yield) thereof, or for any other lawful purpose whatsoever, and the Purchaser expressly acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

19. The Purchaser covenants and agrees that he/she shall not interfere with the completion of other units and the common elements by the Vendor. Until the Condominium is completed and all units sold and transferred the Vendor may make such use of the Condominium as may facilitate the completion of the Condominium and sale of all the units, including, but not limited to the maintenance of a sales/rental/administration/construction office(s) and model units, and the display of signs located on the Property.

Termination without Default

20. In the event this Agreement is terminated through no fault of the Purchaser, all deposit monies paid by the Purchaser towards the Purchase Price, together with any interest required by law to be paid, shall be returned to the Purchaser; provided however, that the Vendor shall not be obligated to return any monies paid by the Purchaser as an Occupancy Fee. The Vendor shall be entitled to require the Purchaser to execute a release of any surety, lender or any other third party requested by the Vendor in its discretion prior to the return of such monies. In no event shall the Vendor or its agents be liable for any damages or costs whatsoever and without limiting the generality of the foregoing, for any loss of bargain, for any relocating costs, or for any professional or other fees paid in relation to this transaction. This provision may be pleaded by the Vendor as a complete defence to any such claim.

Tarion Warranty Corporation

21. The Vendor represents and warrants to the Purchaser that the Vendor is a registered vendor/builder with the TWC. The Purchaser acknowledges and agrees that any warranties of workmanship or materials, in respect of any aspect of the construction of the Condominium including the Unit, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to those items as stated in the ONHWPA, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement, or condition precedent to, concurrent with or in any way affecting this Agreement, the Condominium or the Unit, other than as expressed herein. The Purchaser hereby irrevocably appoints the Vendor his/her agent to complete and execute the TWC Certificate of Deposit and any excess condominium deposit insurance documentation in this regard, as required, both on its own behalf and on behalf of the Purchaser.

Right of Entry

22. Notwithstanding the Purchaser occupying the Unit on the Occupancy Date or the closing of this transaction and the delivery of title to the Unit to the Purchaser, as applicable, the Vendor or any person authorized by it shall be entitled at all reasonable times and upon reasonable prior notice to the Purchaser to enter the Unit and the common elements in order to make inspections or to do any work or replace therein or thereon which may be deemed necessary by the Vendor in connection with the Unit or the common elements and such right shall be in addition to any rights and easements created under the Act. A right of entry in favour of the Vendor for a period not exceeding five (5) years similar to the foregoing may be included in the Transfer/Deed provided on the Title Transfer Date and acknowledged by the Purchaser at the Vendor's sole discretion.

Occupancy

23. (a) The Unit shall be deemed to be substantially completed when the interior work has been finished to the minimum standards allowed by the Municipality so that the Unit may be lawfully occupied notwithstanding that there remains other work within the Unit and/or the common elements to be completed. The Purchaser shall not occupy the Unit until the Municipality has permitted same or consented thereto, if such consent is required and the Occupancy Date shall be postponed until such required consent is given. The Purchaser shall not require the Vendor to provide or produce an occupancy permit, certificate or authorization from the Municipality other than the documentation required by paragraph 8 of the Tarion Addendum. Provided that the Vendor complies with paragraph 8 of the Tarion Addendum, the Purchaser acknowledges that the failure to complete the common elements before the Occupancy Date shall not be deemed to be failure to complete the Unit, and the Purchaser agrees to complete this transaction notwithstanding any claim submitted to the Vendor and/or to the TWC in respect of apparent deficiencies or incomplete work provided, always, that such incomplete work does not prevent occupancy of the Unit as, otherwise, permitted by the Municipality.

(b) If the Unit is substantially complete and fit for occupancy on the Occupancy Date, as provided for in subparagraph (a) above, but the Creating Documents have not been registered, (or in the event the Condominium is registered prior to the Occupancy Date and closing documentation has yet to be prepared), the Purchaser shall pay to the Vendor a further amount on account of the Purchase Price specified in paragraph 1(b) hereof without adjustment save for any pro-rated portion of the Occupancy Fee described and calculated in Schedule "C", and the Purchaser shall occupy the Unit on the Occupancy Date pursuant to the Occupancy Licence attached hereto as Schedule "C".

Inspection

24. (a) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Occupancy Date, to conduct a pre-delivery inspection of the Unit (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Unit, on the TWC Certificate of Completion and Possession (the "CCP") and the PDI Form, in the forms prescribed with respect to time to time by, and required to be completed pursuant to the provisions of the ONHWPA. The said CCP and PDI Forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Unit in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

- (b) The Purchaser acknowledges that the Homeowner Information Package as defined in TWC Bulletin 42 (the "HIP") is available from TWC and that the Vendor further agrees to provide the HIP to the Purchaser or the Purchaser's designate, at or before the PDI. The Purchaser or the Purchaser's designate agrees to execute and provide to the Vendor the Confirmation of Receipt of the HIP forthwith upon receipt of the HIP.
- (c) The Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority appointing such designate for PDI prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly.
- (d) In the event the Purchaser and/or the Purchaser's designate fails to attend the PDI or fails to execute the CCP and PDI Forms at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement of Purchase and Sale and/or at law. Alternatively, the Vendor may, at its option, complete the within transaction but not provide the keys to the Unit to the Purchaser until the CCP and PDI Forms have been executed by the Purchaser and/or its designate or complete the within transaction and complete the CCP and PDI Forms on behalf of the Purchaser and/or the Purchaser's designate and the Purchaser hereby irrevocably appoints the Vendor the Purchaser's attorney and/or agent and/or designate to complete the CCP and PDI Forms on the Purchaser's behalf and the Purchaser shall be bound as if the Purchaser or the Purchaser's designate had executed the CCP and PDI Forms.
- (e) In the event the Purchaser and/or the Purchaser's designate fails to execute the Confirmation of Receipt of the HIP forthwith upon receipt thereof, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement of Purchase and Sale and/or at law.

Purchaser's Default

- 25. (a) In the event that the Purchaser is in default with respect to any of his or her obligations contained in this Agreement (other than paragraph 2(d) hereof) or in the Occupancy License on or before the Title Transfer Date and fails to remedy such default forthwith, if such default is a monetary default and/or pertains to the execution and delivery of documentation required to be given to the Vendor on the Occupancy Date or the Title Transfer Date, or within five (5) days of the Purchaser being so notified in writing with respect to any other non-monetary default, then the Vendor, in addition to (and without prejudice to) any other rights or remedies available to the Vendor (at law or in equity) may, at its sole option, unilaterally suspend all of the Purchaser's rights, benefits and privileges contained herein (including without limitation, the right to make colour and finish selections with respect to the Unit as hereinbefore provided or contemplated), and/or unilaterally declare this Agreement and the Occupancy License to be terminated and of no further force or effect. All monies paid hereunder (including the deposit monies paid or agreed to be paid by the Purchaser pursuant to this Agreement which sums shall be accelerated on demand of the Vendor), together with any interest earned thereon and monies paid or payable for extras or upgrades or changes ordered by the Purchaser, whether or not installed in the Dwelling, shall be forfeited to the Vendor. The Purchaser agrees that the forfeiture of the aforesaid monies shall not be a penalty and it shall not be necessary for the Vendor to prove it suffered any damages in order for the Vendor to be able to retain the aforesaid monies. The Vendor shall in such event still be entitled to claim damages in addition to (and without prejudice to) any other rights or remedies available to the Vendor at law or in equity. In the event of the termination of this Agreement and/or the Occupancy License by reason of the Purchaser's default as aforesaid, then the Purchaser shall be obliged to forthwith vacate the Unit (or cause same to be forthwith vacated) if same has been occupied (and shall leave the Unit in a clean condition, without any physical or cosmetic damages thereto, and clear of all garbage, debris and any furnishings and/or belongings of the Purchaser), and shall execute such releases and any other documents or assurances as the Vendor may require, in order to confirm that the Purchaser does not have (and the Purchaser hereby covenants and agrees that he/she does not have) any legal, equitable or proprietary interest whatsoever in the Unit and/or the Property (or any portion thereof) as hereinbefore provided, and in the event the Purchaser fails or refuses to execute same, the Purchaser hereby appoints the Vendor to be his or her lawful attorney in order to execute such releases, documents and assurances in the Purchaser's name, place and stead, and in accordance with the provisions of the Powers of Attorney Act, R.S.O. 1990, as amended, the Purchaser hereby declares that this power of attorney may be exercised by the Vendor during any subsequent legal incapacity on the part of the Purchaser. In the event the Vendor's Solicitors or an Escrow Agent is/are holding any of the deposits in trust pursuant to this Agreement, then in the event of default as aforesaid, the Purchaser hereby releases the said solicitors or Escrow Agent from any obligation to hold the deposit monies, in trust, and shall not make any claim whatsoever against the said solicitors or Escrow Agent and the Purchaser hereby irrevocably directs and authorizes the said solicitors or Escrow Agent to deliver the said deposit monies and accrued interest, if any, to the Vendor.
- (f) Notwithstanding subparagraph (a) above, the Purchaser acknowledges and agrees that if any amount, payment and/or adjustment which are due and payable by the Purchaser to the Vendor pursuant to this Agreement are not made and/or paid on the date due, but are subsequently accepted by the Vendor, notwithstanding the Purchaser's default, then such amount, payment and/or adjustment shall, until paid, bear interest at the rate equal to eight (8%) percent per annum above the bank rate as defined in subsection 19(2) of O. Reg. 48/01 to the Act at the date of default.

Common Elements

- 26. The Purchaser acknowledges that the Condominium will be constructed to Ontario Building Code requirements at the time of issuance of the building permit. The Purchaser covenants and agrees the Purchaser shall have no claims against the Vendor for any equal, higher or better standards of workmanship or materials. The Purchaser agrees that the foregoing may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his/her successors in title against the Vendor. The Vendor may, from time to time, change, vary or modify in its sole discretion or at the instance of any governmental authority or mortgagee, any elevations, building specifications or site plans of any part of the Condominium, to conform with any municipal or architectural requirements related to building codes, official plan or official plan amendments, zoning by-laws, committee of adjustment and/or land division committee decisions, municipal site plan approval or architectural control. Such changes may be to the plans and specifications existing at inception of the Condominium or as they existed at the time the Purchaser entered into this Agreement, or as illustrated on any sales material, including without limitation, brochures, models or otherwise. With respect to any aspect of construction, finishing or equipment, the Vendor shall have the right, without the Purchaser's consent, to substitute materials, for those described in this Agreement or in the plans or specifications, provided the substituted materials are in the judgment of the Vendor's architect, whose determination shall be final and binding, of equal or better quality. The Purchaser shall have no claim against the Vendor for any such changes, variances or modifications nor shall the Vendor be required to give notice thereof. The Purchaser hereby consents to any such alterations and agrees to complete the same notwithstanding any such modifications.

Executions

- 27. The Purchaser agrees to provide to the Vendor's Solicitors on the Occupancy Date a clear and up-to-date Execution Certificate confirming that no executions are filed at the local Land Titles Office against the individual(s) in whose name title to the Unit is being taken.

Risk

- 28. The Unit shall be and remain at the risk of the Vendor until the Title Transfer Date, subject to the terms of the Occupancy License attached hereto as Schedule "C". If any part of the Condominium is damaged before the Creating Documents are registered, the Vendor may in its sole discretion either:
 - (a) make such repairs as are necessary to complete this transaction and, if necessary, delay the Occupancy Date in the manner permitted in paragraph 7 of the Tarion Addendum;
 - (b) terminate this Agreement and return to the Purchaser all deposit monies paid by the Purchaser to the Vendor, with interest payable under law if the damage to the Condominium has frustrated this Agreement at law; or
 - (c) apply to a court of competent jurisdiction for an order terminating the Agreement in accordance with the provisions of subsection 79(3) of the Act.

It being understood and agreed that all insurance policies and the proceeds thereof are to be for the benefit of the Vendor alone.

Tender/Terms

29. (a) The parties waive personal tender and agree that tender, in the absence of any other mutually acceptable arrangement and subject to the provisions of paragraph 30 of this Agreement shall be validly made by the Vendor upon the Purchaser, by a representative of the Vendor attending at the offices of Harris, Sheaffer, LLP at 12:00 noon on the Title Transfer Date or the Occupancy Date as the case may be and remaining there until 5:00 p.m. and is ready, willing and able to complete the transaction. The Purchaser agrees that keys may be released to the Purchaser as the construction site or sales office on the Occupancy Date or the Title Transfer Date, as applicable. The Vendor's advice that the keys are available shall be valid tender of possession of the Property to the Purchaser. In the event the Purchaser or his or her solicitor fails to appear or appears and fails to close, such attendance by the Vendor's representative (which includes the Vendor's Solicitors) shall be deemed satisfactory evidence that the Vendor is ready, willing and able to complete the sale at such time. Payment shall be tendered by certified cheque drawn on any Canadian chartered bank; and
- (b) It is further provided that, notwithstanding subparagraph 29 (a) hereof, in the event the Purchaser or his or her solicitor advise the Vendor or its Solicitors, on or before the Occupancy Date or Title Transfer Date, as applicable, that the Purchaser is unable or unwilling to complete the purchase or take occupancy, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his or her solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.
30. As the electronic registration system (hereinafter referred to as the "Teraview Electronic Registration System" or ("TERS") is operative in the applicable Land Titles Office in which the Property is registered, then at the option of the Vendor's solicitor, the following provisions shall prevail:
- (a) The Purchaser shall be obliged to retain a solicitor, who is both an authorized TERS user and in good standing with the Law Society of Upper Canada to represent the Purchaser in connection with the completion of the transaction. The Purchaser shall authorize such solicitor to, at the option of the Vendor's Solicitors, either execute an escrow closing agreement with the Vendor's Solicitor on the standard form recommended by the Law Society of Upper Canada (hereinafter referred to as the "Escrow Document Registration Agreement") establishing the procedures and timing for completing this transaction or to otherwise agree to be bound by the procedures set forth in the Escrow Document Registration Agreement.
- (b) The delivery and exchange of documents, monies and keys to the Unit and the release thereof to the Vendor and the Purchaser, as the case may be:
- (i) shall not occur contemporaneously with the registration of the Transfer/Deed (and other registrable documentation); and
- (ii) shall be governed by the Escrow Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Escrow Document Registration Agreement.
- (c) If the Purchaser's solicitor is unwilling or unable to complete this transaction via TERS, in accordance with the provisions contemplated under the Escrow Document Registration Agreement, then said solicitor (or the authorized agent thereof) shall be obliged to personally attend at the office of the Vendor's solicitor, at such time on the Title Transfer Date as may be directed by the Vendor's solicitor or as mutually agreed upon, in order to complete this transaction via TERS utilizing the computer facilities in the Vendor's solicitor's office, and shall pay a fee as determined by the Vendor's solicitor, acting reasonably for the use of the Vendor's computer facilities.
- (d) The Purchaser expressly acknowledges and agrees that he or she will not be entitled to receive the Transfer/Deed to the Unit for registration until the balance of funds due on closing, in accordance with the statement of adjustments, are either remitted by certified cheque via personal delivery or by electronic funds transfer to the vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the Transfer/Deed for registration.
- (e) Each of the parties hereto agrees that the delivery of any documents not intended for registration on title to the Unit may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original or by electronic transmission of electronically signed documents through the Internet), provided that all documents so transmitted have been transmitted and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same (unless the document is an electronically signed document pursuant to the *Electronic Commerce Act*) to the recipient party by overnight courier sent the day of closing or within 7 business days of closing, if same has been so requested by the recipient party.
- (f) Notwithstanding anything contained in this agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
- (i) delivered all closing documents and/or funds to the Purchaser's solicitor in accordance with the provisions of the Escrow Document Registration Agreement and keys are made available for the Purchaser to pick up at the Vendor's sales or customer service office;
- (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of this Agreement; and
- (iii) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor, and specifically when the "completeness signatory" for the transfer/deed has been electronically "signed" by the Vendor's solicitor,

without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents, keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing.

General

31. The Vendor shall provide a statutory declaration on the Title Transfer Date that it is not a non-resident of Canada within the meaning of the ITA.
32. The Vendor and Purchaser agree to pay the costs of registration of their own documents and any tax in connection therewith.
33. The Vendor and the Purchaser agree that there is no representation, warranty, collateral agreement or condition affecting this Agreement or the Property or supported hereby other than as expressed herein in writing.
34. This Offer and its acceptance is to be read with all changes of gender or number required by the context and the terms, provisions and conditions hereof shall be for the benefit of and be binding upon the Vendor and the Purchaser, and as the context of this Agreement permits, their respective heirs, estate trustees, successors and permitted assigns.
35. The Purchaser acknowledges that the suite area of the Unit, as may be represented or referred to by the Vendor or any sales agent, or which appear in any sales material is approximate only, and is generally measured to the outside of all exterior, corridor and stairwell walls, and to the centre line of all party walls separating one unit from another. NOTE: For more information on the method of calculating the floor area of any unit, reference should be made to Builder Bulletin No. 22 published by the TWG. Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living space within the confines of the Unit may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. In addition, the Unit may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. In addition, the Purchaser is advised that the floor area measurements are generally calculated based on the middle floor of the Condominium building for each suite type, such that units on lower floors may have less floor space due to thicker structural members, mechanical rooms, etc., while units on higher floors may have more floor space. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions compensation whatsoever, whether based upon the ultimate square footage of the Unit, or the actual or useable living space within the confines of the Unit or otherwise. The Purchaser further acknowledges that the ceiling height of the Unit is measured from the upper surface of the concrete floor slab (or subfloor) to the underside surface of the concrete ceiling slab (or joists). However, where ceiling bulkheads are installed within the Unit, and/or where dropped ceilings are required, then the ceiling height of the Unit will be less than that

represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever.

- 36. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario.
- 37. The headings of this Agreement form no part hereof and are inserted for convenience of reference only.
- 38. Each of the provisions of this Agreement shall be deemed independent and severable and the invalidity or unenforceability in whole or in part of any one or more of such provisions shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Agreement, and in such event all the other provisions of this Agreement shall continue in full force and effect as if such invalid provision had never been included herein. The Purchaser and the Vendor acknowledge and agree that this Agreement and all amendments and addenda thereto shall constitute an agreement made under seal.
- 39. (a) If any documents required to be executed and delivered by the Purchaser to the Vendor are, in fact, executed by a third party appointed as the attorney for the Purchaser, then the power of attorney appointing such person must be registered in the Land Titles office where the Lands are registered, and a duplicate registered copy thereof (together with a statutory declaration sworn by the Purchaser's solicitor unequivocally confirming, without any qualification whatsoever, that said power of attorney has not been revoked) shall be delivered to the Vendor along with such documents.
- (g) Where the Purchaser is a corporation, or where the Purchaser is buying in trust for another person or corporation for a disclosed or undisclosed beneficiary or principal (including, without limitation, a corporation to be incorporated), the execution of this Agreement by the principal or principals of such corporation, or by the person named as the Purchaser in trust as the case may be, shall be deemed and construed to constitute the personal indemnity of such person or persons so signing with respect to the obligations of the Purchaser herein and shall be fully liable to the Vendor for the Purchaser's obligations under this Agreement and may not plead such agency, trust relationship or any other relationships as a defence to such liability.

Notice

- 40. (a) Any notice required to be delivered under the provisions of the Taron Addendum shall be delivered in the manner required by paragraph 14 of the Taron Addendum.
- (b) Any other notice given pursuant to the terms of this Agreement shall be deemed to have been properly given if it is in writing and is delivered by hand, ordinary prepaid post, facsimile transmission or electronic mail to the attention of the Purchaser or to the Purchaser's solicitor to their respective addresses indicated herein or to the address of the Unit after the Occupancy Date and to the Vendor at 8791 Woodbine Avenue, Suite 100, Markham, Ontario, L3R 0P4, or to the Vendor's Solicitors at the address indicated in this Agreement or such other address as may from time to time be given by notice in accordance with the foregoing. Such notice shall be deemed to have been received on the day it was delivered by hand, by electronic mail or by facsimile transmission and upon the third day following posting, excluding Saturdays, Sundays and statutory holidays. This agreement or any amendment or addendum thereto may, at the Vendor's option, be properly delivered if it delivered by facsimile transmission or if a copy of same is computer scanned and forwarded by electronic mail to the other party.

Material Change

- 41. The Purchaser acknowledges and agrees that the Vendor may, from time to time in its sole discretion, due to site conditions or constraints, or for marketing considerations, or for any other legitimate reason, including without limitation any request or requirement of any of the governmental authorities or any request or requirement of the Vendor's architect or other design consultants:
 - (h) change the Property's municipal address or numbering of the Unit (in terms of the unit number and/or level number ascribed to any one or more of the units comprising the Unit);
 - (i) change, vary or modify the plans and specifications pertaining to the Unit or the Condominium, or any portion thereof (including architectural, structural, engineering, landscaping, grading, mechanical, site servicing and/or other plans and specifications) from the plans and specifications existing at the inception of the project, or existing at the time that the Purchaser has entered into this Agreement, or as same may be illustrated in any sales brochure(s), model(s) in the sales office or otherwise, including without limitation, making any change to the total number of dwelling, parking, locker and/or other ancillary units intended to be created within the Condominium, and/or any change to the total number of levels or floors within the Condominium, as well as any changes or alterations to the design, style, size and/or configuration of any dwelling or other ancillary units within the Condominium;
 - (j) change, vary, or modify the number, size and location of any windows, column(s) and/or bulkhead(s) within or adjacent to (or comprising part of) the Unit, from the number, size and/or location of same as displayed or illustrated in any sales brochure(s), model(s) or floor plan(s) previously delivered or shown to the Purchaser, including the insertion or placement of any window(s), column(s) and/or bulkhead(s) in one or more locations within the Unit which have not been shown or illustrated in any sales brochure(s), model(s) or floor plan(s) previously delivered or shown to the Purchaser (regardless of the extent or impact thereof), as well as the removal of any window(s), column(s) and/or bulkhead(s) from any location(s) previously shown or illustrated in any sales brochure(s), model(s) in the sales office or otherwise; and/or
 - (k) change the layout of the Unit such that same is a mirror image of the layout shown to the Purchaser (or a mirror image of the layout illustrated in any sales brochure or other marketing material(s) delivered to the Purchaser);

and that the Purchaser shall have absolutely no claim or cause of action whatsoever against the Vendor or its sales representatives (whether based or founded in contract, tort or in equity) for any such changes, deletions, alterations or modifications, nor shall the Purchaser be entitled to any abatement or reduction in the Purchase Price whatsoever as a consequence thereof, nor any notice thereof (unless any such change, deletion, alteration or modification to the said plans and specifications is material in nature (as defined by the Act) and significantly affects the fundamental character, use or value of the Unit and/or the Condominium, in which case the Vendor shall be obliged to notify the Purchaser in writing of such change, deletion, alteration or modification as soon as reasonably possible after the Vendor proposes to implement same, or otherwise becomes aware of same), and where any such change, deletion, alteration or modification to the said plans and specifications is material in nature, then the Purchaser's only recourse and remedy shall be the termination of this Agreement prior to the Title Transfer Date (and specifically within 10 days after the Purchaser is notified or otherwise becomes aware of such material change), and the return of the Purchaser's deposit monies, together with interest accrued thereon at the rate prescribed by the Act.

Cause of Action/Assignment

- 42. (a) The Purchaser acknowledges and agrees that notwithstanding any rights which he or she might otherwise have at law or in equity arising out of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action whatsoever as a result of any matter or thing arising under or in connection with this Agreement (whether based or founded in contract law, tort law or in equity, and whether for innocent misrepresentation, negligent misrepresentation, breach of contract, breach of fiduciary duty, breach of constructive trust or otherwise), against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be (or may ultimately be found or adjudged to be) a nominee or agent of another person, firm, corporation or other legal entity, or a trustee for and on behalf of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights, claims or causes of action against any such third parties. Furthermore, the Purchaser and the Vendor acknowledge that this Agreement shall be deemed to be a contract under seal.
- (b) At any time prior to the Title Transfer Date, the Vendor shall be permitted to assign this Agreement (and its rights, benefits and interests hereunder) to any person, firm, partnership or corporation registered as a vendor pursuant to the ONHWPA and upon any such assignee assuming all obligations under this Agreement and notifying the Purchaser or the Purchaser's solicitor of such assignment, the Vendor named herein shall be automatically released from all obligations and liabilities to the Purchaser arising from this Agreement, and said assignee shall be deemed for all purposes to be the vendor herein as if it had been an original party to this Agreement, in the place and stead of the Vendor.

Non-Merger

- 43. The covenants and agreements of each of the parties hereto shall not merge on the Title Transfer Date, but shall remain in full force and effect according to their respective terms, until all outstanding obligations of each of the parties hereto have been duly performed or fulfilled.

in accordance with the provisions of this Agreement. No further written assurances evidencing or confirming the non-merger of the covenants of either of the parties hereto shall be required or requested by or on behalf of either party hereto.

Notice/Warning Provisions

44. The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for draft plan of condominium approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "Requirements") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Condominium to major street, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that (1) on either the Occupancy Date or Title Transfer Date, as determined by the Vendor, the Purchaser shall execute any and all documents required by the Vendor acknowledging, *inter alia*, that the Purchaser is aware of the Requirements, and (2) if the Vendor is required to incorporate the Requirements into the final Condominium Documents the Purchaser shall accept the same, without in any way affecting this transaction. Notwithstanding the generality of the foregoing, the Purchaser agrees to be bound by the warnings set forth in Schedule "D" hereto.

SCHEDULE "C" TO AGREEMENT OF PURCHASE AND SALE

TERMS OF OCCUPANCY LICENCE

- C.1 The transfer of title to the Unit shall take place on the Title Transfer Date upon which date, unless otherwise expressly provided for hereunder, the term of this Occupancy Licence shall be terminated.
- C.2 The Purchaser shall pay or have paid to the Vendor, on or before the Occupancy Date, by certified cheque drawn on a Canadian chartered bank the amount set forth in paragraph 1(b) of this Agreement without adjustment. Upon payment of such amount on the Occupancy Date, the Vendor grants to the Purchaser a licence to occupy the Unit from the Occupancy Date.
- C.3 The Purchaser shall pay to the Vendor the Occupancy Fee calculated as follows:
 - (a) the amount of interest payable in respect of the unpaid balance of the Purchase Price at the prescribed rate;
 - (b) an amount reasonably estimated by the Vendor on a monthly basis for municipal realty taxes attributable by the Vendor to the Unit; and
 - (c) the projected monthly common expense contribution for the Unit;

as an occupancy charge on the first day of each month in advance during Interim Occupancy, no part of which shall be credited as payments on account of the Purchase Price, but which payments shall be a charge for occupancy only. If the Occupancy Date is not the first day of the month, the Purchaser shall pay on the Occupancy Date a pro rata amount for the balance of the month by certified funds. The Purchaser shall deliver to the Vendor on or before the Occupancy Date a series of post-dated cheques as required by the Vendor for payment of the estimated monthly Occupancy Fee. The Occupancy Fee may be recalculated by the Vendor, from time to time based on revised estimates of the items which may be lawfully taken into account in the calculation thereof and the Purchaser shall pay to the Vendor such revised Occupancy Fee following notice from the Vendor. With respect to taxes, the Purchaser agrees that the amount estimated by the Vendor on account of municipal realty taxes attributed to the Unit shall be subject to recalculation based upon the real property tax assessment or reassessment of the Units and/or Condominium, issued by the municipality after the Title Transfer Date and the municipal tax mill rate in effect as at the date such assessment or reassessment is issued. The Occupancy Fee shall thereupon be recalculated by the Vendor and any amount owing by one party to the other shall be paid upon demand.
- C.3 The Purchaser shall be allowed to remain in occupancy of the Unit during Interim Occupancy provided the terms of this Occupancy Licence and the Agreement have been observed and performed by the Purchaser. In the event the Purchaser breaches the terms of occupancy the Vendor in its sole discretion and without limitation of any other rights or remedies provided for in this Agreement or at law may terminate this Agreement and revoke the Occupancy Licence whereupon the Purchaser shall be deemed a trespasser and shall give up vacant possession forthwith. The Vendor may take whatever steps it deems necessary to obtain vacant possession and the Purchaser shall reimburse the Vendor for all costs it may incur.
- C.4 At or prior to the time that the Purchaser takes possession of the Unit, the Purchaser shall execute and deliver to the Vendor any documents, directions, acknowledgments, assumption agreements or any and all other documents required by the Vendor pursuant to this Agreement, in the same manner as if the closing of the transaction was taking place at that time.
- C.5 The Purchaser shall pay the monthly Occupancy Fee during Interim Occupancy and the Vendor shall destroy all unused post-dated Occupancy Fee cheques on or shortly after the Title Transfer Date.
- C.6 The Purchaser agrees to maintain the Unit in a clean and sanitary condition and not to make any alterations, improvements or additions thereto without the prior written approval of the Vendor which may be unreasonably withheld. The Purchaser shall be responsible for all utility, telephone expenses, cable television service, or other charges and expenses billed directly to the occupant of the Unit by the supplier of such services and not the responsibility of the Corporation under the Condominium Documents.
- C.7 The Purchaser's occupancy of the Unit shall be governed by the provisions of the Condominium Documents and the provisions of this Agreement. The Unit may only be occupied and used in accordance with the Condominium Documents and for no other purpose.
- C.8 The Vendor covenants to proceed with all due diligence and dispatch to register the Creating Documents. If the Vendor for any reason whatsoever is unable to register the Creating Documents and therefore is unable to deliver a registrable Transfer/Deed to the Purchaser within twenty-four (24) months after the Occupancy Date, the Purchaser or Vendor shall have the right after such twenty-four (24) month period to give sixty (60) days written notice to the other, of an intention to terminate the Occupancy Licence and this Agreement. If the Vendor and Purchaser consent to termination, the Purchaser shall give up vacant possession and pay the Occupancy Fee to such date, after which this Agreement and Occupancy Licence shall be terminated and all moneys paid to the Vendor on account of the redecorating Price shall be returned to the Purchaser together with interest required by the Act, subject however, to any repair and redecorating expenses of the Vendor necessary to restore the Unit to its original state of occupancy, reasonable wear and tear excepted. The Purchaser and Vendor each agree to provide a release of this Agreement in the Vendor's standard form. If the Vendor and Purchaser do not consent to termination, the provisions of subsection 79(3) of the Act may be invoked by the Vendor.
- C.9 The Vendor and the Purchaser covenant and agree, notwithstanding the taking of possession, that all terms hereunder continue to be binding upon them and that the Vendor may enforce the provisions of the Occupancy Licence separate and apart from the purchase and sale provisions of this Agreement.
- C.10 The Purchaser acknowledges that the Vendor holds a fire insurance policy on the Condominium including all aspects of a standard unit and not on any improvements or betterments made by or on behalf of the Purchaser. It is the responsibility of the Purchaser, after the Occupancy Date to insure the improvements or betterments to the Unit and to replace and/or repair same if they are removed, injured or destroyed. The Vendor is not liable for the Purchaser's loss occasioned by fire, theft or other casualty, unless caused by the Vendor's willful conduct.
- C.11 The Purchaser agrees to indemnify the Vendor for all losses, costs and expenses incurred as a result of the Purchaser's neglect, damage or use of the Unit or the Condominium, or by reason of injury to any person or property in or upon the Unit or the Condominium resulting from the negligence of the Purchaser, members of his immediate family, servants, agents, invitees, tenants, contractors and licensees. The Purchaser agrees that should the Vendor elect to repair or redecorate all or any part of the Unit or the Condominium as a result of the Purchaser's neglect, damage or use of the Unit or Condominium, he will immediately reimburse the Vendor for the cost of doing same, the determination of need for such repairs or redecoration shall be at the discretion of the Vendor, and such costs may be added to the Purchase Price.
- C.12 In accordance with subsections 80(6)(d) and (e) of the Act, subject to strict compliance by the Purchaser with the requirements of occupancy set forth in this Agreement, the Purchaser shall not have the right to assign, sublet or in any other manner dispose of the Occupancy Licence during Interim Occupancy without the prior written consent of the Vendor which consent may be arbitrarily withheld. The Purchaser acknowledges that an administrative fee will be payable to the Vendor each time the Purchaser wishes to assign, sublet or dispose of the Occupancy Licence during Interim Occupancy.
- C.13 The provisions set forth in this Agreement, unless otherwise expressly modified by the terms of the Occupancy Licence, shall be deemed to form an integral part of the Occupancy Licence. In the event the Vendor elects to terminate the Occupancy Licence pursuant to this Agreement following substantial damage to the Unit and/or the Condominium, the Occupancy Licence shall terminate forthwith upon notice from the Vendor to the Purchaser. If the Unit and/or the Condominium can be repaired within a reasonable time following damages as determined by the Vendor (but not, in any event, to exceed one hundred and eighty (180) days) and the Unit is, during such period of repairs uninhabitable, the Vendor shall proceed to carry out the necessary repairs to the Unit and/or the Condominium with all due dispatch and the Occupancy Fee shall abate during this period when the Unit remains uninhabitable; otherwise, the Purchaser shall vacate the Unit and deliver up vacant possession to the Vendor and all moneys, to the extent provided for in paragraph 20 hereof (excluding the Occupancy Fee paid to the Vendor) shall be returned to the Purchaser. It is understood and agreed that the proceeds of all insurance policies held by the Vendor are for the benefit of the Vendor alone.

SCHEDULE "D" TO AGREEMENT OF PURCHASE AND SALE

WARNING CLAUSES

- (e) The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for draft plan of condominium approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "Requirements") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the Condominium to major street, garbage storage and pickup, school transportation, and similar matters). Accordingly, the Purchaser covenants and agrees that (1) on either the Occupancy Date or the Title Transfer Date, the Purchaser shall execute any and all documents required by the Vendor acknowledging, *inter alia*, that the Purchaser is aware of the Requirements, and (2) if the Vendor is required to incorporate the Requirements into the final Condominium Documents the Purchaser shall accept the same, without in any way affecting this transaction.
- (b) The Purchaser is hereby advised that noise levels caused by the Condominium's mechanical equipment, the loading and unloading of tractor trailers in the adjacent commercial condominium and the daily operation of businesses within Units in the adjacent condominium corporation may occasionally cause noise and inconvenience to Unit occupants.
- (c) The Purchaser is hereby advised that the Vendor's builder's risk and/or comprehensive liability insurance (effective prior to the registration of the Condominium), and the Condominium's master insurance policy (effective from and after the registration of the Condominium) will only cover the common elements and the standard unit and will not cover any betterments or improvements made to the standard unit, nor any furnishings or personal belongings of the Purchaser or other residents of the Unit, and accordingly the Purchaser should arrange for his or her own insurance coverage with respect to same, effective from and after the Occupancy Date, all at the Purchaser's sole cost and expense.
- (d) The Purchaser acknowledges and agrees that the Vendor (and any of its authorized agents, representatives and/or contractors), as well as one or more authorized representatives of the Condominium, shall be permitted to enter the Unit after the Occupancy Date, from time to time, in order to enable the Vendor to correct outstanding deficiencies or incomplete work for which the Vendor is responsible, and to enable the Condominium to inspect the condition or state of repair of the Unit and undertake or complete any requisite repairs thereto (which the owner of the Unit has failed to do) in accordance with the Act.
- (e) Purchasers are advised that noise and/or odour levels from surrounding commercial and/or industrial businesses, may be of concern and occasionally interfere with some activities of the Unit occupants as the sound levels may exceed the Municipality's and the Ministry of Environment's noise criteria.
- (f) The Purchaser acknowledges being advised of the following notices:
 - (i) Despite the best efforts of the York Region Public School Board, sufficient accommodation may not be locally available for all students anticipated from the development area and that students may be accommodated in facilities outside the area, and further, the students may later be transferred.
 - (ii) Purchasers agree for the purpose of transportation to school if bussing is provided by the York Region Public School Board in accordance with the Board's policy, that students will not be bussed from home to school, but will meet the bus at designated locations in or outside the area.*
- (g) The Purchaser specifically acknowledges and agrees that the Condominium will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities, and that the proximity of the Condominium to major arterial roads (namely, Kennedy Road and Highway 407), as well as to public transit services, and railways may result in noise and/or vibration transmissions to the Property, and cause noise exposure levels affecting the features within the Condominium, noise levels from the aforementioned sources may continue to be of concern, occasionally complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Property on the Title Transfer Date, if, in fact, same is required by any of the governmental authorities.
- (h) The Vendor reserves the right to increase or decrease the final number of, residential, parking, and/or other ancillary units intended to be created within the Condominium, as well as the right to alter the design, style, size and/or configuration of the units ultimately comprised within the Condominium which have not yet been sold by the Vendor to any unit purchaser(s), all in the Vendor's sole discretion, and the Purchaser expressly acknowledges and agrees to the foregoing, provided that the final unit count will not affect, in any material or substantial way, the percentages of common expenses and common interests allocated and attributable to the residential, parking and/or locker units sold by the Vendor to the Purchaser. Without limiting the generality of the foregoing, the Purchaser further acknowledges and agrees that one or more units situate adjacent to one another may be combined or amalgamated prior to the registration of the Condominium, in which case the common expenses and common interests attributable to such proposed former units will be incorporated into one figure or percentage in respect of the final combined unit, and the overall unit count of the Condominium will be varied and adjusted accordingly. None of the foregoing changes or revisions (if implemented) shall in any way be considered or construed as a material change to the disclosure statement prepared and delivered by the Vendor to the Purchaser in connection with this transaction.
- (i) Purchasers are advised that the Vendor's marketing material and site drawings and renderings ("Marketing Material") which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor's design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor's obligations hereunder.
- (j) The Purchaser acknowledges and agrees that the Vendor reserves the right to add or relocate certain mechanical equipment within the Unit, including but not limited to, a heat pump system and ancillary equipment, to be located and placed along either the interior of an outside wall or an interior demising wall, in accordance with engineering and/or architectural requirements.
- (k) It is further acknowledged that one or more of the Development Agreements may require the Vendor to provide the Purchaser with certain notices, including without limitation, notices regarding such matters as land use, the maintenance of retaining walls, landscaping features and/or fencing, noise abatement features, garbage storage and pick-up, school transportation, and noise/vibration levels from adjacent roadways and/or nearby railway lines. The Purchaser agrees to be bound by the contents of any such notice(s), whether given to the Purchaser at the time that this Agreement has been entered into, or at any time thereafter up to the Title Transfer Date, and the Purchaser further covenants and agrees to execute, forthwith upon the Vendor's request, an express acknowledgment confirming the Purchaser's receipt of such notice(s) in accordance with (and in full compliance of) such provisions of the Development Agreement(s), if and when required to do so by the Vendor.
- (l) Residents of the Condominium are absolutely prohibited from altering the grading and/or drainage patterns established by the Vendor in respect of the Condominium, and subject to the provisions of the declaration, by-laws and rules of the Condominium in force from time to time, residents shall not place any fence, shrub, bush, hedge or other landscaping treatment on any portion of the common elements.

- (m) Whereas, despite the best efforts of the York Region Catholic Separate School Board, sufficient accommodation may not be available for all anticipated students from the area, you are hereby notified that students may be accommodated in temporary facilities and/or bussed to a school outside the neighbourhood, and further, that students may later be transferred to the neighbourhood school.
- (n) The Purchasers agree that for the purpose of transportation to school, the residents shall agree that children will meet the bus on roads presently in existence or at another designated place designated by the Board.
- (o) The Purchaser acknowledges that the snow removal for the site will not be completed by the local municipality. The Purchaser acknowledges that the property is subject to a Condominium Agreement which must address snow removal.
- (p) The Purchaser acknowledges that garbage removal from the site will be completed by a private contractor unless the local municipality and the Region at their discretion, agree to extend garbage and recycling service to the Condominium. Designated pickup dates and areas will be arranged.

1. Critical Dates

The **First Tentative Occupancy Date**, which is the date that the Vendor anticipates the condominium home will be completed and ready to move in, is: the 30th day of April, 2014.

The Vendor can delay Occupancy on one or more occasions by setting a subsequent Tentative Occupancy Date, in accordance with section 3 of the Addendum by giving proper written notice as set out in section 3.

By no later than 30 days after completion of the roof slab or of the roof trusses and sheathing, as the case may be, with 90 days prior written notice, the Vendor shall set either (i) a **Final Tentative Occupancy Date**; or (ii) a **Firm Occupancy Date**.

If the Vendor sets a **Final Tentative Occupancy Date** but cannot provide Occupancy by the **Final Tentative Occupancy Date**, then the Vendor shall set a **Firm Occupancy Date** that is no later than 120 days after the **Final Tentative Occupancy Date**, with proper written notice as set out in section 3 below.

If the Vendor cannot provide Occupancy by the **Firm Occupancy Date**, then the Purchaser is entitled to delayed occupancy compensation (see section 9 of the Addendum) and the Vendor must set a **Delayed Occupancy Date** which cannot be later than the **Outside Occupancy Date**.

The **Outside Occupancy Date**, which is the latest date by which the Vendor agrees to provide Occupancy, is: the 29th day of April, 2016.

2. Notice Period for an Occupancy Delay

Changing an Occupancy date requires proper written notice. The Vendor, without the Purchaser's consent, may delay occupancy one or more times in accordance with section 3 of the Addendum and no later than the **Outside Occupancy Date**.

Notice of a delay beyond the **First Tentative Occupancy Date** must be given no later than: the 30th day of January, 2014. (i.e., 90 days before the **First Tentative Occupancy Date**), or else the **First Tentative Occupancy Date** automatically becomes the **Firm Occupancy Date**.

3. Purchaser's Termination Period

If the condominium home is not complete by the **Outside Occupancy Date**, and the Vendor and the Purchaser have not otherwise agreed, then the Purchaser can terminate the transaction during a period of 30 days thereafter (the "Purchaser's Termination Period"), which period could end as late as: the 30th day of May, 2016.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 9, 11 and 12 of the Addendum).

Note: Anytime a **Critical Date** is set or changed as permitted in the Addendum, other **Critical Dates** may change as well. At any given time the parties must refer to the most recent agreement or written notice that sets a **Critical Date**, and calculate revised **Critical Dates** using the formulas contained in the Addendum. **Critical Dates** can also change if there are unavoidable delays (see section 7 of the Addendum).

Acknowledged this 31st day of OCTOBER, 2014.

 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 7.

5. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a structure for setting, extending and/or accelerating Occupancy dates, which cannot be altered contractually except as set out in this section 5 and in paragraph 7(c). - (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend a Firm Occupancy Date or a Delayed Occupancy Date in each case to a new specified calendar date. The amendment must comply with the requirements of section 10.
- (c) The Vendor and Purchaser may at any time after signing the Purchase Agreement mutually agree in writing to accelerate the First Tentative Occupancy Date and correspondingly reset all the Critical Dates provided that:
 - (i) the mutual amendment is signed at least 180 days prior to the First Tentative Occupancy Date;
 - (ii) all the Critical Dates including the Outside Occupancy Date are moved forward by the same number of days (subject to adjustment so that Critical Dates fall on Business Days);
 - (iii) a new Statement of Critical Dates is signed by both parties at the time the amendment is signed and a copy is provided to the Purchaser; and
 - (iv) the Purchaser is given a three (3) Business Day period in which to review the amendment after signing and if not satisfied with the amendment may terminate the amendment (but not the balance of the Purchase Agreement), upon written notice to the Vendor within such 3-day period.
- Any such amendment must be by mutual agreement and, for greater certainty, neither party has any obligation to enter into such an amendment.
- (d) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (e) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

6. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 5 and 7 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 9.

6. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date (continued)

- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event no later than 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 9(c).
- (d) If a Delayed Occupancy Date is set and the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 7 or is mutually agreed upon under section 5, in which case the requirements of those sections must be met. Paragraphs 6(b) and 6(c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

7. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 10 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 10 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph 7(c), the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 9 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section must set out the revised next Critical Date and state that the setting of such date may change other future Critical Dates, as applicable, in accordance with the terms of the Addendum.

8. Building Code – Conditions of Occupancy

- (a) On or before the date of Occupancy, the Vendor shall deliver to the Purchaser:
 - (i) where a registered code agency has been appointed for the building or part of the building under the *Building Code Act* (Ontario), a final certificate with respect to the condominium home that contains the prescribed information as required by s. 11(3) of the *Building Code Act*; or
 - (ii) where a registered code agency has not been so appointed, either:
 - (A) an Occupancy Permit (as defined in paragraph (d)) for the condominium home; or
 - (B) a signed written confirmation by the Vendor that: (I) provisional or temporary occupancy of the condominium home has been authorized under Article 1.3.3.1 of Division C of the Building Code; or (II) the conditions for residential occupancy of the condominium home as set out in s. 11 of the *Building Code Act* or Article 1.3.3.2 of Division C of the Building Code, as the case may be (the "Conditions of Occupancy") have been fulfilled.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for certain Conditions of Occupancy (the "Purchaser Obligations"):
 - (i) the Purchaser may not refuse to take Occupancy on the basis that the Purchaser Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling the Conditions of Occupancy (other than the Purchaser Obligations), a signed written confirmation that the Vendor has fulfilled such Conditions of Occupancy; and
 - (iii) if the Purchaser and Vendor have agreed that the Conditions of Occupancy (other than the Purchaser Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Occupancy.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(iii), then the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(iii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 6, and delayed occupancy compensation shall be payable in accordance with section 9. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(iii) is because the Purchaser has failed to satisfy the Purchaser Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences the fact that authority to occupy the condominium home has been granted.

9. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 5 or 7), then the Vendor shall compensate the Purchaser for all costs incurred by the Purchaser as a result of the delay up to a total amount of \$7,500, which amount includes payment to the Purchaser of \$150 a day for living expenses for each day of delay until the date of Occupancy or the date of termination of the Purchase Agreement, as applicable under paragraph (b).
- (b) Delayed occupancy compensation is payable only if (i) Occupancy occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraphs 11(b), (c) or (e) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 6(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation within 180 days after Occupancy and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 9 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed occupancy compensation payable;

AMENDMENT TO THE
AGREEMENT OF PURCHASE AND SALE

180

BETWEEN: JADE-KENNEDY (RESIDENTIAL) DEVELOPMENT CORPORATION (the "Vendor") and
DIRI-KIPLI CORP. (the "Purchaser")
Unit 11, Level 11, (the "Unit") Suite 1216

It is hereby understood and agreed between the Vendor and the Purchaser that the following change(s) shall be made to the above-mentioned Agreement of Purchase and Sale, and except for such change(s) noted below, all other terms and conditions of the Agreement shall remain as stated therein, and time shall continue to be of the essence.

DELETE:

17. The Purchaser covenants and agrees with the Vendor not to list for sale, advertise for sale, offer for lease, offer for sale, sell, lease, transfer or assign his interest under this Agreement or in the Unit, not less than thirty (30) days prior to the Unit Transfer Date without first: (i) obtaining the written consent of the Vendor, which consent will not be unreasonably withheld once the Vendor determines that ninety (90%) percent of the units in the Condominium are sold, which determination shall be made by the Vendor in its sole and unfettered discretion; (ii) acknowledging in writing that the Purchaser shall remain fully responsible for the Purchaser's covenants, agreements and obligations contained in this Agreement; (iii) obtaining an assignment and assumption agreement from the transferee/assignee in a form acceptable to the Vendor acting reasonably; (iv) remitting payment of the sum of Two Thousand Five Hundred (\$2500.00) Dollars (plus applicable GST) by certified cheque representing an administration fee payable to the Vendor for processing and for allowing such transfer or assignment; (v) and confirming that the listing of such sale, transfer or assignment is not, never was and will not be listed on the Toronto Real Estate Board, Multiple Listing Service ("MLS"); and (vi) obtaining the written consent or approval from any lending institution or mortgagee providing any financing to the Vendor, construction or otherwise, for the development and construction of the Condominium, in the event such consent or approval is required to be obtained by the Vendor as a condition for the advance or continued advance of any funds in respect of such financing. The Purchaser acknowledges and agrees that once a breach of the preceding covenant occurs, such breach is or shall be incapable of rectification, and accordingly the Purchaser acknowledges, and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement and the Occupancy License, effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. Subject to the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name an assignee. Notwithstanding the foregoing, the Purchaser shall be entitled to direct that title to the Unit be taken in the name of his or her spouse, or a member of his or her immediate family only, being limited to parents, siblings or children over the age of eighteen (18) years, and shall not be permitted to direct title to any other third parties.

23. (b) If the Unit is substantially complete and fit for occupancy on the Occupancy Date, as provided for in subparagraph (a) above, but the Creating Documents have not been registered, (or in the event the Condominium is registered prior to the Occupancy Date and closing documentation has yet to be prepared), the Purchaser shall pay to the Vendor a further amount on account of the Purchase Price specified in paragraph 1(b) hereof without adjustment save for any pro-rated portion of the Occupancy Fee described and calculated in Schedule "C", and the Purchaser shall occupy the Unit on the Occupancy Date pursuant to the Occupancy License attached hereto as Schedule "C".

24. (a) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Occupancy Date, to conduct a pre-delivery inspection of the Unit (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Unit, on the TWC Certificate of Completion and Possession (the "CCP") and the PDI Form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWP. The said CCP and PDI Forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Unit in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

INSERT:

17. The Purchaser shall have the right to list for sale, advertise for sale, offer for sale, sell, transfer or assign its interest under this Agreement or in the Unit prior to the Unit Transfer Date without the consent of the Vendor, and free of any charge or payment or fee of any kind whatsoever, provided that in the event of such sale, transfer or assignment, the Purchaser's obligations and liabilities hereunder shall continue until the Unit Transfer Date, after which time the Purchaser shall be relieved of any such obligations or liabilities as if and to the extent that the Purchaser had never executed this Agreement. As an alternative to assignment as aforesaid, the Purchaser shall be entitled to direct the Vendor to have title to the property drawn to and in favour of any third party so nominated by the Purchaser, and the Vendor hereby covenants and agrees to honour and comply with any such written direction of the Purchaser.

24. (a) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Unit Transfer Date, to conduct a pre-delivery inspection of the Unit (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Unit, on the TWC Certificate of Completion and Possession (the "CCP") and the PDI Form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWP. The said CCP and PDI Forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Unit in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.
