ENDORSEMENT OF JUSTICE BLACK:

[1] This was a motion by National (in this endorsement I will continue to use this and other terms as defined in the parties' materials) for an order extending the time required for the Company to file its proposal from August 1, 2026 to September 15, 2026.

[2] Having reviewed the July 29, 2026 affidavit of Antonio Bruno (and having read Mr. Bruno's prior affidavits in this matter), as well as the Proposal Trustee's Second Report, I am satisfied that the Company, assisted by the Proposal Trustee, has continued to make appropriate and diligent efforts towards a successful restructuring.

[3] I also note that the Company will have sufficient liquidity to continue operating through the extended stay period and accept that no creditor will be materially prejudiced by the extension sought.

[4] Consistent with that notion, there was no evident opposition to the relief sought today.

[5] As such, I am prepared to grant the extension sought, and have signed the form of order provided.
